

The Future of the Carrs

A new management plan has been created for Warsop Parish's favoured beauty spot. The plan, which is currently in its draft report stage, sets out the district council's vision for the management of The Carrs up to the year 2020.

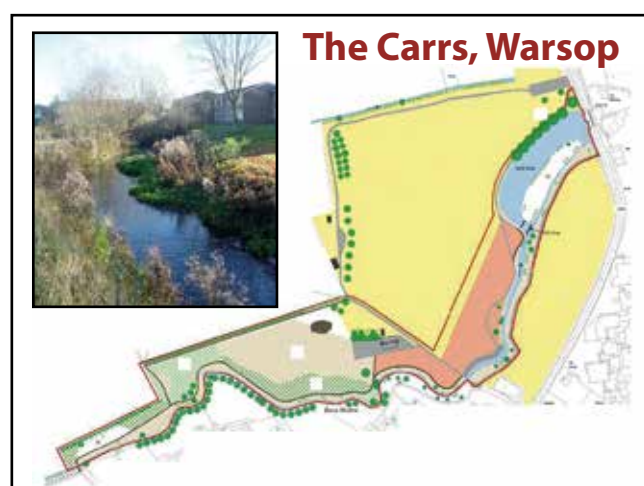

The report has been produced for Mansfield District Council by EMEC Ecology and uses Natural England's definition of The Carrs as being an 'urban fringe site with wet deciduous woodland, scrub, grassland and pond habitats along the River Meden...' but to many local residents, it is simply The Carrs, home to the mill dam or mill pond and the annual carnival.

The report acknowledges the importance of the position of The Carrs from a wildlife point of view: The Carrs is potentially the middle link in a chain of nature reserves extending down the river Meden, with the Bottoms (*Local Nature Reserve*) at Meden Vale, approximately 800m to the northeast, and Sookholme Hills and Holes (*Site of Special Scientific Interest*) about 500m to the west. The River Meden connects all three sites, providing a wildlife corridor. There are a number of nearby woodlands that adjoin the site often connected to The Carrs by field boundaries (*hedgerows*).

However, it also acknowledges the use of the area by residents: The Carrs provides for a wide range of leisure and conservation uses – informal activities such as: walking, dog walking, picnicking and play. The open space allows a number of sports to be played due to the large expanse of open space available. There is opportunity for a wide range of educational activities focused around natural history, the arts, local history and geology.

A survey in 2013 identified approximately 48,000 visitors attended the park throughout the year; this is an increase of approximately 5,000 since 2010. The Carrs is the home to the annual Warsop Carnival which boasts attendances in excess of 8,000. The carnival is managed by the Warsop Carnival Committee, which is responsible for the arrangements of the event throughout the year.

The Carrs, situated close to the local Church and with excellent views of the willows and pond, is probably one of the most photographed open spaces in the district. Wedding photos taken on The Carrs are widely posted on websites which in turn provides an excellent advertisement of The Carrs itself.

The report explains in detail the types of flora and fauna that can be found in the area. It also has detailed sections about the management structure of the District Council, who are ultimately responsible for the management of the area and hints at the partnership that exists between the council and The Friends of the Carrs: It is envisaged that through supporting the Friends of The Carrs and other voluntary groups, the authority will be able to bring the local community into the management and running of the park.

The report is a suggestive management plan and ultimately it is up to Mansfield District Council to action it.

Along with The Friends of the Carrs and local Parish Councillors, Mansfield District Council are currently working towards obtaining Green Flag status for our much loved park.

