

# It's Carnival Time!

**The theme for Warsop Carnival 2016 is based around 'The Elements', water, earth, wind and fire. This ever popular event will be held at The Carrs Showground on Sunday 3rd July and promises a full day of great entertainment for all the family.**

The traditional Carnival Parade is due to leave Robin Hood Avenue at 12 noon, led by the Seaforth Highlanders Pipe Band, traveling through the streets of Warsop and arriving at the Carrs showground at around 12.45pm with floats from a wide range of local groups, charities and schools including: Scouts, Hetts Lane Holiday Club, Church Vale Infants School, Birklands Primary School and Netherfield Infant School, to list but a few.

After the parade has reached the Carrs, the fun starts with a full line-up of entertainment in the main arena which includes Mad Drop, Sue Fee and Dangerous Steve.

Other attractions and side shows include: The Music Stage, Joker Entertainment, The Rotary Duck Race (see below), Warsop in Bloom Flower Show (see page 3), Birds of Prey, Classic Cars, and of course everyone's favourite, the Fairground. Plus much more!

For more detailed information pick up the Warsop Carnival Programme which is available in local shops. Still great value at only £1 per copy and all proceeds go towards funding next year's event.

## Editor's Letter

Welcome to the June edition of your local paper. This month's banner features a map of Europe for a very significant reason.

If you are aged 18 or over and are registered to vote, it is time to go the polls on June 23rd.

Whatever side of the fence you are on (remain or leave), this is a once-in-a-lifetime opportunity to decide the future direction of our country's place in the world.

Please don't waste that chance and do use your right to vote. Polling stations will be open from 7am until 10pm, so even if you are working on polling day, there should be chance for you to pay the booth a visit!

In other news, our much loved carnival is rapidly approaching (further details next month) - one of this year's attractions representing the element 'air' is the Mad Drop - this is an open attraction where brave members of the public (18+) can take the plunge and jump from height onto an air cushions - further details on how you can participate will be in next month's edition.

## GARDENING MONTHLY...

### General Tasks and garden maintenance

Along with all the flourish and splendour this month, weeds are thriving too, so keep on top of the situation; hoe on warm days and leave them on the surface to wither and die in the sun.

Another constant task around the garden at this time of year is deadheading - remove spent flowers from containers, pots, hanging baskets, beds and borders and feed them all occasionally with liquid feed. Deadheading diverts energy from producing seed into producing new flowers... so is a good thing all round.

Theoretically we should be home and dry now weather-wise, but be prepared Brownie-style in case of a late frost - keep vulnerable plants and new shoots protected at night if frost is forecast and don't be tempted to put out your really tender plants out until the middle of the month unless the weather changes dramatically.

If it's dry, attack ground elder, lords and ladies and the like with systemic weed killer painted onto the leaves, and trail tips of bindweed into jam jars full of the same. Remember systemic weed killers are indiscriminate and will kill anything they contact.

Water is a precious commodity - instigate good practices such as using kitchen and bath water (as long as it is neither too dirty, greasy nor full of detergent) for watering, collect rainwater and investigate ways to recycle water for your irrigation. Avoid using tap water, however, for lime-hating plants such as camellias - they will not thank you for it! Automatic watering systems are economical with water, as well as convenient, so consider installing one sooner rather than later.

Watering is essential once the weather is drier and warmer - water thoroughly once or twice a week rather than little and often (containers and hanging baskets need watering every day and sometimes even twice a day if it is hot and windy) - this encourages plants to put down roots in search of water rather than coming up to the surface. For large shrubs or trees, leave a hose trickling around the base for an hour - hedges are best watered with a trickle hose (a length of old hose punctured with little holes) left running for an hour or so.

The key to successful planting, whether it be a shrub, tree, perennial or bedding plant is to water in well. Beforehand, soak the rootball in a bucket until no air bubbles come to the surface, dig the planting hole, fill with water and allow to drain away. Place the plant in the hole, fill with soil, firm gently and water with a watering can - this will give the plant a huge advantage over one planted with a dry rootball in a dry hole and watered only on the surface.

