

Meden Celebrates 50 Years

Pupils and staff past and present recently attended the 50th anniversary of the opening of Meden School.

Former teachers present included Mr Ellis, Mr Phoenix, Mrs Davies, Mr Bird and Mrs Buxton.

Mrs Janet Brashaw, current Headteacher, welcomed everyone to the event which included musical entertainment provided by former pupils who played songs from the five decades the school has been open, as well as an exhibition of photos and memorabilia. There were refreshments on offer including a barbecue in the House Court.

Mr Barrie Ellis, who was the first head teacher, returned to the school especially for the celebrations and spoke to a packed hall. He spoke about the changes which have taken place since the 1960s and recalled the first pupil to walk down the school path, who he was reunited with at the anniversary celebrations.

He paid tribute to the two deputy head teachers who were appointed with him in 1965, Mr Sid Thompson and Mrs Kate Spiers, both of whom have since passed away.

He also recalled the two caretakers during his time as Head as well as the first Chair of school governors, Alderman William Foster.

Mr Ellis, now 88, told how new buildings were built as the school population grew from 600 to 1500 children in the 1970s and the fight he had with the education department at County Hall who wanted to implement an open plan design which he said he managed to alter.

He said 'I always tried to teach pupils the value of courtesy and respect; and spoke of the schools links with the community

Mrs Brashaw presented the former Headteacher with a plaque of the old and new school badges, which Mr Ellis said would have pride of place in his home.

On Friday 17th July a time capsule was planted at the front of the school and on the last day of term there was a mass balloon launch.

Elliott joins the GB Team

Meden student Elliott Clogg was selected to represent Great Britain as part of Team GB swimming team at the European Youth Olympic Festival in Tbilisi, Georgia which ran from 26 July to 2 August.

Elliott is one of eight 15/16 year old male swimmers who were selected along with an equal number of female swimmers. He has been working incredibly hard in training, pushing himself to his limits and his hard work and dedication has definitely paid off! It is a fantastic opportunity for Elliott to be selected by Team GB and an achievement he can be immensely proud of.

Fellow pupils and staff at Meden School as well as the Parish Council are incredibly proud of him and wish him continued success.

In recognition of his achievement Mansfield District Council, Executive Mayor, Mrs Kate Allsopp sent Elliott her own best wishes in a hand delivered letter.

Editor's Letter

Back from a relaxing week on a Rhine cruise with my mum, we had an amazing time on board Serenade II the service was fantastic, the staff just couldn't do enough and the food was delicious starting with a buffet breakfast, 4 course lunch, afternoon tea, 4 course dinner and late night snacks, needless to say I need to start my diet like NOW!!!! The weather was sunny everyday with temperatures soaring to 40+ degrees.

Back to earth with a bump, the carnival is over and from what I heard it was a fantastic day, shame I missed it! Don't think I'll get away with it next year!

Not much to report about the town centre, except that another business has closed, Rooftop lettings have moved to Mansfield Woodhouse.

GARDENING MONTHLY...

General tasks and garden maintenance

Start your compost

Get your compost going by buying a compost bin or building a partially enclosed and easily accessible area for a heap. It is essential to replace the goodness in soil and autumn produces quantities of garden waste that will add invaluable organic richness back into your soil next spring.

Remember to add a variety of different materials; spent vegetable plants are ideal, but NEVER add diseased or pest-ridden material to your compost heap - it will nurture whatever villain you are trying to eliminate with loving care!

Clear garden debris

Keep weeding; most perennial weeds are susceptible to weedkiller this month and systemic weedkillers will carry on working throughout the winter. Also clear any debris and diseased material from your garden. Pests and diseases that overwinter in your garden will reappear next spring with a vengeance so get rid of them now. Burn diseased material and put the rest of your garden rubbish (apart from woody stems) in the compost.

Clean out the greenhouse

Once tomatoes and other greenhouse crops are over, give the greenhouse a thorough clean to prevent pests from making a home in that lovely warm environment, ready to leap into action next spring.

