October 2015

The stillness of October gold...

Are you claiming Housing Benefit?

Mansfield District Council is appealing to Housing Benefit claimants to let the council know immediately if their financial or living circumstances change.

People claiming Housing Benefit must tell the council's Revenues and Benefits Section at Mansfield District Council, if they have:

- a pension
- savings
- inherited money
- changed address
- started work, or have any earnings
- other benefits or tax credits
- someone move in or out
- a change in rent.

The authority will need evidence of any changes and when they happened, for example a bank statement showing the old and new amount of a pension being paid in.

Failing to inform an authority immediately of any changes that could affect entitlement to Housing Benefit is a criminal offence.

Cllr Roger Sutcliffe, Portfolio Holder for Resources, said: *"It is really important that people inform us straightaway about a change in circumstances. It could save them a lot of bother and maybe avoid facing a prosecution or having to pay back an over-payment."*

Notifications of a change of circumstances have to be provided in writing. The address to send them to is: Revenues and Benefits Section, Mansfield District Council, Civic Centre, Chesterfield Road South, Mansfield, NG19 7BH.

Warsop band Ferocious Dog have been breaking records lately in a big way.

Not only did they sell out the Rescue Rooms twice last year in Nottingham (making them the first unsigned band to ever do it), they attracted the 3rd biggest crowd at this year's Glastonbury Festival on the Avalon Stage. 9000 people showed up to their Splendour in Nottingham performance and they've already sold in excess of 1300 tickets for their Sat night headline show at the legendary Rock City, which isn't until 28th November and so is looking like yet another record breaking sell out!

This is all the more exceptional as the band have never had a record deal, have released only 1 album which was 2 years ago and are "fully independent and always will be", says Dan Booth of the band.

Dan also said, "We've gone well past the stage of wanting to sign a record deal now. We never really wanted one anyway but we certainly wouldn't sign one now."

"We've just recorded our 2nd album which is due out next week and luckily we had the funds to use top guys in the industry, through gigging and merch sales, to record it with us such as producer Matt Terry (Ocean Colour Scene, the Enemy, etc) and getting one of our heroes Al Scott to master it."

"He produced the first Levellers album so getting his ears on our record for the final stages was a real bonus."

You can buy tickets or cds from Ferocious Dog's website which is

www.ferociousdog.co.uk

But don't leave it too long, they're selling out shows all over the country!

Summer festivals a huge success

Mansfield District Council's three summer festivals managed to avoid the worst of the dismal British summer and have been a soaring success, attracting around 2,000 people this year.

The weather just held out for the final festival at Carr Lane Park in Warsop which was enjoyed by around 500 people.

The first of the festivals was held on 27 July at King George V Park, in Mansfield and was attended by some 600 people.

The biggest crowd was at the second of the festivals at Titchfield Park on 12 August which had about 900 visitors.

The events were packed with fun, free entertainment for all the family - even the dog!

Visitors were able to enjoy bird of prey flying demonstrations, sports activities, circus skills workshops, and mini dog shows. There was also an opportunity to take part in arts and crafts,

face-painting or come face to face with snakes, scorpions and cockroaches on the 'Meet the Beast' stall.

At King George V Park there was an opportunity to have a go at archery and at Carr Lane festival a chance to try a BMX bike taster session. At the Titchfield Park festival, run in conjunction with Mansfield Museum's Mining Gala, there were pit pony rides as well as a duck race.

Portfolio Holder for the Environment, Cllr Andrew Tristram, said: "It was great to see how well turned out the parks looked at these festivals and good to see so many people coming together and enjoying the festival atmosphere."

Editor's Letter

Another month gone already and the nights are drawing in. We've had to put the heating on in the town hall as we are all freezing already! Can't wait for winter NOT!

There's a lot of activity in Warsop at the moment looks like the Boyes will be open soon in the old Nisa shop, the mobile phone shop is being plastered out, the new café that used to be AB Cars is soon to be open and we may be getting a big supermarket on the old Eastwood site, watch this space. So, lots of positives for a change.

The Parish Council are developing their own website and hope to have it up and running soon, it will have agendas and minutes of the meetings, contact details of the Parish Councillors, Warsop News, general information and events in the Parish. There will also be a local business section, all advertisers in Warsop News will get a free entry. More about the website next month.

GARDENING MONTHLY...

General tasks and garden maintenance

Tidy borders

Keep on weeding and have a gentle tidy up in your borders but do try to resist the temptation of a thorough spring clean. Leave seedheads for the birds if you don't want to collect them and as much cover as you can bear for wildlife who will appreciate the winter shelter.