The report recommends the following 11 key management objectives:

1. River Meden, Mill Dam & Riverside Path Edges: Appropriate management and enhancement of marginal vegetation. Management of silt levels at 'Silt Trap'.
2. Mill Dam Island: Maintain and enhance the open habitat of the 'Mill Dam Island' as a secure wildlife refuge.
3. Grasslands: Enhance the structural and floristic diversity of particular grasslands and grassland/ruderal mosaics through sensitive management and further sowing and planting. These areas include 'Top Meadow', 'Medenside Meadow', 'Riverside Path Edges' and 'Bottom Meadow'.
4. Woodland, Scrub & Scattered Trees: Enhance the woodland and dense scrub areas ('Willow Carr Scrub', 'West Willow Carr Wood' & 'East Willow Carr Wood') to encourage the healthy growth of trees and create a mosaic of woodland habitats. Manage individual trees along the river banks e.g 'Seven Weeping Willow Trees' & 'Riverside Trees'.
5. Wetland Area: Reduce the level (by at least 2m) of the 'Mound' by landscaping. This will allow a diversity of wetland plant species to thrive in this location once again. The area can be enhanced and the process of 'vegetation establishment' speeded up by additional planting of appropriate wetland plant species.
6. Hedgerows: Maintain and enhance the hedgerows ('Bottom Path Hedge', 'Top Path Hedge', 'Field Hedge' & 'Ditch Hedge') through appropriate management and 'gapping-up'.
7. Dipping Pond: Enhance the new 'Dipping Pond' to create an area for education for use by local schools and families. Install a 'dipping platform'.
8. Supplementary Habitat for Faunal Species: Install bird nest boxes and bat roost boxes to increase the value of the site for faunal species.
9. Local Community and Visitors: Ensure paths are maintained. Ensure the site is free of litter and vandalism. Update existing interpretation boards.
10. Monitoring: Monitor the effects of management on flora and fauna.
11. Legal Obligations: Fulfil all legal obligations.

PLEASE NOTE Copy deadline for the April 2016 issue is: **Monday 7th March 2016**
Anything received after this date may not be included.

or for further information telephone: 01623 846011

Where is this year racing to? We're already running the Easter edition of the paper.

If it is nearly Easter then we must surely be heading towards the warmer weather of spring. Although, at the time of writing this, there is a heavy frost and a light sprinkling of snow on the ground.

What's the hot topics in Warsop of late? There has been much talk recently of 'The Local Plan' which featured on the front page of last month's issue. By now the consultation period will have closed and hopefully you've had chance to get your comments submitted. The Parish Council of Warsop will be supporting what the majority of residents want should any future developments come out from the Local Plan once it is accepted by Mansfield District Council.

Separate to this, a draft management plan has been developed for The Carrs - see the front page.

Promote Your Business by Advertising in **Warsop** & District News

The best way to reach local people and promote your business is to advertise locally. Warsop & District News is one of the largest free local publications in the area.

**6,000 papers are printed
and distributed every month.**

Approx 5,700 are delivered to every household and business in the Parish of Warsop, the rest are distributed in the library, Town Hall, health centres, dentist, care homes, Meden Vale Charity shop and Cuckney shop.

At a fraction of the cost of some other well known publications you not only reach your target audience but get value for money too.

Rates are as follows:

Run of paper Ads are charged at £6.00 per column cm. Columns are 8.5cm wide (eg. monthly advertising cost for an 8.5 x 4cm = £24.00)

For in-house designed artwork please add £1 per column cm (eg. for an 8.5cm x 4cm Ad add £4 - this is a one off charge for the design or re-design of your Ad)

Size	Cost	Artwork
¼ page	£95.00	£5.00
½ page	£170.00	£10.00
Full page	£290.00	FREE

With rates like these you can't afford not to!
To book your space or for further details contact:

Amanda Cooper

Acting Clerk to the Parish Council

Warsop Parish Council,
Church Street, Market Warsop,
Nottinghamshire NG20 0AL

Tel: 01623 846011

GARDENING MONTHLY...

General tasks and garden maintenance

Frosts can still be a hazard, so keep vulnerable plants protected at night if frost is forecast. March winds are also notorious for their ferocity so check exposed plants are well supported.