Dig clay soil

If your soil is heavy clay, start digging it over now - add plenty of organic matter to improve the quality and pea shingle to improve the drainage. It can be left in a pretty rough state over the winter when the cold will break the lumps down, making spring planting infinitely easier!

Watering

Should September turn into an Indian summer, remember to keep watering thoroughly once or twice a week rather than little and often. Containers and hanging baskets need watering every day.

For recently planted large shrubs or trees, leave a hose trickling around the base for an hour. The same goes for established plants in dry periods - camellias, rhododendrons, azaleas and hydrangeas will abort next season's flowers if they get too dry.

Ensure trees or shrubs planted in the last couple of years on lawns or in areas of rough grass have a circle of clear earth around them - this MUST be kept clear or grass will prevent essential moisture getting through. Mulching with bark or compost will help.

Planting

With the ideal planting conditions of autumn (warm moist soil), now is the time to plant container grown shrubs, trees, fruit bushes, perennials and bulbs. The key to successful planting is to water in well. Soak the rootball in a bucket until no air bubbles come to the surface, dig the planting hole, fill with water and allow to drain away. Place the plant in the hole, fill with soil, firm gently and water well with a watering can - this will give the plant a huge advantage over one planted with a dry rootball in a dry hole and watered only on the surface.

WARSOP

Footpath & Countryside Group

New signposts and waymark posts have been erected in Church Warsop's Collier Spring Wood. These highlight the fact that the bridleway only runs for 210 metres from Wood Lane before it becomes a footpath.

This means that cyclists and horse riders can only legally access the first stretch. The reason for this strange situation is apparent if you look at a map from the time before much of this part of the parish was buried beneath the waste material from Warsop Main Colliery. Spring Lane ran between Church Warsop and William Wood Lane with cottages between the woodlands and William Wood Farm. This explains the truncated bridleways at either end of this buried lane. You can find out more about the changes to this part of Warsop in our hedgerows booklet that can be read online. You can locate it by searching the web for Warsop Hedgerows Issue.

During the summer months we try to avoid cutting hedges but there are times when we have to work on them to keep paths accessible. A recent example was the public footpath running north beside the railway at Meden Vale where blackthorn and other vegetation was encroaching upon the path. We tried to minimize the number of blackthorn stems that we trimmed as many were covered with sloes. These hedgerows fruits provide a vital food source for birds in winter. So sloe gin makers now know a good site to go foraging but there is such a good crop that there should be enough for both humans and birds! Normally we delay our hedge work until the period between the end of the hedgerow fruits and the start of the nesting season.

2015 does not appear to have been a particularly good year for our local orchids. An exception was a fine patch of Fragrant Orchids but there were fewer Bee Orchids on the sites where they appear in most years. The weather and the management of the sites influences orchid numbers so hopefully numbers will recover next year.

Our campaign against Himalayan Balsam along our waterways continues with promising results around Sookholme and a stable situation along the River Meden. However it is not only on riverbanks where this invasive non-native plant is a menace. Small clumps are appearing in some of our woods so if you come across some plants either pull it up or let us know. You only have to look at the condition of the woods alongside the River Maun at Clipstone to see what can occur if Himalayan Balsam is not controlled.

Over the second weekend in September we will be promoting Warsop's countryside and walking routes at the Major Oak Woodland Festival. If you can make it to this excellent event on September 12th and 13th we will be based in the Forestry Commission marquee.

We plan to resume our monthly walks on the third Saturday of September. Get in touch if you would like to join us for a walk of about five or six miles in the local countryside. We usually meet at 10am at Warsop Library but times, meeting places and even the date may change, so check details first.

Alorafocus Support Group

Alorafocus supports anyone affected by cancer/life changing illness.

Alorafocus has been running a long time (1987 – formerly Mansfield self help cancer group) But because we had members for all the surrounding areas including Shirebrook, we decided to change the name.

The group was set up by a small group of people who themselves had suffered the fear, pain and life-changing effects of cancer/life changing illness, and has a wide diversity of members, ranging in age from young adults to members who are in their 80's.

