

## Birklands Primary School Round-up

The last few months have been a busy time at Birklands Primary School. Staff and pupils have been busy organising and running charity events and a halloween extravaganza with fancy dress, treats and disco.

### Roald Dahl day:

On Friday 11th September, pupils were invited to dress up as a character associated with Roald Dahl or wear a yellow piece of clothing, Roald's favourite colour, as part of Roald Dahl day. Everyone made a great effort and had a fantastic day.

Alongside this, the school also set up a collection for the Emergency Child Refugee section of Save the Children Fund in regard to the Migration Crisis. (Pictured left and below)

### Halloween Disco:

The upper school hall at Birklands was transformed into a Halloween extravaganza for a disco with a difference on 22nd October. It was decorated with spooky inflatables, lighting and hanging decorations and the children came in fancy dress to finish off the look.

With treats such as biscuits, drinks, goody bags and a tuck shop as well as great music and decorations, everyone had a fantastic evening. (Pictured right)

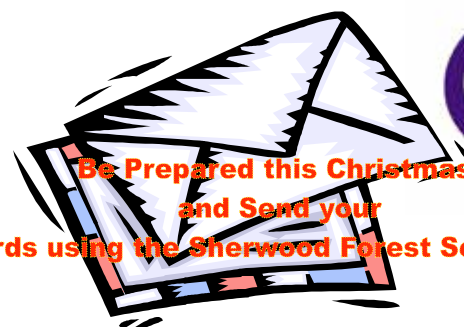

### Macmillan Coffee Morning:

Birklands Primary School held a successful coffee morning in aid of Macmillan on Friday 2nd October. The PTFA served drinks and coffee alongside a selection of delicious cakes donated by parents, carers and staff, with all proceeds going to Macmillan.

The school also held a non-uniform day for the pupils who could also enjoy a cake and juice at break time. The whole day was a huge success and Birklands raised an amazing £367.52 for this very worthwhile charity. The school would like to thank the PTFA for organising the event and to all parents and children who contributed cakes.

## Editor's Letter

I can't believe it's that time of year again, where does the time go ????

The Christmas lights are switched on in the town and we have a new shop to buy all our Christmas gifts. **BOYES**, which is now in the old Nisa building on Burns Lane, opened on 13th November. I've had a good look round and I am amazed, it's just what Warsop needs and if Netto come next year we will have everything on our doorstep, together with all our shops there's no need to travel out of town anymore.

Such good news!!!

Just need to say Merry Christmas to you all hope you all have a good time xxx

## GARDENING MONTHLY...

### General tasks and garden maintenance

Carry on digging over beds and borders and incorporate as much organic matter as you can. Forking over not only helps prepare the soil for next year, it helps reduce pests by exposing them to hungry birds.

Protect pots and taps from frost by wrapping insulation around them. Bubble wrap is ideal and probably in plentiful supply if you are ordering Christmas presents over the internet!

Clear paths of moss and lichen, treat timber with preservative, repair fences, check sheds and walls (but avoid any concreting until there is no chance of frost), clean and insulate greenhouses (that bubble wrap again!) and ensure heaters are working properly. Even a little insulation will make a huge difference to your heating bill.

Clean and repair your garden tools and clock the lawn mower in for a service. New tools are always a welcome present, as are new gardening gloves... especially good quality ones.

Clear debris - this is vital to prevent slugs and snails from setting up home in those lovely warm and damp conditions! However, a plea for wildlife... An artless pile of sticks and logs will make a wonderful 'des res' for hibernating hedgehogs and the like, so please don't be too ferocious on the tidying front. Make leaf mould out of fallen leaves - they will rot down into fantastically fertile matter after a year (2 for oak leaves). Store wet leaves (they must be wet to rot) in large black plastic sacks forked with holes or piled into a chicken wire container or similar. Failing that, add them to the compost heap.

Take care not to let leaves accumulate around alpines - they will die if left damp for long. Cover bare patches around clumps with gritty compost to encourage regrowth.

Happy Gardening

## Footpath & Countryside Group

**As we approach the shortest day it is easy to make excuses for not getting outside and taking a walk. But often, once you have made the effort to wrap up warm, you realise that fresh air really can make you feel better, especially if you are out in the countryside.**

This summer's weather encouraged a bumper crop of bracken, nettles and more light penetrates the canopy. Shirebrook Wood is another good walking site with some fine views. Despite its name, much of it is in Warsop Parish, it's the colliery waste that forms the hills that came from Shirebrook! If you are traveling by car there is a car park off Longster Lane at Sookholme.