Fallen leaves can be left to rot down (or collected for leaf mould), however diseased material is another matter; make it a priority to clear and burn it to prevent pests and diseases overwintering courtesy of your kind hospitality! Put the rest of your garden rubbish (apart from woody stems) in the compost.

Start your compost

If you haven't already done so, start your compost going by buying a bin or building a partially enclosed area for a heap. It is vital to replace the goodness in soil after a hefty growing season and autumn produces masses of garden waste that will put invaluable organic richness back into the ground for next spring. Add a variety of different materials; spent vegetable and bedding plants, herbaceous leftovers, thatch, moss and cuttings from the lawn, weeds (but not the roots unless they have been through a shredder), hedge clippings, kitchen peelings and tea bags are ideal.

Turn once a week or so if you can and NEVER add diseased or pest-ridden material (such as diseased rose petals - heinous culprits) to your compost - it is a warm and welcoming nirvana for unwelcome guests who will reappear with a vengeance next year! Onto the bonfire with them without a qualm.

Clean out the greenhouse

It really is worth cleaning out your greenhouse thoroughly now your greenhouse crops are over; it will prevent pests from hibernating and leaping into action next spring! Wash the windows inside and out to allow maximum light in over the winter and scrub all benches, fixtures and glazing bars with disinfectant, making sure you hose the whole place down really well, especially dark and dusty corners. For effective fumigation, move all plants outside, shut the windows, light a sulphur candle in the middle of the floor, (retreat at speed!), shut the door and wait until the smoke and fumes have completely dispersed several hours later. Your greenhouse should now be pest free!

Prepare your soil for next year

Your soil is your most precious commodity, so start digging in compost, manure and as much organic matter as you can lay your hands on to replace the goodness in it. The earlier you start the better, especially if your soil is heavy. It can be left in a pretty rough state over the winter when the elements will break the clods down, making spring planting infinitely easier!

Watering

Hardly an issue at the moment! However, do keep an eye on your pots and containers in dry spells and check for wilting leaves before it is too late; all plants that keep their leaves continue to transpire, so should not be allowed to dry out completely.

Ensure trees or shrubs planted in the last couple of years on lawns or in areas of rough grass have a circle of clear earth around them - this should be kept clear to allow moisture to get to the roots. Mulching with bark or compost will help.

Planting

With the ideal planting conditions of autumn (warm moist soil), now is the time to plant container grown shrubs, trees, fruit bushes, perennials and bulbs. Even in damp conditions it is worth checking the rootballs of shrubs and trees are adequately moist when planting - heavy rain will not necessarily penetrate a rootball that has been allowed to dry out, so if it feels light, plunge into a bucket of water before planting.

Rake fallen leaves

Don't waste fallen leaves (except those perilous rose leaves and evergreens, which take too long to rot down) - given time they decompose into fabulously rich leaf mould - aka 'nature's soil conditioner of choice!' Rake up fallen leaves and chuck them into a simple frame to make leaf mould (black bin liners spiked with air holes will also do if you can bear the visual offense - but remember to dampen the leaves first). If left to linger on the lawn for long, the grass will turn yellow. Leaf mould takes about a year to mature (2 in the case of oak leaves), makes a great top dressing for woodland plants such as rhododendrons and is an excellent and FREE home-grown substitute for peat.

WARSOP

Footpath & Countryside Group

October can be one of the best months for walking in the countryside.

A fine autumn day is the ideal time to experience the changing leaf colours, the range of hedgerow fruits and the wide variety of fungi in our woodlands.

We are spoilt for choice of countryside venues within easy reach with Clumber, Thoresby, Creswell Crags, Edwinstowe, Rufford and Sherwood Pines all offering fine walking and somewhere to get a drink and a bite to eat. If you are feeling energetic, you may also reach these places by bike or on foot but there are also many shorter walks around Warsop that are just as interesting as those further away.

Maybe you ought to make the most of Warsop's footpaths whilst they are still accessible. At the moment we are not certain how much longer this group will be able to continue mowing along our public footpaths. We are still hoping to attract the new volunteers that will allow us to carry on looking after all the paths that we currently mow and we are also looking into alternative ways of maintaining the paths network. Without more help, it looks probable that we will have to cut back on the work that we do but there is still time to join us, it only takes a couple of hours a week behind a powered rotary mower!

By now we should have given most of our footpaths their final trim of the year and we will have moved onto grassland and scrub management on local wildlife areas. In a couple of months time hedgerow management will become the priority. Any offers of help will be appreciated.