Carry on removing moss and weeds from paths, terraces and drives and keep an eye out for pests around the garden. Try to keep the use of chemical controls to a minimum - they may kill off pests, but they also kill off the beneficial insects that prey on them such as ladybirds and hoverfly larvae.

Continue the campaign against slugs and snails. They love the young shoots of delphiniums and the like, so use pet-friendly slug pellets, drench the ground around hostas with liquid slug killer to exterminate slugs below the surface or invest in a biological control (this employs nematodes to deliver a slug-lethal bacterial infection). Keep an eye out for snails and pick them off... what you do with them is up to you. Birds are your friends here - flat stones artfully located are useful accessories for birds to practise their snail catching techniques.

Caterpillar and aphid infestations can be dealt with by hand if caught early enough, but should the situation veer out of control you will have to resort to insecticides or grin and bear it! Don't forget aphids and other sap-sucking insects can transmit viruses so don't give in to the sympathy vote.

### Birds

Do keep putting out bird food - they quickly become accustomed to regular food supplies and it's a real treat to see wild birds in the garden.

### Lawns

Mow, mow, mow your lawn... little and often is better than a radical attack every now and then. Left too long between cuts and the job becomes much harder, so mow weekly if possible.

Feed established lawns if you haven't already done so with a high nitrogen fertiliser - this will encourage good 'leaf' (i.e. grass blade) development. If your lawn is mossy, use a fertiliser which contains mosskiller and if your weed content is higher than you might wish, use lawn weedkiller - although this will also kill any wild flowers.

Try to add your grass clippings to the compost heap in shallow layers; a huge dollop will only turn slimy and spoil your compost.

Don't let newly laid lawns dry out in hot weather - water in the evenings and if there is a heat wave, consider leaving the lawn longer than usual just to help it through the hot weather.

# WARSOP

## Footpath & Countryside Group

Shirebrook Wood will be the location for the third of our series of walks celebrating the anniversary of the 1816 perambulation of the Manor of Warsop. On Saturday 18th June we will follow the line of the parish (and county) boundary as we walk around the restored pit tip.

This area has fine views over most of Warsop parish and further afield. On a clear day, a Trent valley power station may be seen. There should also be plenty of wildlife interest including a fine display of orchids. We will also reflect on the landscape lost beneath the colliery waste including the deer park of Warsop Park.

We will meet in the Shirebrook Wood car park on Longster Lane at 10am. The walk will be about four miles and will take around 3 hours. There will be one stile to cross. Most of the walk will be on good paths but some stretches may be on uneven ground with a few brambles. There could be muddy patches so stout footwear is necessary and bring a drink and a snack. Contact us if you would like more information about this walk.

Our following walks will be on 16th July when we walk along the Clipstone Park boundary and then on 20th August we will walk around Gleadthorpe and Hazel Gap.

Our Warsop 1816 to 2016 project is supported by the Big Warsop ROLo fund and the Heritage Lottery Fund.

As part of this project we have produced a booklet reflecting on the changes to the landscape around Warsop's parish boundary and describing walking routes. Look out for free copies around Warsop.

During June, look out for Marbled White butterflies on areas where grassland flowers are starting to bloom. The part of the Hills & Holes between Stonebridge and Warsop Vale is worth visiting during the summer months to view both wildflowers and butterflies.

This month we will be busy managing the Himalayan balsam plants that are attempting to spread along the banks of our rivers and streams. Although this non-native plant has attractive blooms it causes real problems once it becomes established. It is an annual so it leaves riverbanks bare in winter and liable to erosion with accumulations of silt further downstream. Native plants that protect the banks are crowded out and insects are attracted to the balsam and fail to pollenate other flowers.

This month the Footpaths Group will be continuing to cut the grass along Warsop's public paths. This work depends on volunteers willing to do this work so if you can spare a few hours on a Thursday morning please get in touch.

## Warsop Bottle Banks

**I am concerned regarding the two  
bottle banks in the Talbot car park.**

I have recently been to deposit my bottles and found 25 bin bags full of bottles laying all around these bins put there by residents who are to idle to put them in the bins provided. I am also concerned about the amount of empty boxes here as well.

What concerns me is that if we do not use them responsibly, we could lose them.