Members are drawn from the local community, and surrounding areas and have an ongoing calendar of events to suit everyone.

We have a core group of members who volunteer to organise the group activities, supportline etc, and we have been lucky enough to have a range of volunteer therapists who offer their time and skills free of charge.

Through their passion and determination to support others in situations similar to themselves, the group has grown into the unique organisation it is today.

Cancer and life changing illness can have a huge impact on all family members.

Families can experience an array of emotions;

- Fear
- Worry
- Stress
- Isolation
- Physical/mental Health deterioration

We meet every 1st and 3rd Mondays of the month from 18:30-21:00 hrs At the Patchills Centre, Patchills (off Eakring Rd), Mansfield, Notts NG19 3BS

COMMUNITY REPAINT SCHEME

Nottinghamshire County Council run a Community RePaint scheme at Beeston, Calverton, Newark and Warsop Recycling Centres.

Public donations of paint accepted at these sites are checked by the site staff and any tins that contain good quality reusable paint are put aside in a designated shelved paint cabin.

This reusable paint is then given away free of charge, throughout the year, to community and voluntary groups registered on the scheme. The paint cabins at Beeston, Newark and Warsop started collecting paint in March and are filling up well with reusable paint so we're inviting groups in your area to apply so that they can get their hands on some free paint.

Over 100 groups have received around 12,000 litres of reusable paint so far but we're always keen to help even more.

For further information about the scheme downloadable application form visit:

<http://www.nottinghamshire.gov.uk/living/waste/recyclingadvice/communityrepaint/>

We're also opening these schemes to members of the public but this is only at special open evenings. For more details visit:

Sycamore & Poplars Care Home

The Friends of Thynghowe *Thynghowe and the forgotten heritage of Sherwood*

We are attending the Major Oak Woodland Festival on September 12th and 13th that is based around the Sherwood Forest visitor centre at Edwinstowe.

We will be describing the latest archaeological research into Sherwood's past and previewing some exciting events. Come and see us on the Forestry Commission stand where you can take part in some activities related to Viking Age Nottinghamshire.

This summer's Discover King John's Palace project at Kings Clipstone organised by the Sherwood Forest Trust and Mercian Archaeological Services was a great success with many local people finding out about this important site. A lot of folk were getting their first taste of archaeology by digging shovel pits into the plough soil at five metre intervals. These pits help map the palace site through analysis of the spread of pottery and demolition rubble. If you are interested in taking part in an archaeological excavation there will be several ways that you can get involved over the next year. Watch this space as we have an exciting project coming soon!

Some diary dates for this autumn. The Friends of Thynghowe AGM will be held at Perlethorpe on the evening of Thursday October 29th and our autumn workshop is on the morning of Saturday 7th November at Sherwood Pines. All are welcome.

If you would like information about how to join The Friends of Thynghowe for any of our events or have questions or comments please contact us on thynghowe@warsopweb.co.uk

For more information about Thynghowe and how to join in check out the Thynghowe Facebook page for our latest news or visit our website for details of our research.

Sycamore & Poplars Care Home had a fantastic Vintage Summer Fair this year with lots of things to see and do including: war time costumes, vintage cars, the lovely Katie Rebecca singing, lots of stalls and even the Manager got a drenching!!!!!!

The event also included a visit from the beautiful "Miss Mansfield" Jessica Boot who came along to present long service awards to seven of their lovely staff, pictured above. (some of whom have been there for 20 years!).

A fantastic afternoon was had by all and they raised £447.11 for the Sycamore & Poplars Care Home activity fund.

Thanks go out to everyone who came and supported them.

BIG WARSOP

WARSOP COMMUNITY CHEST

The next round of the Big Warsop Community Chest, in which community organisations can apply for up to £500.00 in funding, will be held in the autumn.

Community Chest Application forms are available from Warsop Town Hall and to download at www.bigwarsop.co.uk

The closing date for the receipt of applications will be Monday 28th of September 2015.