As the day length shortens, it is worth remembering our garden birds. If you don't feed them all year round, now is a good time to put out a bird feeder so that it is familiar when any bad weather arrives. Once the hedgerow fruits have been eaten you may also attract farmland species into your garden. You may also consider getting a second feeder so that you can have one in the garden and one in the wash to ensure that bird diseases are not spread by dirty feeders.

We plan to continue our monthly walks on Saturday 17th October. Get in touch if you would like to join us for a walk of about five or six miles in the local countryside. We usually meet at 10am at Warsop Library but times, meeting places and even the date may change, so check details first.

Alorafocus Support Group

Alorafocus supports anyone affected by cancer/life changing illness.

Alorafocus has been running a long time (1987 - formerly Mansfield self help cancer group) But because we had members for all the surrounding areas including Shirebrook, we decided to change the name.

The group was set up by a small group of people who themselves had suffered the fear, pain and life-changing effects of cancer/life changing illness, and has a wide diversity of members, ranging in age from young adults to members who are in their 80's.

Members are drawn from the local community, and surrounding areas and have an ongoing calendar of events to suit everyone.

We have a core group of members who volunteer to organise the group activities, supportline etc, and we have been lucky enough to have a range of volunteer therapists who offer their time and skills free of charge.

Through their passion and determination to support others in situations similar to themselves, the group has grown into the unique organisation it is today.

Cancer and life changing illness can have a huge impact on all family members.

Families can experience an array of emotions;

- Fear
- Worry
- Stress
- Isolation
- Physical/mental Health deterioration

We meet every 1st and 3rd Mondays of the month from 18:30-21:00 hrs at the Patchills Centre, Patchills (off Eakring Rd), Mansfield, Notts NG19 3BS

PARISH COUNCIL MEETING

held upstairs in the council chamber in the
Town Hall on Monday 21st September, 2015.

Short report:

The council chamber was full, these were the main points:

Representatives from Sainsbury's/Netto: Tom Glynn and Adam Heald from Jomast Developments Ltd., gave a presentation about the proposed supermarket on the old Eastwood site that Tesco were originally going to build. It will be smaller than the planned Tesco store, selling mainly food, with 72 car park spaces and will create 25 jobs. The only problem standing in their way is the old bingo hall, it is not listed but has a preservation order on the front to return it to the original art deco building, they would like the building knocked down to create a better access. Cllr Cockcroft suggested that we start a petition.

The petition is available in most shops in Warsop and also in the town hall.

Representatives from The Friends of The Carrs updated members on the state of the Carrs and the lack of co-operation from MDC. In a letter from the Mayor it stated that the Parish Council had asked them not to mow the grass around the war memorial because of the poppies. The Clerk stated this was not true, poppies seeds were scattered around the wall not on the grass. There are plans for MDC together with the poppy group to create a wild flower garden in the orchard incorporating poppies.

Cllr Crawford has arranged a meeting with the parks department to address all the issues on Monday 5th October. Andrew Tristram Portfolio Holder for the Environment at MDC commented that he will look into all the issues and has applied for Green Flag Status for the Carrs. Any complaints just let him know. The Chairman said the FOTC group do a fantastic job and they are all volunteers.

Several residents from Sookholme attended the meeting to ask about the proposed solar panel farm, but Temporis Wind didn't attend to give their presentation. The planning application has gone in and all the residents have received letters they raised their concerns. It was agreed to call a meeting with the residents and put our objections in to MDC Planning Department. It was also suggested they elect a spokesperson.

Cognitive Behaviour Therapy Part 1 & 2

CBT is a talking therapy that can help you manage your problems by changing the way you think and behave. It is commonly used to treat anxiety and depression but can be useful for other mental & physical health problems.

CBT cannot remove your problems but can deal with them in positive way. It is based on the concept that your thoughts, feelings, physical sensations and actions are interconnected, that negative thoughts and feelings trapping you in a vicious cycle.

CBT aims to help you crack this cycle by breaking down overwhelming problems into smaller parts showing you how to change the negatives patterns to improve the way you feel.

Unlike some other talking treatments, CBT deals with your current problems, rather than focusing on issues from your past it looks for Practical ways to improve your state of mind on a daily basis

Friends Of Meden Vale

The combined Friends Of Meden Vale and The Neighbourhood Watch group met on the evening of July 16th at the Three Lions public house in Meden Vale.

The meeting was well attended with 30 present and 12 apologies. Darren Ridout and Eddi Peat from Welbeck and Harworth estates, came to explain proposed plans for the former pit site.

Mr Peat committed to informing FOMV Chair Paul Sear when plans are submitted so that he can inform the 500 Plus members of the FOMV group. It was reported that crime had been reduced in the village since the NHW group was set up.