At this time of year flocks of migratory Fieldfare and Redwing may be seen, moving on once they have stripped our trees and hedgerows of their fruit. The Little Egrets have returned to the river and although I have only seen a solitary bird so far I am assured that up to three have been spotted.

It is worth remembering that the birds that visit our gardens need water as well as a meal. They appreciate a wash along with a drink especially in freezing conditions so it is a good idea to replenish their bird bath every day. Don't forget the ground feeding birds. A saucer of food on the ground can be a life saver in cold weather. If you are worried about problems with cats or pigeons you can buy a cage that only allows smaller birds to get to the food. Alternatively, digging over a small patch of garden will allow birds to catch worms or grubs.

Maybe a bird bath, a ground feeder or a hanging feeder could make a Christmas gift! Or, if you are buying for somebody who is interested in wildlife and likes gadgets, how about an infrared trail camera that will record the creatures that visit your garden at night?

Our December walk is usually shorter with a later starting time than our regular walks and may include seasonal refreshments. Get in touch if you would like to join us on Saturday 19th December. We should revert to our usual walk arrangements on January 16th 2016.

## Alorafocus Support Group

**Alorafocus supports anyone affected by cancer/life changing illness.**

Alorafocus has been running a long time (1987 - formerly Mansfield self help cancer group) But because we had members for all the surrounding areas including Shirebrook, we decided to change the name.

The group was set up by a small group of people who themselves had suffered the fear, pain and life-changing effects of cancer/life changing illness, and has a wide diversity of members, ranging in age from young adults to members who are in their 80's.

Members are drawn from the local community, and surrounding areas and have an ongoing calendar of events to suit everyone.

We have a core group of members who volunteer to organise the group activities, supportline etc, and we have been lucky enough to have a range of volunteer therapists who offer their time and skills free of charge.

Through their passion and determination to support others in situations similar to themselves, the group has grown into the unique organisation it is today.

Cancer and life changing illness can have a huge impact on all family members.

**Families can experience an array of emotions;**

- Fear
- Worry
- Stress
- Isolation
- Physical/mental Health deterioration

# WARSOP POLICE UPDATE

## Neighbouring beat areas across the Mansfield North Beat area continue to suffer from thefts from motor vehicles where owners are leaving their vehicles insecure overnight, whether that is on the public highway or on their own private driveways.

Please ensure vehicle security is adhered to at all times and that items are not left in view in vehicles when unattended and that vehicles are always locked when not in use.

As the gardening season draws to a close, the beat team would like to ask that over the winter months you remain vigilant around all out building security. Remember, quite often there will be no need for most of us to go out to or use sheds and out buildings until the gardening season commences again next year.

Remember the Beat Team are available to offer the CREMARK service to items of value. Please contact a member for further details.

Also, where possible, ensure all items are chained up securely and if possible a working shed alarm fitted. These can prove very effective and can prevent offenders entering once the alarm has been activated.

Towards the end of November/beginning of December the weather tends to get particularly cold and it will not be long before we will be greeted with a layer of frost on all the windows of the cars.

This will of course put you behind schedule in your rush to get to work. Please ensure that you are not tempted to leave your car on the drive or on the street unattended with the engine running so that the windows can defrost while you finish your breakfast. There are opportunist thieves who will gladly drive away in your car while you are sat in the warmth of your home eating your toast.

Set your alarm 5 minutes before you would usually get up, this way you will ensure the car is thoroughly defrosted and can take a steady drive to work and ensure that you arrive safely at your destination.

With Christmas around the corner, you'll be no doubt joining in with the festivities. Christmas is a busy time of year for everyone, including the criminal. We know, however, that a high percentage of crime is opportunistic and can be prevented by taking some simple precautions.

**Don't let the criminal enjoy Christmas at your expense.**

**ASB dates**  
**December 1st**

# Top tips for a crime free Christmas

## Your car

- Don't leave presents in full view on the back seat when out shopping. These can be tempting to thieves. Lock them away out of sight in the boot.
- Always lock your car and make sure windows are closed, even if you're away from your vehicle for just a few minutes. Use a steering lock if possible.
- Never leave your keys in the ignition whilst your vehicle is unattended, even for a few minutes. Opportunistic thieves will often steal cars that have been left with the engine running to defrost the windows.
- Don't leave any valuables in the glove compartment. Take bank cards, mobile phones and sat navs with you. These items are on a car thieves shopping list.
- Make sure you park in a well lit area or in an attended car park.