Now is the time for a thorough spring clean; weed and dig over your borders incorporating as much organic matter as you can - those chilly winds will really help to dry out the soil. Mulch bare soil once you have done the work and remove moss and weeds from paths, terraces and driveways. They may be boring tasks but if you don't get on top of the garden now (especially the weeds!) it will be a nightmare for the rest of the season.

Make new beds and borders - mark the shape with sand trickled from a bottle, remove the top layer of growing vegetation and dig the ground over, incorporating as much organic matter as possible. If you are making a bed in the lawn, remove the turf and stack it upside down somewhere out of the way - after a year or two it will rot down into fantastic compost. Alternatively chop it up and bury upside down in the planting hole a good spade's depth down. Beware - if you just dig it in the buried grass will regrow and regrow and regrow and...

Clean and repair your garden tools, book the lawn mower in for a service and check garden furniture for any rot. When it is warm enough, treat sheds, fences and trellis with wood preservative; brushes and rollers are fine for most things, however a sprayer is well worth buying for tricky projects such as woven panels!

Birds

Do keep on feeding the birds - they become accustomed to regular food supplies and it's a real treat to see wild birds visiting the garden. For avid bird watchers, we stock a great range of bird houses and feeding stations as well as bird food - a wonderful idea for Mother's Day!

Lawns

If it is very wet keep off the lawn as much as possible - damage to waterlogged lawns is easily inflicted and irritatingly hard to rectify. When the weather improves and the lawn has had a chance to dry out, give it a first cut with the blades on the highest setting - don't be tempted if conditions are wet! Reseed bare patches, neaten the edges with a half moon cutter or spade and remove molehills and wormcasts. If you are planning a new lawn, start preparing the ground for seeding or laying turf. Ask for advice in your local garden centre if you are unsure of how to begin.

Trees, shrubs and climbers

Plant and move evergreen shrubs, conifers and trees and remember to water them well until firmly rooted in. Plant evergreen hedges such as laurel, yew and box and again keep them well watered in dry spells. A good soak once a week is better than superficial watering on a regular basis.

Feed woody plants with general purpose fertiliser - this applies to roses, trees, climbers, hedges and shrubs.

Feed acid loving plants such as camellias and rhododendrons with ericaceous feed if you are on neutral or alkaline soil. A dose of sequestered iron also helps prevent the leaves turning yellow. (Tip - mulch regularly with fresh or composted pine needles. This can acidify the ground slightly.)

Finish pruning your roses and start spraying them with fungicide to ward against black spot and mildew. Repeat every fortnight until the autumn. Remember that if an infection sets in, all the stricken leaves must be burnt - do not leave them on the compost heap as this will become the perfect incubation site.

Prune hydrangeas - do not remove stems with a bud at the top, but snip off old stems bearing deadheads to just above the topmost healthy bud and remove weak shoots altogether from the base. With established plants, remove some of the older shoots right down to the base - this will keep the plant compact. The latter also applies to forsythia (prune once it has finished flowering by cutting back flowered shoots down to a new shoot further down - all the new growth this season will flower next year) and to flowering currants (Ribes).

Vegetables

Many vegetable crops can be sown this month - wait until the weather turns warmer, check the instructions on the seed packets and plant away! Broad beans, early peas, carrots, lettuces, spinach, salad leaves, leeks and chard are just a few ideas to get your healthy, cheap and home-grown food underway!

Plant Jerusalem artichoke tubers - bury them 1" deep and 12-18" apart - but remember they spread like wildfire unless you dig up every last one at harvest time. Plant shallots, garlic and onion sets as well as asparagus crowns in friable, well-drained soil. Harvest the last leeks, Brussels sprouts, sprouting broccoli and cabbages.

WARSOP

Footpath & Countryside Group

The crazy weather of recent months make any predictions about what we may expect to see in the countryside this March very unreliable. Last year, the first leaves opened on hawthorn hedges during March as usual, in 2016 some were open in the middle of January!