Residents are advised to inform their home insurers that they live in a NHW area when renewing as this reduces premiums. County Councillor John Allin received applause for succeeding in getting a speed display sign. Cllr Allin informed the group that this will be moved around to see where it works best. But, noted that this is not guaranteed to be permanent. Cllr Allin also informed the group that he had arranged for speed training which was welcomed by the group as a whole.

Paul Sear informed the group that the village defibrillator had been installed at JJ Stores and thanked Lesley Watkins from Warsop Big Lottery. Lesley worked hard in supporting the bid for funding and was instrumental in the success of placing 5 units across the Parish.

Policing priority forms were presented to PCSO Dee Eyre and Beat Manager Richard Cutt. Cllr Adey distributed information in relation to dog fouling and the work of the warden Steve Davis.

FOMV have committed to raising money to buy a defibrillator for the old village as its next project. The project aims to raise money by raffle and tombola at local events and of course cash donations would be welcome

The Friends of Thynghowe
Thynghowe and the forgotten heritage of Sherwood

Following our summer break, October marks the start of our busy period when we can get out into the woodlands and investigate the landscape and archaeology of Sherwood.

We will start with our AGM at Perlethorpe Village Hall at 7:30 on the evening of Thursday 29th October. Everybody is welcome to join us to find out about developments over the past year and our plans for the coming months.

A couple of weeks later, on the morning of Saturday 7th November starting at 10am we will be holding our autumn workshop in the classroom at Sherwood Pines. We will discuss the heritage and archaeology of our part of the Forest. Topics provisionally planned for this session include the results of a magnetometry survey of Thynghowe, the origins of the county of Nottinghamshire a thousand years ago, a report on our survey in Clipstone Old Quarter during last winter and a discussion of old maps of Gleadthorpe. Contact us for more information, or just turn up.

At both of these events we will be promoting our exciting new project The Vikings of Sherwood: Investigating the Assembly Site of Thynghowe supported by the National Lottery through the Heritage Lottery Fund. This could be your chance to discover more about Thynghowe by taking part in an archaeological investigation, learning about all of the stages involved before, during and after the 'dig'. Seminars, training, walks and the excavation will allow you to become involved in the whole archaeological process. Don't worry about creaking knees or a dodgy back as the excavation is only a small part - planning, finds processing, recording, reporting and sharing the story all included in the project. If other commitments prevent you from joining in you will be able to follow online through a project blog. And everything is free! This project will start in January and continue until May.

If you would like information about how to join The Friends of Thynghowe for any of our events or have questions or comments please contact us on thynghowe@warsopweb.co.uk

For more information about Thynghowe and how to join in check out the Thynghowe Facebook page for our latest news or visit our website for details of our research.

Mill Dam Update

At our August meeting over 25 attended including a Parish and a District Councillor. MDC did not make an appearance, again.

We provided several dates in September for a meeting to progress our complaint but But MDC were not able to make any of these. We have now arranged to meet in October starting with a site visit followed by a meeting. It is going to be a long day.

In the last week (writing this on 7th September) white vans with MDC livery have appeared with men attacking weeds etc.. We have seen MDC officials on site recently on several occasions and assume they have been to witness how bad things really are. They have torn down some of the fencing on the island and started to pull up wild flowers. We would like them to pull up the long grass that they set along with the wild flower seed. They have totally smothered the plants we set. The plants we set at the waters edge have been killed by the lowering of the water level.

We have taken water depth readings over the whole Dam and silt trap and these indicate just how much silt

entered the Dam after the de-silting and before the boards where eventually put in place. The water in the silt trap is only just over three deep in places.

The silt trap needs to be de-silted before the winter.

Our next meeting will be held on Tuesday 13th October at 18.30 in the function room of the Hare and Hounds.

The Era currently on display in the Heritage Centre at Limestone House depicts the WWI and WWII years. It includes the Elmtan and Creswell Local History Group's display of photographs, poems and some uniforms.

Last month Limestone House welcomed 49 Mystery Tourers brought in by Mini bus on three occasions for a cream tea. They were brought in by the Kirkby in Ashfield Area Community Transport 'Our Centre' and they all enjoyed looking around Limestone House and lovely comments were made in the Centre's Visitor's book.

The Chairman of the Limestone House Charity, Julie Holling, when saying goodbye to the visitors, was told by one of the Tourers that she gave Limestone House '10 out of 10'.