## Your home

- Keep doors and windows locked at all times, even when you are in the house.
- Keeps presents out of sight. Large piles of gift wrapped goodies under the tree that are visible through a door or window are tempting to thieves.
- Don't leave empty boxes on display outside. Discarded packaging advertises all the new goods you have indoors.
- Don't leave car keys and handbags lying around on display.
- Make it look like someone is in at home when you're going out for the evening. Leave lights on and close the curtains. If you have a burglar alarm, set it.
- If you're going on holiday over the festive period, ask a friend, relative or neighbour to keep an eye on your house.

## Your property

- Make sure all valuable property is marked. You can either postcode mark your property with an ultra violet pen or use forensic marking solution such as smartwater.
- Register bike frame numbers, mobile phone IMEI numbers and other identifying details on Immobilise, the free national property registration database.

The police recover hundreds of stolen items every year, and it's much easier to prove that an item is stolen and return it to the rightful owner if its been registered and Immobilise or security marked.

- Don't carry large amounts of cash on you when you go out. Be alert, and make sure your purse or wallet is secure and hidden from view.
- Don't keep your cheque book and card together. Keep your PIN confidential and don't write it down.

## Passing on stolen goods

You can make it difficult for criminals to operate by not purchasing stolen property. If you are offered a quality product at a bargain price ensure that the source is genuine.

You can let us know any problems you have in your area by assessing the Neighbourhood Priority Survey at [www.neighbourhoodprioritysurvey.co.uk](http://www.neighbourhoodprioritysurvey.co.uk). This information is then collated and the top 3 issues reported will be targeted by us and partner agencies in order to reduce their impact.

Nottinghamshire Police are keen to encourage the sign up to Neighbourhood Alert, You can register now via the web site and once registered you will receive updates by your chosen method such as Phone, Text or Email as to what is happening in your area, You can set the parameters to just your village or your beat and you will receive free alerts regards crime and crime trends. You can also add further information via the web, should you witness anything you feel others should be aware of. It's a way of spreading the message fast and getting the message to as many people as possible so they can prevent themselves becoming a victim of crime.

**[www.nottinghamshirealert.co.uk](http://www.nottinghamshirealert.co.uk)**

The Police rely heavily on information passed to us from members of the public. If you have been witness to a crime or have any information that could assist the police you can ring us on 101 or Crime Stoppers on 0800 555 111. As Crime Stoppers is a charity, you don't need to provide your name and address and calls are not traced as callers can remain anonymous if they wish.

***Wishing you all a wonderful Christmas and Happy New Year.***

## Halloween at Sycamore & Poplars Care Home

**Residents at Sycamores & Poplars enjoyed a spooky Halloween afternoon with fantastic entertainment from Neil Timothy**

We had a wonderful afternoon singing and dancing along with witches hats, fancy dress and Halloween decorations. We also enjoyed witches brew and some tasty tempting cakes!!!

## Warsop Memory Cafe at Sycamore & Poplars Care Home

**On Wednesday 28th October we had our 2nd Memory Cafe, We had some familiar faces plus some new ones.**

For the afternoon we served tea / coffee and biscuits, made fabric poppies and played musical bingo which was very funny trying to remember the words!! Everyone said they had a lovely time both visitors and residents and we hope to see you all next month!

## No change for parking? No problem!

**Residents and visitors to Mansfield will no longer have to hunt for change before parking following the introduction of a cashless parking service.**

Mansfield District Council is introducing RingGo cashless parking as an additional way to pay in all council-owned pay and display surface level car parks from Tuesday 27 October 2015.

The council has set up the cashless payment service as a way to make it easier for people to park in Mansfield.

Every car park has a unique code so people can either pay over the phone, by text, online or by using a free smartphone app. In Mansfield, there is no convenience charge for using the service. People can choose to receive an optional text reminder costing 10p, alerting them that their parking time is coming to an end, and if they wish to stay longer, they can top up their time without having to return to their vehicle.

The existing ticket machines will remain so people can still pay with cash if they prefer.

The new way to pay is in addition to other parking incentives introduced in September. There is already free parking for 30 minutes in all pay and display car parks, and drivers parking in the Four Seasons and Walkden Street multi-storey car parks can park for three hours for the price of two hours.

Cllr David Smith, Portfolio Holder for Cultural Services, Town and District Centres, said: "Not only have we provided 30 minutes' free parking in addition to reducing the cost of parking in our multi-storey car parks, but we are also making it easier for those who tend not to have any change when they need it. Using the optional reminder service also reduces the risk of receiving a fixed penalty notice for overstaying as you can extend your stay without returning to your vehicle. You'll never have to worry about missing errands to rush back to the car again."

At Water Meadows and Church Lane car parks, people who use RingGo are currently unable to get a refund towards parking when using the Water Meadows Swimming and Fitness Complex. The council is looking into the issue and apologises for any inconvenience.