## The Friends of Thynghowe

*Thynghowe and the forgotten heritage of Sherwood*

**The summer months are usually a quiet period as we wait for the forest vegetation to die back and provide the conditions needed for woodland archaeology.**

However, this year we will be involved in our Vikings of Sherwood project, particularly sharing the preliminary outcomes of the community excavation that was completed last month.

Dating evidence for the archaeological features on Thynghowe is most likely to come from environmental testing and scientific techniques. For example, sampling the soil from the base of an excavated ditch may reveal pollen samples that could suggest the date for the feature. Thanks to our Heritage Lottery funding, we have a budget that will allow the testing of several samples from the excavation.

We had an excellent time on St George's Day when we collaborated with the Warsop 1816 to 2016 project to celebrate the 200th anniversary of the last recorded perambulation of the Manor of Warsop. After walking to Hanger Hill 52 folk revived the 'ancient custom' of consuming bread, cheese and ale on the slopes of the hill. Look out for details of their series of Warsop boundary walks that will be held this summer and also the event they are planning in Warsop sometime in July.

We are already planning our autumn events. We will be at the Major Oak Woodland Festival over the weekend of September 10th and 11th and our Annual General Meeting is scheduled for the last Thursday of October. If you want an in-depth analysis of our latest news come along to our Autumn Workshop on 12th November.

You can find out about our activities from our website and Facebook page and you can email us on [thynghowe@warsopweb.co.uk](mailto:thynghowe@warsopweb.co.uk) or contact us by phone on 846281.

The Vikings of Sherwood project is supported by the National Lottery through the Heritage Lottery Fund.

# The Three Lions Action Group

**The Three Lions Action Group (who are a group of local Meden Vale and Warsop residents) are working hard to make The Three Lions pub at Meden Vale a roaring success.**

The village of Meden Vale lost its Welfare building last year and the group is doing all it can to raise the public's awareness of what is happening on their very own doorstep.

The Action Group was formed initially to fight for the future existence of The Three Lions pub which has been threatened with closure, but the group consisting of approximately 15 people, are determined that by staging regular events that will appeal to all local residents, their families and friends, The Three Lions pub will continue to sustain its pivotal role in Meden Vale.

Encouraged by our local District Councillor, Sharron Adey and with the help of the pub landlord, lots of time and effort has been put in to develop a calendar of events which start fairly soon.

There are regular weekly activities and events taking place in The Three Lions including: darts, dominoes, pool, snooker and quiz nights.

There is also a Saturday night disco, which along with the football and rugby clubs who are using it as their base after their games and training nights is helping to move things on. The venue will also play host to end of season presentation nights for both rugby and football clubs.

The Action Group meets on a monthly basis and it would welcome the support of more local residents and would value their input.

For further information pop into the pub on Netherfield Lane to receive a warm welcome or speak to Kay Walker on 01623 844282 or Graham Hall on 07791 155891.

## Council chiefs join the front line in Learning at Work Week

**The Chief Executive and directors at Mansfield District Council will be going back to the floor and taking up roles on the front line as part of the council's commitment to Learning at Work Week which begins on Monday (16 May 2016).**

Chief Executive Bev Smith will be getting to grips with housing repairs by joining the council's plumbers who will be carrying out repairs and maintenance to council properties.

Meanwhile other directors will be joining the council's parks department, doing a beat with its neighbourhood wardens and finding out what happens at the Mansfield and District Crematorium.

Staff throughout the council will have the opportunity to take part in various activities for Learning at Work Week, an annual awareness campaign which has been organised by the Campaign for Learning since 1999 and which aims to put the spotlight on the importance and benefits of learning and development.

The event is being delivered by the council in conjunction with the UNISON and GMB trade unions.

This year's theme is 'Connect' and staff are being encouraged to get involved by having the opportunity to develop additional workplace skills, participate in wellbeing activities or by simply connecting with a colleague over lunch.

As this week is also Mental Health Awareness Week many of the activities are connected to health and wellbeing.

Chief Executive Bev Smith said: "I am really looking forward to getting my hands dirty and joining the housing repairs team.