If events have reverted to their normal timing we should now be seeing woodland flowers appearing in shaded areas. Dog's Mercury, Lesser Celandine, Dog Violets and Wood Anemone should be brightening our woodlands and hedgerows. The first grassland species should also be flowering, look out for Speedwell and both Red and White Dead-Nettles will have been blooming for a while by now. Watch out for a yellow Brimstone butterfly, it is usually one of the first to appear each year.

Frogs will be starting to mate around now, you may hear them before you see them. Frogs have been having a hard time recently so how about creating a wildlife pond to see if you can help them? They could pay you back by helping deal with your slug problem.

Many people who care about our local countryside are very concerned about the impact on the Hills & Holes and on Sookholme Lane of the proposals in the Mansfield Local Plan. Warsop Footpaths & Countryside Group have responded to the draft plan highlighting several issues related to the designation of building development land up to the boundary of the Hills & Holes and alongside the lane.

We have raised issues relating to potential harm from the spread of garden plant species, interaction of domestic pets with wildlife and dumping of rubbish due to building close to the boundary of the Site of Special Scientific Interest. This site is protected and its description from Natural England states "The site contains some of the finest remaining limestone and base-rich flush plant communities in Nottinghamshire and is of Regional importance". Sookholme Lane is an ancient route lined with a very old hedge on the northern side on the Warsop side of Hammerwater Bridge. This section of hedgerow contains at least 13 species of tree and shrub, suggesting an age of over a thousand years. Building opposite this hedgerow or an increase in traffic would cause irreparable damage to a significant part of our heritage.

Last month, I commented on a flooded area adjoining the River Meden. This area is 50 metres from the edge of the proposed housing land. The meadows of the Hills & Holes regularly flood following heavy rainfall, preventing flood risk further downstream. Any development that impacts on the ability of adjoining land to absorb water could cause major problems.

We have also highlighted that the river corridor is important for wildlife habitat connectivity and is an important contribution to the sense of wellbeing for local residents and visitors. The River Meden also marked the boundary of Sherwood Forest for many centuries. The council's vision does not give this landscape the recognition it deserves and ignores its potential for increasing the number of visitors to Warsop with the associated benefits for local businesses.

Our next group walk should be on Saturday 19th March with the destination still to be decided. We usually meet at 10am outside Warsop Library but the date and time may change so get in touch if to confirm details if you would like to join us.

Buggyfit Classes

It's not just a walk in the park

Buggy classes which are held at Sherwood Pines are designed to help mums get back into shape after their new arrival as well as to enjoy a walk through the woods to help burn calories.

A fun, fitness class for mums and babies.

The classes run every Friday from 1.30pm - 2.30pm.
The cost is £3 a class or only £2 with Discovery Pass.

Mums should book on 01623 822447

Best Kept Garden Competition 2016

An exciting new competition has been launched by Mansfield District Council to find the best kept garden and best school garden in the district.

The competition is open to all residents and schools and there will be cash prizes for the top three entries in each of the two categories - Best Kept Garden (front, back or combined) and Best School Garden.

Judging will take place from 18 July to 12 August 2016 and results will be announced in late August. Winners will be invited to the Mansfield BID Garden Festival held in early September for the presentation of certificates and prizes.

The judges will be looking at the following criteria:

- Overall design and appearance
- Choice and quality of plants to give all year round interest
- Health of plants
- Cleanliness and tidiness of the garden
- Lack of weeds
- Plants that attract birds and insects
- Water conservation (mulch, ground cover and water recycling)
- Evidence of environmentally friendly gardening techniques

To enter the competition, fill in an entry form, which is available at the Civic Centre, or online at www.mansfield.gov.uk/bestkeptgarden. All completed forms must be returned no later than 1 July 2016.

Cllr Andrew Tristram, Portfolio Holder for the Environment at Mansfield District Council, said: "We are hoping for a blooming response from the green-fingered gardeners of Mansfield. This competition is designed to get residents and schools outside and into their gardens to create an attractive and environmentally-friendly space that enhances the area and supports wildlife. Gardening also has the added benefits of reducing stress and improving fitness."