## The Friends of Thynghowe

*Thynghowe and the forgotten heritage of Sherwood*

**At our workshop session in early November one of the topics we covered was the background to the Danish settlers who arrived in the Sherwood area during the Viking Age.**

This subject is particularly relevant as 2016 will be the year when our excavation to discover more about the assembly site of Thynghowe will take place in April. Then in May our Spring Thing re-enactment at Sherwood Pines will mark a thousand years since the Danish King Canute took the English throne.

During the first Danish invasion of 865 the 'Great Heathen Army' rampaged through most of the northern and eastern kingdoms that would later form England. Only the kingdom of Wessex south of the Thames remained under Anglo-Saxon control and eventually the country was divided with the north and east under Viking control. Many warriors were granted land and settled down to life as farmers, swearing allegiance to a Danish lord. They would have been attracted to land that was more plentiful and fertile than in their native Denmark. The type of land found in much of Sherwood would have been familiar to them as they would have had experience of growing crops on infertile sandy soils.

These warrior farmers may have been joined by their families and other settlers from Denmark, a journey by ship across the North Sea and up the River Trent would have been much easier than traveling across country. Other would marry local women.

During the tenth century the Anglo-Saxons fought back, eventually uniting the separate kingdoms under one king of England. However, the east and north of England was given autonomy to govern itself, becoming the Danelaw. It is likely that Thynghowe was part of this system of governance.

The events leading to the Danish King Canute gaining the English throne in 1016 resulted in a loss of independence for our region then the Norman invasion fifty years later brought more drastic changes. But that is another story ...

You can join in our Vikings of Sherwood project and discover more about our heritage as you learn new skills and have an opportunity to take part in the Thynghowe excavation. Events will start at the end of January. This project is supported by the National Lottery through the Heritage Lottery Fund.

If you would like information about how to book a place on the first four events or have any questions please email The Friends of Thynghowe on [thynghowe@warsopweb.co.uk](mailto:thynghowe@warsopweb.co.uk) or phone 01623 846281

## Warsop Tae Kwon Do club championship competitors

**On the 1st November 2015, 11 members of the Warsop Tae Kwon Do Club, which has been running for the past 17 years, went along to the Derby Velodrome to compete in the North Midlands Championships along with their instructor Mr A.J Haynes-Ward.**

Out of the 12 competing, 8 came home with medals ranging from Gold to Bronze. They all had a great time and were proud to compete for their local club and bring some medals home to Warsop.

## It's all go at Eastlands

**Children and adults at Eastlands have been very busy this half term. They have been to Wakefield coal mining museum and had a talk by Dave Amos on the the history of coal mining. They raised £121 on Genes for jeans day.**

The staff and governors raised £58 for Macmillian cancer fund. The children had an amazing time at the Halloween disco which was run by the PTFA.

Cathy and Angela from the church worked with year 3/4 children. The PTFA continued to fund raise, they provided a special tuck shop and the children came in non uniform.

All the children took part in a Harvest assembly, the produce was donated to the local food bank.

**Eastlands will be holding an Autumn fair on Thursday 26th November, 3-5 pm. All welcome.**

## COMMUNITY REPAINT SCHEME

**Nottinghamshire County Council run a Community RePaint scheme at Beeston, Calverton, Newark and Warsop Recycling Centres.**

**Public donations of paint accepted at these sites are checked by the site staff and any tins that contain good quality reusable paint are put aside in a designated shelved paint cabin.**

This reusable paint is then given away free of charge, throughout the year, to community and voluntary groups registered on the scheme. The paint cabins at Beeston, Newark and Warsop started collecting paint in March and are filling up well with reusable paint so we're inviting groups in your area to apply so that they can get their hands on some free paint.

Over 100 groups have received around 12,000 litres of reusable paint so far but we're always keen to help even more.

*For further information about the scheme downloadable application form visit:*

**<http://www.nottinghamshire.gov.uk/living/waste/recyclingadvice/communityrepaint/>**

We're also opening these schemes to members of the public but this is only at special open evenings. For more details visit:

News update by:  
**Pete Hopkins** – Branch Secretary  
Tel: 07889 181026 Email: rblwarsop@gmail.com  
Web: www.britishlegion.org.uk/branches/warsop

**Members of the Warsop Air and Army cadets (and their leaders) turned out in the pouring rain on the day of our Poppy Launch to sell poppies in Warsop after Councillor John Allin officially opened our appeal.**

**Our members had a stall on the market with a static point in The Co-op.**

### Warsop War Memorial

Using the information from Tim Priestley's book 'Distant Deeds' we are able to read out the full names of the majority of the fallen from WWI (please see list opposite).