"As part of my 'getting to know' the authority as the new Chief Executive I have already spent time emptying the bins and joining the parks team for the day and I have found it to be a really useful way to see first-hand how we deliver our services and the kind of challenges we and our staff can face."

Warsop Inner Wheel Member at the Conference are pictured above. Pictured below are just a few of the images from Warsop's Camon Bear activities. These images were used by Luke to present to the conference.

## Warsop Inner Wheel Members Attend the Glasgow Conference 2016

**Members of Warsop Inner Wheel (IW) and an IW member from our IW District 22 recently attended the Association of Inner Wheel Great Britain and Ireland (GB&I) Conference in Glasgow. Over 2400 women attended from across the UK.**

President Sharon Smith (left) and Vice President Gloria Humphrey wearing the District 22 Stewart tartan sash before the conference ceilidh ball on the last night. Members met in President Sharon's room to thank her for her year in office and presented her with a memento of the 2016 conference. (Photograph of ladies on the bed wearing black and white with tartan sashes).

International President Charlotte de Vos from Belgium opened the guest list of speakers and wished current IWGB&I President Trish Douglas a happy conference.

There was not a dry eye in the house from either laughing or crying following a speak by local Nottinghamshire lady Sheila North. Sheila spoke about the IWGB&I president's charity Parkinsons UK. Sheila is living with Parkinsons and provided a real, raw and incredibly funny account of her life and how it is affected by this terrible disease. ([www.derbyparkinsons.org.uk/index.php/my-story-sheila-north](http://www.derbyparkinsons.org.uk/index.php/my-story-sheila-north)). IWGB&I presented Sheila and Parkinson's UK with a cheque for over £50,000.

Speaker Luke Simon, whose brother Piers died in the tsunami in 2004 spoke to the conference about The Piers Simon Appeal (PSA). PSA was launched by Luke and his family to help disaster victims around the world. To date, victims in 13 countries have been financially supported by PSA.

In 2009 PSA created School in a Bag (SIAB) ([www.schoolinabag.org](http://www.schoolinabag.org)) an initiative that distributes rucksacks filled with stationery, learning resources and eating utensils to disadvantaged children around the world giving them an opportunity for a better education. Each rucksack costs £15 and Warsop IW helped raise funds for many bags.

PSA encourage people to promote the SIAB Campaign and anyone wishing to raise funds receives a little bear (Camon) with his own tiny red rucksack which holds 15 £1 coins. They also encourage

fundraisers to promote their campaign by taking photographs of their little Camon bear sharing his life with you.

Other inspirational speakers who attended over the two-day conference were Olivia Giles, Order of the British Empire (OBE), who in 2002 at the age of 36 contracted meningococcal septicemia and required quadruple amputations. She is the founder of the charity 500 miles ([www.500miles.co.uk](http://www.500miles.co.uk)) which supports the development and delivery of prosthetic and orthotic services in Malawi and Zambia and a little in Zanzibar.

Award winning cook and food writer Lady Claire McDonald, OBE was announced as a new IWGB&I Patron, following her energetic work to promote Scottish Food and Scottish Food Farmers Markets across the world as a growing tourist attraction for Scotland.

Entertainment was provided by Dr. Paul Whittaker, OBE. Born in Huddersfield in 1964 with hearing loss and profoundly deaf since the age of 8, Paul became an organist and pianist, graduating from Oxford with a degree in music. In 2015 Paul founded the charity Music and the Deaf to help deaf people access music and the performing arts. Paul is an inspirational speaker and performer playing classical and contemporary pieces for the conference delegates. ([www.matd.org.uk/who-we-are](http://www.matd.org.uk/who-we-are))

Tricia Stewart, an original Women's Institute (WI) Calendar Girl spoke to the conference about the success of the Calendar Girls campaign which started out as a local fundraising project to buy a 'comfy sofa' for a WI member's husband suffering with Hodgkins Lymphoma. This was an inspirational and motivational talk about fundraising and friendship.

# Warsop 1816 news

## A New Member of Parliament

**In a month when the majority of the population will be eligible to vote in a referendum, it is interesting to look back two centuries to the 1816 election of our local Member of Parliament.**

Earl Manvers, the owner of the Thoresby Estate, died on 17th June 1816. He was succeeded by his son Charles Pierrepont who had to resign as Member of Parliament for Nottinghamshire when he took his place in the House of Lords. At a meeting of freeholders at Mansfield Moot Hall, Lord William Bentinck, the second son of the 3rd Duke of Portland, was unanimously approved as the new MP.