Limestone House welcomes Visitors and will organise catering/ lunch if advised of a group visit if notified one week in advance Other Activities include:

- The Memory Lane Café which has a variety of food and drink at reasonable prices available during opening times.
- The newly converted room 7-8 is now booked for meetings and the 'Creswell Connect' Craft Sessions which will run on Thursday afternoons from 17/9/15. The room can be hired for £8 an hour

Meden School

**Meden School is pleased to
announce another outstanding
set of A-level results.**

The school continues to go from strength to strength by maintaining its 99% pass rate from the previous year, with 50% of maths A-level grades being A*s and A's and 100% of BTEC medical science students receiving a distinction; certifying a wide range of achievement at both academic and vocational level.

However, the school's track record continues to improve this year, as every student who applied to university has been offered a place on a course.

GCSE students have also performed very well this year. Students at all levels should be immensely proud of their results which are testament to all their hours of hard work and the effort they have put in. Special recognition to our top performing GCSE students

Amy Simpson - for achieving 10 x A*/A grades

Harry Sisson, Alex Harrison, Jenny Dobb, Rose Hemingway - for achieving 9 x A*/A grades

**President Hugh Ashton welcomed
29 members to the Parish centre to an
interview of new member Bill Jackson
by Peter Birchenall. Bill gave an
account of his life in Shirebrook as
a child helping his father run the
family business and then becoming a
dairy farmer at 21.**

He suffered various ups and downs over the years and then became a lecturer at Derby Road College. After he retired he started a gardening business with a friend Mr Steve Lunn which he ran for 10 years until he finally retired at 70.

Meden School pupil Dominic Boath attended the meeting with two teachers and was awarded a framed certificate and a cheque for outstanding accomplishments and being most deserving pupil at his School.

After a comfort break in the Stable bar members and guests then had lunch in the Fitzherbert room. The next meeting will be on October 21st with a talk by Jenny Briggs followed by November 18th with a talk by Richard Kirton.

The girls at Wembley with the England supporter Band

Welbeck Welfare Football club

Welbeck Welfare Football club have welcomed in a new manager for the Saturday Senior side. The new manager is Stewart Coleman and we wish him every success.

We also have a new u10 boys manager, Local fireman Martin Pearson. Martin and his boys are looking for players aged 9/10 yr old. We have a new u8 boys team, the Blacks in addition to the Reds we already have, run by Chris Hufton.

The girls side of things has had a very busy summer with both girls teams the u14's and u12's both taking part in tournaments, the u14's winning at Shirebrook Academy. The girls have been very fortunate in being donated cheques from county Cllr John Allin and Local Cllr Sharron Adey, John's cheque paid for the girls to visit Wembley to watch the women's FA Cup Final. We would like to thank both of them very much for their contributions.

WARSOP POLICE UPDATE

As I'm sure that most of you will be aware of the impending budget cuts to the force and staff losses. I am pleased to say that your PCSO'S Dee Eyre and Catherine Darby have been successful at keeping their jobs. It has been a very stressful few months but fingers crossed no more cuts will occur.

At this time of the year, shed and outbuilding breaks are usually prevalent with lawn mowers, gardening and DIY tools, pedal cycles and other summer related items being attractive to criminals. The advice around basic home, outbuilding and vehicle security needs to be adhered to at all times.

Antisocial Behaviour

As most will be aware, Warsop is subject to a high level of antisocial behaviour. You may have seen an increase of officers patrolling the area, mainly at weekends.

We aim to reduce this behaviour. Remember, you don't have to suffer in silence. Please report any antisocial behavior on either 101 or a member of your beat team.

Dealing with unexpected callers

At this time of the year, there is always an increase in the number of uninvited callers to residents' properties. Usually these calls are in relation to having work completed at the property, usually on the outside.

Over the course of the last couple of months, I have received a number of telephone calls in relation to tradesmen touting for business on the doorstep.

Find a reputable tradesperson

The Trading Standards departments advise local residents to search a couple of websites for reputable tradespersons, and to always get three quotes prior to allowing work to commence. These sites are www.buywithconfidence.gov.uk which is still operational but is being phased out by their department. Tradespersons on this site have been vetted by their team.

This is being replaced by www.checkatrade.com and the Trading Standards team are currently sifting through companies/ individuals registered on this site and vetting those registered.

Any queries or concerns around work carried out and/ or workers concerned should be firstly addressed to Consumer Direct on 03454040506.

There are, however, some tradesmen who travel the country attempting to exploit the vulnerability, and generosity, of some of our local residents.

These persons will attempt to negotiate a cost as soon as possible for work to be completed. They might also try to eliminate the period that a prospective customer has, legally, to change their mind in having work completed. This can easily be done by covering up that part of the contract document and getting the customer to sign which, in effect, overrides that part of the agreement. Over the last few years the trading standards department have shown an interest in a number of tradesmen where contract irregularities have been identified.