Awards will be confirmed by end October 2015.

If you are interested in getting involved in any of the BIG Warsop activities then please contact Lesley Watkins at Mansfield CVS on 01623 651177 or the new Big Warsop Office in the Town Hall on 07704793081 by e-mail: lwatkins@mansfieldcvs.org www.bigwarsop.co.uk

Eastlands School

After 34 years service Mrs Alcock said goodbye to the staff and pupils at Eastlands Junior school.

Mrs Alcock, who received various gifts, commented:

"I would particularly like to say a huge thank you to those of you who live in the village of Meden Vale, for the pleasure and privilege of having taught your children for the last 34 years. It has been a long running relationship and a rewarding time seeing your children, and in some cases grandchildren, growing up and becoming independent members of our society".

Mrs Alcock will be sadly missed by all.

The Heritage Centre at Limestone House, as part of the project 'Let's go down Memory Lane', currently has displays about World War 1 and World War II, including the Elmtown with Creswell Local History Group's display in Limestone House.

Local Artist, Bob Glassey has loaned two of his paintings:- one depicting 'Soldiers gassed in World War 1' and the other showing 'Pilots running to their Aircraft' in World War II'

Limestone House is well worth a visit as there are many other interesting features in the Heritage Centre, also the Memory Lane Café offers varied refreshments at very reasonable prices. Donated items are sold in the Charity Shop and the 2nd hand bookshop.

A Genealogy Club runs from 10am to 12 noon on Thursdays and a Knitting Club runs on Monday mornings from 10am to 12noon.. Come and join them.

Room Hire is available at Limestone House. Rooms 7 & 8 have been converted into a large room for hire, which is ideal for group meetings. Food service from the Memory Lane Café can be provided.

Warsop Hospice Support Group

The Warsop Hospice Support Group would like to express their heartfelt thanks to all those who helped to make the Garden Party, held at Janice's on the 6th June such a huge success. Our thanks also go to the Steel Band who added that extra attraction to the event.

But the efforts of all those involved would have been for nothing without the warm-hearted generosity of the people of Warsop who helped to raise the grand total of £851.92 in aid of the John Eastwood Hospice.

Many Thanks - W.H.S.G. Committee

Warsop Wives Group

During June we enjoyed a hospitality night at the Tudor Barn with our friends from Triangle. We also visited the school room at Carburton for a lovely lunch. Afterwards we went to Edwinstowe Craft Centre.

During July we held a Beetle Drive and Bingo Night and we also enjoyed a trip into Derbyshire. We went to the Peak Shopping Outlet and afterwards we went to Bakewell and had a lovely afternoon.

Future meetings are
September 1st – Royal British Legion
September 15th – Harvest Supper

Warsop Air Cadets

The Warsop Air Cadets have been working in partnership with Sherwood Pines recreating a frontline replica of trenches, foxholes and machine gun placements to commemorate the 100th year since the First World War began.

Sherwood Pines used to be a training area for soldiers who were stationed at Clipstone Army Camp and is littered with old trenches, a machine gun range and even some bomb holes! Inspired by this, we're building a replica trench system to show visitors how they would have looked to the soldiers who fought in them.

This is the second time the cadet's skills have been put to good use, last November saw the cadets creating wooden ammunition and weapon crates to add to the project's realism. These will be added to the site at a later date.

Warsop Air Cadets are always actively recruiting and are looking for new cadets. We offer 12 (year 8 at school) – 17 year olds the opportunity to go flying and gliding, adventure training, target rifle shooting, compete at sports, go on camps in the UK and overseas as well as gain academic qualifications and take part in the Duke of Edinburgh's award scheme. For more information contact us either by email oc.1208@aircadets.org or find us on Facebook.

Warsop Wives 1965 – 2015

Warsop Wives was formed in 1965, by a few ladies who felt the need 50 years ago for such a group. Initially it was known as "Warsop Young Wives", as we all were in 1965. I was a young mum with a six month old son – he is 50 this year. We still have 2 founder members, Sylvia Wetton and Ethel Trolley.