In 1816 only property owners were entitled to participate in elections. A later electoral register from 1834 listed only 45 men from Warsop who could be involved in the appointment of their MP.

Local singers, dancers, musicians, comedy acts and magicians are encouraged to use the performance space to show off their talents on stage in front of a captive audience. If you have an unusual skill or are looking for an opportunity to perform, the town centre could be the place for you.

# Ruby's Fight to be British Champion

## Local youngster Ruby Oxland from Meden Vale, is now the Jiu Jitsu British Champion in her weight and age category

Ruby, who previously won Gold at the BJJ Junior European Jiu Jitsu Championships in November 2015, has gone from strength to strength and has recently won another gold at the BJJ British Open to gain her British Champion title. She was up against some strong competition but came out on top in all her fights to take gold with an arm bar submission, advantage and points.

Ruby's next competitive event is the Manchester international BJJ247 Competition.

The 8 year old, who trains 3 times a week, has achieved grey belt level in Brazilian Jiu Jitsu studying under Professor Victor Estima and Jamie Paxman at Gracie Barra Arnold and is sponsored by The Grapplers Gift and BJJGroup.com

Ruby would like to give her thanks to both her trainers and sponsors.

# Meden's Jake Ball Named in Test squad

## England selectors announced a 12-man squad for the First Investec Test against Sri Lanka beginning on Thursday May 19 at Headingley.

Nottinghamshire seam bowler Jake Ball is one of only two uncapped players named in the squad. Jake has been called into the England Test squad for the first time following some excellent performance for Nottinghamshire.

The 25 year old right-armer, who was born in Mansfield and attended Meden School in Market Warsop, has started the Specsavers County Championship season in good form taking 19 wickets at an average of 21.15 and is joint leading wicket-taker in the First Division. Ball spent the winter with the England Lions in the UAE and at a fast bowling camp in Potchefstroom, South Africa.

ECB National Selector, James Whitaker, said:

*"Building on his success with the Lions in the winter, Jake has impressed with the ball and shown excellent control and skill in the opening matches of the County Championship. If selected, we are confident he will perform very well at international level."*

# Ollie and Charlotte are Pure Gold

## Paralympian swimmers Ollie Hynd MBE and Charlotte Henshaw achieved stunning results in the IPC Swimming European Championships held in Madeira last week.

Ollie (pictured right) picked up a hat-trick of gold medals and two silver medals from five events, while Charlotte (pictured far right) reclaimed her European 2009 title in the SB6 100m breaststroke.

Ollie is now European Champion in the S8 category Men's 400m freestyle, European champion in the SM8 category Men's 200 individual medley and European Champion in the S8 category Men's 100m backstroke.

He also achieved silver in the S8 category Men's 100m freestyle and the Men's 34 Point 4 x 100 freestyle relay.

European champion Charlotte delivered a brilliant performance in her race, creating a nine second lead in the final stages to win the gold with a finishing time of 1:37.55.

The pair are now waiting to see if they will be on the plane to the Rio Paralympic games, following the announcement of the GB Paralympic Swimming team on Monday 16 May 2016.

Mansfield District Council's Swim Coach and Development Officer Glenn Smith, who coaches both Ollie and Charlotte, said: "Seeing them on top of the podium at any major championship is testament to their hard work, dedication, commitment and talent. It is an honour to coach them both; they are amazing people and athletes."

Executive Mayor of Mansfield District Council, Kate Allsop said: "Ollie and Charlotte have delivered the most fantastic results in Madeira, confirming yet again that they really are exceptional and inspirational athletes. We would like to congratulate them on winning their respective European championships and wish them well in their selection bid for the Paralympics in Rio."

New council homes in Dozen Drive

# Families move into new council homes

## Families have begun moving in following the completion of work ahead of schedule on 12 new council homes in Mansfield.

The £1.76 million development off Pye Avenue is one of several housing schemes being built for Mansfield District Council, which will see more than 170 homes being built over the next couple of years.