Trading Standards said it would never recommend employing a trader based on a cold call. They also suggest:

- Don't be lured in by the promise of discounts, one day only offers and "this deal is only available now".
- Don't believe the scare stories a seller may tell you - they are rarely true.
- Don't believe genuine companies have lots of left over products or cancelled orders.
- Don't leave large sums of money in the home.

Similarly, please be alert to burglars who may pose as trades people or officials from utility companies. Again they often target the elderly and vulnerable to gain access to homes in order to steal money and valuables. It is your right to say who enters your house and who doesn't. If you don't know the person knocking on the door, or you feel that they are not genuine, don't let them in.

These criminals could be men, women or even children and can be working as a group or alone.

Plans to tackle anti-social behaviour in Mansfield's open spaces

Residents are invited to have their say on plans to introduce a Public Spaces Protection Order (PSPO) in Mansfield district.

The order, under the Anti-Social Behaviour, Crime and Policing Act 2014, is designed to prevent anti-social behaviour in streets, parks, market places and retail parks.

It would replace existing orders such as dog control and also tackle issues of drinking alcohol, urination, defecation and spitting in public places, smoking in children's play areas and restricting access in designated areas for groups of two or more people behaving in an anti-social way.

The aim is to deal with all the issues under one order to reduce crime and disorder and keep areas clean.

It would also extend the powers authorised officers have to tackle dog fouling. Under the new order, it would be an offence to fail to produce bags for picking up dog mess.

If anyone fails to meet the requirements of the order or comply with a request from a police officer, a police community support officer (PCSO) or authorised council officer, they could receive a £100 fixed penalty notice or be prosecuted.

Cllr Mick Barton, Portfolio Holder for Public Protection at Mansfield District Council, said: "We want as many residents as possible to enjoy our open spaces and to feel safe when visiting them. The proposed order is designed to prevent anti-social behaviour and we would like as many people as possible to have their say now so that an order can be successfully implemented early in the new year."

Further details of the proposed order including maps can be viewed in the council offices, Civic Centre, Chesterfield Road South, Mansfield NG19 7BH and also at Mansfield Library, Westgate, Mansfield NG18 1NH.

More details including Frequently Asked Questions (FAQs) can be found on the council's website at www.mansfield.gov.uk/pspo.

Feedback and comments should be made by midnight on 19 October 2015 either by writing to the Community Safety Manager at the Civic Centre or by email to PSPO@mansfield.gov.uk.

Alternatively, please complete our feedback form online at www.mansfield.gov.uk/pspo.

Any comments received after midnight on 19 October will not be taken into account.

WARSOP BUSINESS FOCUS

Bows & Tails are Back!

Can you remember this shop?

It is the image that accompanied the article which appeared in the August 2012 issue of Warsop & District News. It told the story of Julie Osborn's dreams of running her own business which started out in her shop on Sherwood St, Warsop.

Says Julie, "When I opened the shop in 2012 I was over the moon, I love Warsop and wanted to offer local people my services of being able to transform a plain room into a beautiful dream setting for a party or wedding."

"The shop has now gone but Bows & Tails is well and truly back! We are now located in the actual venue so we are able to show the customer not only the colours and samples but also the fantastic space that we have to create the perfect settings for every occasion."

"We have a great team with function room Manager Colleen Walker concentrating on excellent value catering options and we have further on site specialists in Cake design and Hair & Beauty treatments."

"I am confident in saying that we can offer the best value Wedding and Party Package in the local area. I am so very excited to be back!!!"

You may not believe your eyes but the photos below were taken in "The Workmans" Function Room, 43 High Street, Warsop.

Julie and The Workmans team are pooling their skills and experience to bring you a beautifully transformed function room in which to hold your wedding or party.

The venue will comfortably seat over 100 people without reducing the excellent size dance floor, or they can even split the room in half for smaller parties.

Black & white, as in the photo bottom left, looks stunning and very classy for any party or event but Bows & Tails have every colour of the rainbow available to suit your personal taste.

They can also cater for a full sit down meal, a finger buffet or maybe the hot roast cobs are more to your liking!

Guess where this is?

The team will help you plan your special party to fit your budget.

Prices start from just £500 for up to 100 guests, this includes the dressed room and the food. Wow party on!

They also offer a special 'Grand Weddings' which starts from, yes you guessed it, a grand!!

The team will be holding an open day soon so you can come and view for yourself. Or contact Julie or Colleen for more information or to arrange a time to call in for a chat.

With this great venue on your doorstep - who needs to go out of Warsop? With such fantastic offers, on a full range of party and wedding packages, we recommend booking your party or event early as the word is out and the diary is already filling up.

Also look out details about their Joint Party Nights coming up soon.