It would be nice if we could do the same for the fallen of WWII. Perhaps you have memories or family stories of these brave men. Please get in touch if you can help.

### Would you like to support the Royal British Legion?

Our December meeting is our 'thank you' meeting for friends of the branch who have supported us through the year. We have a fantastic live entertainer and put on a mince pie and sausage roll. (Numbers needed for catering!) So if you are a supporter, ie collected during Poppy Appeal, knitted poppies, made a donation, etc, do come along.

If you are not yet a supporter but are interested in the work of the Legion, or are considering joining please join us on the night.

It is on the 14th December, 7.30pm, Ex-Servicemen's Club, Carr Lane.

## Warsop's Service of Remembrance

**Warsop and Meden Vale District Branch of the Royal British remembered the dead of two world wars and all service personnel killed since then, at a service at the town's Cenotaph led by the Rector, the Rev Angela Fletcher and the curate the Reverend Bruce Rientsra.**

Uniformed personnel, civic dignitaries and representatives from various groups and organisations marched from the Ex-Servicemen's club on Carr Lane to the Cenotaph on Church Road

At the cenotaph, the hymn 'O Valiant Hearts' was sung, followed by a reading from the gospel of St John, by the Deputy Lieutenant for Nottinghamshire Mrs Veronica Pickering.

A Bugler from the Welbeck Estates Brass Band played the last post after which two minutes silence was observed. After the Reveille, Mr George Humphries, a Burma Veteran said 'When you go home tell them of us and say for your tomorrow we gave our today.'

All names of soldiers killed during the two world wars were read out and a wreaths were laid by Mrs Veronica Pickering on behalf of H.M The Queen.

Other wreaths were laid by the Air Training Corp, Army Cadets, Mansfield District Council, Warsop Parish Council, Nottinghamshire County Council, The Caledonian Society, the Cubs, Brownies, Boys Brigade, Ladies and Men's Probuss, The Police, Fire Service and East Midlands Ambulance service, Warsop Poppy Group and the Rotary and Inner Wheel Clubs. A wreath was also laid on behalf of Sir Alan Meale MP.

Crosses were laid by the Air and Army Cadets at the post 1945 memorial in memory of soldiers who have died in conflicts since then.

After prayers led by Reverend Rientsra a reading of Rupert Brooke's sonnet 'The Soldier' was read by Tom Barlow, after which 'I vow to Thee my Country' was sung followed by the National anthem.

## DUKERIES Singers

Jan Towler  
Your Local Choir

Christmas fast approaches. Days are short, nights are long, and the weather?!\* Well...

The Choir has been very busy rehearsing for our Christmas performances. Do come and listen to us if you can.  
Christmas music is used for such a short time and much of it is very beautiful and uplifting at what can be a stressful time of year.

Our diary dates are:

**Thursday 26 November 2015**

Carols at Edwinstowe High Street Lights Switch on. 5.15pm--6.00pm

**\* Wednesday 2 December 2015**

The carol sing at the Olde Red Lion, Wellow, has been cancelled.

**Saturday 12 December 2015**

Concert at Edwinstowe Village Hall. 7-00pm.

**Thursday 17 December 2015**

The Carols at Lynds Close Day Centre

This has been relocated to the upstairs function room at The South Forest Complex, Edwinstowe, at 1-00pm.

**Sunday 20 December 2015**

Carols at Sherwood Forest Visitor Centre, Edwinstowe, 2-30pm.

Our outdoor Carol sings are sung a Capella which I always think of as "proper" carolling.

Choir member Howard has put us out to the world and we now have a website, [www.thedukeriesingers.com](http://www.thedukeriesingers.com)

Do visit the site, it gives all details of the Choir, including an appeal for more men to sing with us. You do not need to be able to read music, just a desire to sing. Come along to a rehearsal and see if you like us. We are a very friendly and supportive group.

We are having a break after Christmas and will start back on 20 January at 7.30pm - 9.30pm in the upstairs refreshment area above the Concert Hall at the Dukeries Academy.

This is accessed by the Leisure Centre entrance and car park. We shall be learning new music for our future performances so would be an excellent time to join us.

We have dates already fixed, but if you would like to book us for an event, our Concert Secretary Phil. on 01623 822070 would be delighted to hear from you.

Have a wonderful Christmas and a harmonious 2016 to follow.

We rehearse every Wednesday at The Dukeries Complex Day Centre, from 7.30pm to 9.30pm. Access and car parking is via the Whinney Lane entrance. Just turn up and give us a go or contact our Chairman Alan Sinclair on 01623 823271