The project was funded by the council from its own financial resources with help from a £216,000 grant from the Homes and Communities Agency (HCA) which in 2014/15 helped fund more than 50,000 homes in England.

Building began in June last year (2015). It was scheduled to take a year to complete but has finished several weeks earlier than expected.

The scheme has transformed a former disused garage site, which has attracted problems such as anti-social behaviour and fly-tipping and was the source of on-going concern to local residents.

The 12 houses – five with three bedrooms and seven with two bedrooms, which are owned and let by the council – are situated in a new road which has been named Dozen Drive.

The name of the street was thought up by 11-year-old Amy Hanna, a pupil from nearby Intake Farm Primary School in a competition run by the school and the company which built the homes, Geda Construction.

Amy said: "I came up with the name because there are 12 houses in the road. It feels really good to have named a street."

Director of Communities Hayley Barsby said: "We are very pleased with this excellent scheme and how it has transformed this area and created high quality housing for families on our housing list."

Mansfield District Council Director of Communities Hayley Barsby and Director of Economic Growth Mike Robinson with Intake Farm Primary School pupils Ellie-Mae Thacker (10) and Amy Hanna (11), front right, who thought up the name Dozen Drive.

"The early completion of the scheme is an added bonus for our tenants. I would also like to say 'well done' to Amy for coming up with such a good name, too."

Aaron Hughes, General Manager at Geda Construction, said: "We have been delighted to be working in conjunction with Mansfield District Council on this project which has brought back into positive use an area of council land that has been derelict for some time."

"Work on the scheme has gone extremely smoothly which has meant we have been able to complete it earlier than scheduled."

# The big Royal Knit continues...

**Mansfield District Council is working with groups across the district in preparation for the Royal Knit, to yarn bomb Mansfield Town Centre this June.**

The aim of the Royal Knit is to bring people in the district together to help dress the town centre, covering tree trunks, lamp posts and railings in pieces of knitted material, for the Queen's 90th Birthday Street Party.

The party, which is due to take place in the market on Sunday 12 June, will be a family event with face painting, party entertainment, craft workshop and more for all to enjoy.

In preparation for this the council's coordinator, Sara Brown of Yankee Yarns, held various knit and natter afternoons at Veolia's Material Recovery Facility unit in Forest Town.

The groups knitted and crocheted all sorts of patriotic inspired pieces including bunting. A knitted doll of Her Royal Highness was also created.

Director of Economic Growth Mike Robinson said: "The Royal Knit campaign is going from strength to strength thanks to the fantastic amount of support shown by the local community."

"This is the first time we have done something like this in the town so we are looking forward to celebrating everyone's efforts at the Street Party in June."

Knitted and crocheted pieces are still being collected until 30 May so if you would like to contribute call Sara Brown on 07429 138131 or email yankeeyarns@gmail.com.

For more information about the Royal Knit visit [www.mansfield.gov.uk/royalknit](http://www.mansfield.gov.uk/royalknit).

More details about events on Mansfield Market will soon be available online at [www.mansfieldmarket.co.uk](http://www.mansfieldmarket.co.uk).

## Museum awarded for community work

**Mansfield Museum has won an award at the Mansfield 2020 Business Awards for its community involvement work.**

The museum, which is operated by Mansfield District Council, was awarded the Commitment to the Community Award, sponsored by the Evolve Trust, at a ceremony at the John Fretwell Centre on Friday 29 April 2016.

The award was received by Executive Mayor of Mansfield Kate Allsop, who said: "We are delighted that our hardworking and innovative team at the museum have been recognised for their efforts to engage the local community in the work of this excellent attraction."

"There are countless events and projects at the museum which actively engage the public and help to share our local heritage and this is a valuable asset to the quality of life in the district."

The museum, which has won various awards in recent years, has developed over a century to a position which puts it at the heart of the local community.

Through outreach work and a myriad of partnerships with local groups, it stages exhibitions, special events and talks to schools to reflect the cultural and social needs of the district.

Its small, dedicated team innovates and engages people in the area in ways that have seen the museum recognised for good practice, by winning awards and being featured in magazine articles, as well via the enthusiastic responses from its visitors.