"We hope this competition will not only appeal to experienced gardeners, but will encourage new gardeners to take up the challenge."

Hearing Aid Clinic

2016 Hearing Aid Drop in Clinic

If you require:

- **New batteries**
- **New ear mould tubing**
- **Advice on equipment**
- **Advice on how to use and clean your hearing aids**
- **Information on hearing loss and all the services that can help you**
- **Opportunity to meet others**

Then come along to our planned Hearing aid clinic at:

WARSOP UK ONLINE CENTRE LOCATED IN WARSOP TOWN HALL

Run by WARSOP INFOTECH GROUP

Infotech Student Information

Introduction 2 Computer Skills

This course is for a beginner who wants to learn basic skills on a computer. You will cover different aspects of computing. No previous knowledge needed, learn at your own pace.

Card Making Next Steps

Learn how to Design make Fabulous Handmade card making using Cri-cut machine (as seen on tv) and photo shop to enhance your designs whilst still using some of the older skills such as Invert-age piro-mage, quilling, toppers and other design options.

Improve Your Computer Skills Workshop (am)

This course will improve your skills in word processing, spread sheets databases PowerPoint, presentations and desktop publishing as well as internet and using e-mail and adding attachments.

Improve Your Computer skills workshop (pm)

This Course will show you how to put a professional looking document, Spread sheet, database or power point presentation together and improve your general IT skills along the way.

Computer Skills for Employment

In this Workshop, you can increase your skills in software applications to complete and manage documents to the standards necessary for CLAIT; this is a national Qualification very relevant to the workplace.

Patchwork & Quilting

Learn the sewing skills and create a one of a kind patchwork quilt either for yourself, a friend or family member you never know you may be able to start your own cottage industry. Using your new found skills.

Introduction 2 Sign Language

On this course you will learn basic hand signs as well ideal if you are or want to work in care profession or as a support worker in the community, *Please note waiting further information from Tutor.

Spanish Beginners

This course will introduce you to the Spanish language using everyday words for everyday items like milk (leche) sugar – azúcar. Our Tutor is Maira Cortez who has been teaching here for several years and is highly respected by all her students.

Spanish Next Steps

Continue to learn how to speak Spanish Maira our very own Spanish speaking tutor from Guatemala no need to be afraid Work at your own speed in a relaxed safe environment.

Spanish Advanced

This course is for learners who have been speaking Spanish for a while or have previously done the above courses either at this venue or elsewhere.

Family History Workshop

Learn how to trace your family History using the internet and CD's, how to produce certificates using publisher and build your family tree. It maybe you are new to family history and do not know where to start or look for information.

Using Digital Camera's Improvers

This class is for both beginners and people with a varying range of experience in I.T. that might be thinking of getting a digital camera and would like to learn how to use it.

As the title suggests, this class will show you how to take a good quality photo then how to edit & save and how to produce the perfect printed photograph. Learners can use their own cameras.

Intro to Dress Making Part 2

Learn the tips & tricks to create beautiful garments, we are going to make samples of your work using step by step instruction sheets. This course will teach you the basics of using sewing machines showing different techniques to seam and hem garments adding pleats frilling and inserting a zip

Mosaic Glass - Tile Craft

Have fun with this rewarding craft activity of mosaic glass / tiles learning different techniques finding out about background to mosaics and be inspired by art works to practice their skills and create your own creative project and be proud of this new skill you have learnt.

Tablet Technology

Learn how to connect to free WIFI networks whilst out and about:

- What is the CLOUD
- Why is GOOGLE MAPS so incredible
- Take all your KINDLE books with you on your tablet
- Is there an APP for that - over 1 Million apps available for your tablet today
- Adding security & Printers
- How to use Twitter, Facebook, Skype, e-bay, Amazon and Wordpress
- Catch up TV services and ONLINE movie service

Introduction Getting to Know

Windows 8 & Windows 8 Improvers

Learn how to use your new windows 8 Computer or Laptop on this course you will learn the essentials on how to keep yourself safe whilst using windows 8 learn how to install programs such as anti-virus spyware and software for your printer, camera and mobile phone.