I joined in 1966. The President was Mrs Pat Smith – wife of the then Methodist Minister Rev Smith, and under the guidance of Mrs Smith – Warsop Wives – was formed. The first meetings were held at 'The Manse' on Appleton Street, on Tuesday afternoon, where ladies of the church looked after the members children, whilst they had their meetings. The first speaker was Mr Jim Wetton, local butcher, telling the ladies about 'Cuts of Meat'. Later that year the meetings changed venue, and met at the Methodist Chapel on Clumber Street, at 7-00pm with children left at home with their dads.

Venues have changed several times over the years as we have got older, and various circumstances, we are now – very happily settled in the Stable Barn, at the Parish Centre, still meeting on a Tuesday Evening at 7-00pm and still with a membership of 30 plus.

The photo is of our two remaining founder members Sylvia Wetton and Ethel Trolley cutting "our" celebration cake at the Hostess.

Over the years we have raised thousands of pounds for many charities, the first one was the Childrens Home at Edwinstowe, and we bought camping equipment, and without the loyal support of the people of Warsop, and surrounding areas, and the hard work of all our members, we could not have achieved this, so we say "Thank-You".

We have had trips galore, the very first was to "Paris" in the spring – we flew from a very basic Castle Donnington Airport, now East Midlands, most of us had never set foot in an airport let alone fly. That trip was followed some time later to Boulogne... yes we really did see The World (France) at least. In this country we have visited London, many times, and on our trip to Beamish even the bus driver got lost. Without the help of one of our members, (a Geordie) we would never have got there but we did, just as they were closing but when they heard our story they stayed open another hour, so that we could all buy something to take back for our children. Then there was the day trip to Rhyl for the children – where mums and children played rounders on the beach, but that was fun – no Ipods or mobile phones just good 'ol fun.

We have had many Jumble Sales – a thing of the past now.

Then very adventurous, we decided our next Fund Raiser, would be a dance, we had it catered for and held it at "The Lady Margaret Hall" and yes you've guessed it, there was not enough food, good old Pearl and Bryan Herbert, drove back to Warsop – brought a chicken (their Sunday dinner) and two loaves, and we all set on and made sandwiches. When we challenged the local Warsopian Caterer about it she said 'well if you had chicken you weren't suppose to have cheese and if you had trifle you weren't suppose to have cake 'Happy Days!! We did all future catering ourselves, although we never organised another dance.

One of my many memories was a day trip we did, and as always we had a raffle on the bus – we had had a jumble sale a couple of weeks before, where we found a pair of 'Don Estelle' (Some Mothers do Av Em) shorts and for a bit of fun we decided to have them as a raffle prize, and whoever won them had to wear them on the bus... Lovely, quiet, reserved Doreen Tinkler (sadly died) won them, she put them on – but as she told us she had never owned a pair of shorts and she wore them all day, we've had some very happy times. I could write a book but Spae won't allow it.

I married Eric in 1960 and left my native Sheffield and settled here in Warsop now Market Warsop, which I always call it, and I have loved every minute of my life here. I have made lots of friends not least my friends at Warsop Wives. My mum used to come to Warsop and she loved it too, she would go on her own into Warsop and when she got back she said everyone says 'Good Morning' and you're Jean's mum. The very last thing we have done was to knit poppies, and Glenys Fearn made them into two wreaths, and these were laid on our behalf by Jean Hall and Glenys at the Cenotaph on Armistice Day.

At our next meeting with members and visiting members, we will be having a celebration of Fifty Years of Friendship and Togetherness.

HERE'S TO US ALL

Mill Dam Update

Members continue to remove debris but the growing cover of algae does not help. The banks are badly in need of cutting as they were not cut last autumn. This is the responsibility of MDC and not FOTC.

The bailiffs are continuing to do their work and we ask all to support them. Rats are increasing in number and a lot of attention to the problem is needed by MDC.