Hosted by the Mansfield 2020 business development group, the 2020 annual business awards acknowledge and reward the achievement of local businesses that have shown entrepreneurial and enterprising fortitude, whilst recognising their contribution to the economic development of the county.

### Reading Chain

**Wednesday 22nd June 10.30 - 11.30 am**

A Reading Chain is made up of people who enjoy reading and want to share their favourite reads with others as well as trying something new.

All the books come from the library so it costs the reader nothing. They are exchanged 'round robin' style and is a good way of extending your reading and finding new authors.

If you are interested and would like to find out more why not come along, have a coffee or tea and join the next reading chain.

### Book Delivery

Do you, or anyone you know, enjoy reading but can no longer visit the library?

We can bring books, available in large print or as spoken word, to your home on a fortnightly basis free-of-charge. To find out more contact Warsop Library and speak to a member of staff.

# Staff remembered at Workers' Memorial Day

**On Thursday 28 April Mansfield District Council held a minute's silence at the Civic Centre to mark Workers' Memorial Day.**

The purpose of the annual memorial day is to "remember the dead: fight for the living", to remember all those killed through work and to ensure such tragedies are not repeated.

Staff safety is of paramount importance to the council. Systems in place include; regime of Health and Safety Tours, Safety Representative meetings, and Health and Safety Committee meetings to enable employees, management and elected members to address issues or concerns.

The recognised trade unions at the council are GMB, Unison and UCATT and are there to represent employees.

These unions along with the council's Health and Safety team held information stands in the mall and gave away purple remembrance ribbons. There was also a raffle where £125 was raised for Families Against Corporate Killing (FACK).

A poignant poem was read out by two members of the Corporate Leadership Team; Mike Robinson and Jacqueline Collins, followed by a minute's silent. Jacqueline Collins said: "We strive to create a safe working environment for all and work hard to develop Health and Safety procedures. We aim for a strong Health and Safety culture throughout the organisation and are proactive in workplace wellbeing."

Our now ex Musical Director Sarah wrote to the Choir that with deep regret she had made the difficult decision to step down as Musical Director of the Dukeries Singers due to her many commitments. She is a very busy lady and sadly she felt she was unable to dedicate the time she thought the Choir deserves and needs.

She has skilfully led us for six wonderful years and the Choir loves her dearly and understands her decision. We all wish her every success and happiness in all aspects of her life. We shall take a close interest in her future, she was such an inspiration to us.

However, we are most fortunate that Sarah introduced to us Ashley Williams, of whom I wrote last month. He is an extremely knowledgeable and enthusiastic musician who has agreed, and is indeed keen, to be our new Musical Director. I am sure he will keep the Choir moving forward with great skill and energy, we always aim to improve our performances and work hard at rehearsal to achieve this.

He has already skilfully steered us through two excellent Concerts. We enjoyed singing for the St. George's Day celebrations in Ollerton, complete with patriotic flags! We also performed a most successful Joint Concert with The Dukeries Community Band led by Malcolm Bevan. It was a pleasure to perform alongside such skilful musicians.

Our upcoming Concerts are:

**Saturday 18th June 2016**

The Edwinstowe Summer Concert at Edwinstowe Village Hall 7-00pm. This is a very popular event and tickets are available from Choir members or from Jan at 01623 823416

**Saturday 25th June 2016**

At Milton Mausoleum nr. Walesby at 7-00pm. Do not be put off by the name of the place, we are looking forward to performing in this new to us venue.

If you would like to book us for your next fund raising or celebratory event please contact our Concert Secretary Phil on 01623 822070 he would be delighted to speak to you.

If you would like to sing with us come to any rehearsal and give us a try. There are no auditions and no necessity to read music. We practise every Wednesday from 7-30pm. until 9-30pm. above the Concert Hall at the Dukeries Academy. This is accessed by the Leisure Centre entrance and car park.

Singing with a group of like minded people is a socially, happy and healthy activity. I don't know if it's one of your 5 a day, but it ought to be!

All our details are on our website at [www.thedukeriesingers.com](http://www.thedukeriesingers.com)

Have a lovely early Summer