For more information or to book a consultation with one of the team please contact:

THE ROTARY CLUB of Warsop, Shirebrook & District

Geoff Milnes
Chairman Community and Youth
The Rotary Club of Warsop, Shirebrook and District

The Rotary Club of Warsop, Shirebrook & District helped support the recent visit of children from Belarus to the UK.

A donation was made by the club to support the children whose lives will be forever affected by the aftermath of the Chernobyl nuclear disaster in 1986

They were visiting the UK for a 3-4 week recuperative break, free from the harmful nuclear isotopes and heavy metals that have affected their lives so much.

In an effort to rebuild their much depleted immune systems they stay with voluntary host families eating good clean healthy food and breathing fresh uncontaminated air.

Warsop Inner Wheel

International service organiser Christine Fretwell held a charity fundraising at the home of member Ruth Ulliot.

The event was well attended with over 50 members, friends and family. Stalls included bric a brac, books, new to you fashions, soft furnishings, greeting cards and traditional home bakes and cakes. Warsop members ran a lively cafe style service for refreshments and cakes throughout the morning. A fantastic sum of £700 was raised, which will go to the International charities, school in a bag, Gambia school appeal and buy new nappies for the knit and natter baby bundles.

At the knit and natter evening, 15 members worked tirelessly to put together squares for knitted blankets, fashion jewellery and toiletries in to joy bags and baby bundles, that will be sent via the Nottinghamshire police aid convoys to women and children less fortunate than ourselves all over the world.

Sharon is pictured with Gloria Humphrey Vice President of the club being presented flowers from the club as a thank you.

A Bit of a Do

The 'Bit of a do' event, which was held on Sunday 6th September, was organised by Warsop Innerwheel and was part of President Sharon Smith's charity event programme for this year.

Tickets were sold to friends, family and IW members. It was held at the Oaklands Centre in Warsop. A buffet meal and live entertainment were provided.

Sharon said "The afternoon went very well, the food was fabulous and the singer was fantastic. We have made a total profit of £613 which is amazing in just a few hours together".

Pictured right is Jen Garner and Anne Benison and far right is Christine Fretwell, Sharon Smith President of Warsop IW, Ruth Ulliot and Anne Benison both IW members

THE WARSOP & DISTRICT NEWS BANNER CHALLENGE!

Are you a budding graphic designer?

Could you design the Banner for the Christmas Issue of Warsop & District News?

Would you like the chance to work along side our designer to create the finished artwork for your banner design?

If so, then enter our competition!

For the past 12 months we have had a different themed banner for each issue. This month we are offering you the chance to design our banner for this year's Christmas issue in December.

The competition is free to enter.

The lucky winner will get the opportunity to work with our designer to have their initial concept transformed in to artwork for the official banner with lunch provided (if under 18 the winner must be accompanied by a parent or guardian).

They will also receive a £50 cinema voucher for the Odeon at Mansfield.

The competition is open to any age. To enter you can use the blank template below or simply produce your own design from scratch but it must be rectangular and festive themed and include a Christmas strapline below 'Warsop'. Entries can be hand drawn using any media preferred or computer generated and can be emailed to warsopnews@yahoo.co.uk or handed in to the town hall.

All entries must be received by Friday 30th October.

Please ensure that your name and contact details are provided.

Good luck and happy designing!

THE ROYAL BRITISH LEGION

News update by:
Pete Hopkins – Branch Secretary
Tel: 07889 181026 Email: rblwarsop@gmail.com
Web: www.britishlegion.org.uk/branches/warsop

Members and friends enjoyed a trip to Bridlington in September. As part of the trip they visited The Royal British Legion Break Centre, Alderson House.

The branch made a donation of £500 to Alderson House. Pictured left is Centre Manager, Helen Birkbeck accepting the donation. The Centre had just finished a five week stint of Service families enjoying a break in Bridlington. It is open to anyone serving in the Armed Forces, ex-service and/or their dependents who are in genuine need of a break.

The Branch are launching this year's Poppy Appeal between 10am and 12 noon on Saturday the 24th October outside Age Concern on the High Street. Come along and meet some of the branch members.

We still have spaces for anyone wishing to help with this year's appeal.

The VJ Party at the Oaklands, honouring Burma Veteran, Mr George Humphrey was a great success with talented singer, Miss Lily Lovejoy singing period music. George was presented with a certificate marking his work for the branch by Chairman of Nottinghamshire County Council, Mrs Sybil Fielding.

Afternoon tea was served, consisting of cream scones, cakes and sausage rolls. The branch would like to thank sponsors The Co-op, Warsop and Morrisons, Mansfield Woodhouse for their generosity. Members also welcomed our new Branch Chaplain to the branch, The Rev'd Bruce Rienstra.