We are to have a meeting with the executive officer of MDC to discuss the Carrs as part 2 of the complain procedure. We also hope to have a discussion with the new Portfolio Holder to ascertain what action is needed to have Green Flag status for the Carrs and also to discuss work that is needed on the Carrs.

The silt trap has had the boards removed and this obviously stops it from doing its job. The silt trap, after a year, needs the silt removing.

FOTC are receiving many complaints from members of the public about the state of the Carrs. We must remind them that the responsibility lies with MDC. FOTC is a Friends group and we carry out works on the Carrs on a voluntary basis. We raise funds and act as a pressure group. We did have an understanding with MDC from when the Group was initiated that items affecting the Carrs would be discussed with us. This no longer happens and MDC rarely attend our meetings. If any member of the public has a complaint please feel free to bring it to the attention of MDC.

£1.7m development brings homes and jobs

Work is under way to build 12 family council homes in Mansfield.

The £1.76 million development in Pye Avenue is one of several housing schemes being built for Mansfield District Council, which will see more than 170 homes being built over the next couple of years.

The project is being funded by the council from its own financial resources with help from a £216,000 grant from the Homes and Communities Agency (HCA) which in 2014/15 helped fund more than 50,000 homes in England.

Building on the site began in June and is expected to take a year to complete. It will transform the former disused garage site, which attracted problems such as anti-social behaviour and fly-tipping and was the source of on-going concern to local residents.

The 12 houses – five with three bedrooms and seven with two bedrooms – will be owned and let by the council.

To apply to live in one, residents must first register with the council's Homefinder service. The properties are likely to be advertised by Homefinder in spring next year.

The development, constructed by Geda Construction, based in Kegworth, near Derby, will not only provide much needed new housing in the district, it is also expected to provide work for about 120 people, many of them from the district, at some point over the course of the year it takes to build.

In addition, the scheme will create four apprenticeships and provide valuable work experience for at least four construction industry students from West Nottinghamshire College in Mansfield.

Portfolio Holder for Housing Cllr Barry Answer said:

"This scheme represents a significant investment in council housing in the area - which was one of the Mayor of Mansfield's pledges - and this will provide 12 much needed family homes, as well as work and business for many local people in course of their construction.

"The end result is that we will see an area that was something of a problem area transformed and put to the best possible use."

Cllr Dave Saunders, Portfolio Holder for Regeneration, added:

"This is an excellent example of a development scheme which will breathe new life into an area that was previously a source of problems for local residents."

Aaron Hughes, General Manager at Geda Construction, said:

"We are delighted to be working in conjunction with Mansfield District Council on this project.

"Not only will the finished scheme provide much needed new-build general needs housing, but it will also bring back into positive use an area of council land that has been derelict for some time."

Housing and regeneration in council's top five aims

Improving housing, regeneration and job opportunities in the Mansfield area are among the five top priorities published by Mansfield District Council in its Corporate Plan and Annual Performance Report for 2015.

The easy-to-read document sets out the council's vision, targets and priorities for improving the lives of local residents, businesses and visitors over the next year.

The council intends to focus on five priorities for the year ahead, including:

- improving regeneration and employment
- providing housing solutions
- protecting the environment
- reducing crime and disorder
- supporting vulnerable people.

The document also puts the spotlight on some of the council's major achievements over the past year and provides financial information on the authority's performance, and about how well it is meeting its targets and addressing the challenge of budget cuts.

Executive Mayor of Mansfield District Council Kate Allsop said: "Our

vision is to create a positive image of Mansfield, which supports people, business and investment in the area, while sticking to our core values of quality, respect and openness.

"The Corporate Plan and Annual Performance Report demonstrates that we are delivering efficiencies, while at the same time providing services, which make a difference to people's lives.

"If you want to learn more about what the council is doing to improve employment, crime, independent living, housing and the environment, I recommend that you read this document, which sets out our targets, priorities and achievements in a reader-friendly way.

"We want as many people as possible to become engaged in what we are trying to do to enhance the lives of all Mansfield residents."

Homelessness charity calls for the help of 60+ community groups

With a new Budget and changes to existing Welfare assistance, local homelessness charity 'Framework' shares a concerned voice for vulnerable people with many others across the UK.

To combat rising need for food banks and essentials Framework is calling for more than 60 community groups to support their Seasonal Harvest Campaign; The Feeding Futures Appeal.

Framework exists across the East Midlands supporting over 11,000 people annually. Feeding Futures hopes to partner services in over 60 locations with as many (or more) community groups acting to collect items including non-perishable foodstuffs, cleaning products, toiletries and household items for local people in need.

The charity has witnessed a rise in need for essentials in all communities served. Mel Little, Mansfield Homelessness Prevention Team Leader said: "Food poverty is becoming more prevalent locally, we have instated a food store at our service. It's the first time demand has been so high that we must constantly provide for people who are struggling. Stocks are low and it's highly concerning; I've never witnessed such widespread need before."

Essentials will be shared with people presenting need and food will also be used in cookery sessions. Fundraising Manager Louise Darby explained: "The campaign aim is to allow individuals to take steps away from crisis, equipping people with the time and also skills to re-establish lives with stability and dignity. Giving to support now and in turn, feeding people's futures."

Warsop Parish Council Honours Local War Hero

Warsop Parish Councillors are currently looking at renaming the Warsop inner relief road on the A60 from the traffic lights to the junction of Carr Lane in honour of Sgt Robert Bye.

Parish Councillor Adrian Hardy, said;

“It would be wonderful to see this lasting tribute paid to Sgt Bye, which is long overdue.

“Since the inner relief road was opened in the late 70s it has never had a name, some people call it Church Street and others Mansfield Road.

“There are no properties on this stretch of road so it would not inconvenience anyone.”

Consultations are currently under way with Mansfield District Council who are responsible for the renaming of roads and an update will be given to Parish Councillors at the September meeting

Sgt Bye was awarded the VC on 31st July 1917 for his actions at the Yser Canal, Belgium

He showed courage and devotion to duty during an attack on the enemy’s position in the third battle of Ypres, where he accounted for 70 of the enemy.

He received the VC from King George V on 27th September 1917, and upon receiving the honour, he was reported to have said: “I am proud of the honour conferred upon me, but I only went out to France to do what millions of others are doing, my duty. In honouring me you are honouring my comrades out in France, for they all did well that day.”

Born in Wales, he came to live in Warsop in 1925 with his wife, Mabel, and they had two sons and two daughters. He worked at Warsop and Welbeck collieries and was also a temporary constable at Mansfield and took an active part in British Legion activities and served as a marshal for Remembrance Day parades during the 1930s.

He died at his daughter’s home in Warsop in 1962 aged 72, and was buried in Warsop Cemetery with full military honours.

Sgt Bye is still proudly remembered by his old regiment where his VC and group of medals are on display at the Guards Museum, Wellington Barracks, London.

Changes to car park fees

Visitors to Mansfield will soon be able to park for 30 minutes for free in all Mansfield District Council surface car parks.

In addition, drivers parking in the Four Seasons and Walkden Street multi-storey car parks will be able to park for three hours for the price of two hours.

Cashless parking will also be introduced at the council’s seventeen car parks with no administration fees for those who pay by mobile phone.

The decision was taken by the Executive Mayor Kate Allsop on Monday 20 July.

The new parking fees, which are designed to encourage visitors and residents to spend longer in the town centre and contribute to revitalising the district, will take effect following a consultation process.

The provision of free parking for 30 minutes will help residents to visit the town centre for a short time at no cost.

The new fees will be introduced until 31 March 2016.

Car parking income could potentially reduce by £180,000 a year. The impact of the changes will be monitored monthly ahead of a decision being made on whether to include the revised charges in the 2016/17 budget.

Before the changes are implemented, a Car Park Order (CPO) must be published for consultation. It is hoped that the consultation process will be completed by mid-September.