The Branch Annual General Meeting is to be held at our meeting on the 12th October commencing at 7.30 pm at The Ex-Servicemen's Club, Carr Lane.

Thank You Letters.

Sylvia Cummings
Born 12/01/1929 – Died 16/08/2015

To everyone who attended my dear sister's funeral on 5th September 2015, thank you so very very much. Special thanks to Minister Linda Williams for a lovely service at Mansfield Crematorium and also to Mr Townroe for all his help. I am pleased to say that donations in lieu of flowers raised £200 for the Sherwood Grange Care Home, Edwinstowe. In memory of a dear sister and much loved auntie.

Thank You

I would like to thank everyone for their kind donations and cards of condolence received. I would especially like to thank the Macmillan nurses who cared for Gordon many thanks to Eric Townroe and Reverend Bruce Rienstra for a lovely service. The total amount collected was £500.00 which will be shared between John Eastwood Hospice and Cancer Research.

Joan Chilton

In Memory of Fred

By Adrian Hardy

Former Warsop bell ringer Fred Flint who died last year age 93 after ringing at the church for over 75 years left a legacy in his will to have the church clock automated.

The original Whitehurst clock is housed in a dust proof cabinet and has been keeping time over Warsop for 170 years, however over this period the clock has had to be wound up by hand which involved climbing a ladder from the ringing chamber into the clock chamber. This is a job that Fred was doing well into his late 80s and he did not take kindly to anyone reminding him that someone of his age should not be climbing ladders. The job of winding the clock is an arduous task even for the fittest person and involves moving heavy weights that keep the clock going wound into place.

Fred knew that technology existed for clocks to be wound up automatically and a number of towers had this facility. Money that Fred bequeathed paid for the installation of an automated winding mechanism with the work being carried out by Time Assured of Mansfield. The installation of this updated technology has been achieved through a sensitive recognition that the original manual winding mechanism must be preserved so that if, in the future, it is decided to revert to manual winding then this can be achieved.

Fred first started to ring aged 11 years and in 1939 Warsop won the Crawford Cup Striking Competition for the first time. In 1989, Warsop won the Crawford cup for the 20th time and, Fred was proud to announce that to win again was very special for him, as it was 50 years since Warsop had first won the Cup. In 1964 Warsop ringers won five different bell ringing striking competitions in the same year, the Trophies won being the Crawford Cup, the Sheffield and District Society Cup, and from among the experts of closed lead ringing, the Halifax Cup, the Shelley Cup and the Barnsley Shield.

A founder member of the Southwell Diocesan Guild of Church Bell Ringers, he was the first North Nott's District Ringing Master and held the post for 10 years. He was elected an Honorary Life Member in 1994. Fred ran a total of 110 peals, one as conductor, and was the Tower Captain from, 1977 to 1994.

The upgrading work will be dedicated by the Rector and Area Dean of Mansfield the Reverend Angela Fletcher at a date to be decided.

DUKERIES Singers

Jan Towler

Your Local Choir

My word the days have shortened and the temperature has plummeted. The tomatoes have all ripened and the potatoes have been lifted. Autumn is definitely here.

Fortunately we have a warm space in which to rehearse for all our forthcoming engagements. We meet every Wednesday above the Concert Hall at the Dukeries Academy in Ollerton from 7.30pm to 9.30pm. Access is via the Leisure Centre entrance and car park.

We welcome new members, especially men. We need their deeper voices for the other voices to "sit" on. Singing is very therapeutic and lifts the spirits as the nights draw in.

Our Concert programme.....so far:

Thur 26 November 2015 Carols at High Street Lights Switch on, Edwinstowe, 6-30pm approx

Wed 2 December 2015 Carols outside Ye Olde Red Lion, Wellow, 6 -15pm

Sat 12 December 2015 Concert at Edwinstowe Village Hall, 7-00pm

Thur 17 December 2015 Carols at Lynds Close Day Centre, Edwinstowe, 1-00pm

We shall also be singing carols at Sherwood Forest Visitor Centre, Edwinstowe, the date yet to be confirmed.

If you wish to engage the Choir for your fund raising or celebratory do, our Concert Secretary Phil Robinson on 01623 822070 would be pleased to hear from you.

Let's hope for good weather so we can enjoy the lovely Autumn colours.

We rehearse every Wednesday at The Dukeries Complex Day Centre, from 7.30pm to 9.30pm. Access and car parking is via the Whinney Lane entrance. Just turn up and give us a go or contact our Chairman Alan Sinclair on 01623 823271