Executive Mayor Kate Allsop said: “These measures are all about boosting business and enabling our local economy to flourish. Offering an extra free hour when buying two hours car parking in our multi-storeys will encourage people to spend longer in the town centre, where they can make use of our excellent shopping facilities.

“For those people, who wish to make shorter trips without incurring parking charges, the introduction of half hour free parking will provide an added incentive for shoppers to come into the town centre and make that quick purchase.”

Macmillan Beach Party

On 2 August 2015 the Talbot, Warsop hosted a charity beach party in aid of Macmillan, dedicated to the much loved local resident Anita Stoppard.

Anita, who is a pillar of the local community, has always been the first person to support anyone who is in need of help.

Brave Anita has recently been diagnosed, has always wanted to have a beach party, so a dedicated group of family and friends set out to create an amazing family day, not only to be enjoyed by all who attended but also to raise funds for Macmillan Cancer Support, a charity organisation close to many people’s heart.

The all day event, which was a massive success and raised over £800.00, included a free bouncy castle, live entertainment from Snapback and Dusty Grapes, kids party dancing with Disco Dolphin, Chest Waxing, Hawiian Pizza sales and music from DJ Carlos.

Fundraising activites included:

- A raffle organised by Christine Farr with donations from local residents and businesses £345.00
- Sale of grass skirts and lei sets donated by The Talbot £124.00
- Craft sales, created and sold by Crafting for Charity £155.90
- Chest waxing £56.00
- Pizza sales donated by The Talbot £140.00
- Ongoing The Talbot book sale £40.00
- Total £860.90**

A big thank you goes out to all those who helped to make the event such a fantastic day. And a massive thank you to Christine Farr who tirelessly collected prizes and sold tickets for the raffle.

Finally the Talbot would like to thank the generosity of all customers who attended the event and gave so generously.

We are already starting to plan next year's event and need your help.

We need volunteers to be on Carnival committee sub-groups.

We need volunteers on the day to help with selling programmes and car parking, etc.

We need volunteers who can help erect fencing, marking out the site and other ground work, etc.

If you think you can help in anyway, please get in touch by contacting:

THE ROYAL BRITISH LEGION

News update by:
Pete Hopkins – Branch Secretary
Tel: 07889 181026 Email: rblwarsop@gmail.com
Web: www.britishlegion.org.uk/branches/warsop

Warsop has a winner!

Pictured is branch member, Mr George Humphrey who has been chosen to be one of the faces of this year's National Poppy Appeal Campaign. Look out for him in National newspapers and on billboards.

A veteran of the Burma Campaign it is very fitting that George has this honour in this, the 70th Anniversary year of VJ Day, the end of the war against Japan. A VJ party was held in August when members and friends enjoyed a cream tea. To mark the occasion, Branch Life Membership was bestowed on George. This is rarely given and only to those who have worked long and hard supporting the branch and the aims of The Royal British Legion.

Members enjoyed a visit with our friends from Mansfield Bellamy Branch when an interesting talk on Southwell Workhouse was heard. Plans are well underway for this year's Poppy Appeal so if you could give an hour or more of your time, please get in touch.

We are also ordering wreaths so again, let us know if you would like to order one in plenty of time for the 8th November.

At our next meeting on the 14th September our speaker is the Rev'd Bruce Rienstra, one of our latest members. We are back at the Ex-Servicemen's Club for this meeting and everyone is welcome to come along, you do not need to be Ex-Service to join.

Your Local Choir

**On 2nd September 2015, we are officially back
 for our new term but we are already rehearsing
 for all our Autumn and Winter Concerts.**

We have several brand new pieces of Christmas Music under our belts
 and we are also polishing up some more traditional favourites for our
 repertoire.

Our oldest Choir member demanded a full two page apology from me
 for miscalculating his age in my previous articlehe is 85, not 83!!!
 We would welcome some more men into our choir. Obviously age is
 immaterial!

Our Concert diary is:

Saturday 12 September 2015

Singing at Farndon Church nr. Newark

Wednesday 16 September 2015

A Concert at Eakring Church 7-30 pm

Thursday 24 September 2015