Council Welcomes 'Satisfaction with Life' Survey Results

Mansfield District Council has welcomed the findings of a new report which shows that people in the district are among the most satisfied in England.

The Office for National Statistics has released new figures which reveal happiness, anxiety and satisfaction levels and where in the country people feel their lives are most or least worthwhile.

In the table for being most satisfied with their lives, Mansfield came in as third best place in England.

Asked to rate their overall life satisfaction out of 10, 32.3% of people in the district gave themselves a nine or ten - just behind the leaders Cornwall (33.3%) and Cumbria (33.2%).

Languishing at the bottom of the satisfaction table were the London Borough of Camden (16.7%) followed by Wolverhampton (16.9%).

Executive Mayor of Mansfield Kate Allsop said:

"We've always known Mansfield is a great place to live and it is wonderful that the we have come third in this survey."

"However, there is always more to be done and we are constantly working on ways to improve the lives of people in this area."

Overall, the largest proportion of happy people in England are living in Mid Sussex, while the smallest number of happy people live in Wolverhampton, according to the statistics.

Data was collected over three years and was used to measure the well-being of more than 300,000 people across the UK.

Mansfield and Ashfield in Search for Recruits for Graduate Scheme

Talented young people are being urged to join a Nottinghamshire programme that is helping boost opportunities and retain local skills.

The appeal comes from Ashfield and Mansfield District Councils, who are looking for graduates and undergraduates to take up paid placements offered by both councils as well as local businesses.

The programme, jointly funded by Nottinghamshire County Council, links recent university graduates, or undergraduates, with projects relevant to their studies to undertake a fixed term placement in order to work on a specific project related to the individuals' skills and experience.

Many local graduates and undergraduates have already benefited from the programme with permanent job success stories being the outcome.

Cllr Dave Saunders, Portfolio Holder for Regeneration, said:

"The Graduates into Enterprise Programme has proved to be a real asset to local businesses who are seeing an improvement in their performance and ultimately the bottom line as a result of the work these highly skilled young people are doing for them."

Cllr Don Davis, Deputy Leader of Ashfield District Council, added: "The whole aim of the scheme is to help our local business community to improve their competitiveness by harnessing local talent and ensuring we attract and retain high calibre employees in the Ashfield and Mansfield districts.

"From the testimonials received so far from local employers I would urge our business leaders to take advantage of the funding available whilst we have it."

Cllr Diane Meale, Chair of Nottinghamshire County Council's Economic Development Committee, said: "Our programme makes sense for young people and local businesses. It helps us to retain local, home-grown talent in Nottinghamshire to help local businesses expand and gives young people a foothold on the career ladder."

Any businesses that feel they could benefit from this programme should get in touch with the Graduates into Enterprise Team, who will discuss your project requirements with you and endeavour to identify and recruit the right graduate with the right skills for the job.

The Graduates into Enterprise Programme is jointly funded by Nottinghamshire County Council and Ashfield and Mansfield District Councils.

For more information on the programme, email the Ashfield and Mansfield Shared Regeneration Service at graduates@mansfield.gov.uk or visit www.mansfield.gov.uk/graduates.

Meden Vale Rugby Club

Ollerton 12 - Meden Vale 14

On a wet and windy afternoon, Meden Vale travelled to Ollerton to play the semi-final of the NLD vase. This was a day when the 2-form sides in the league met for the second time this season.

Ollerton are top of the league winning 12 from 12 and vale are unbeaten in 7 and scoring over 300 points during this fine run of form.

This was a fascinating contest pitching the power of the vale pack against the pace of the Ollerton backs and what ensued was a tough cagey affair that lived up to the pre-match expectation.

The first half was fairly even with Ollerton possibly just edging the possession and territory mainly because of Vales inability to string more than a couple of phases together and becoming bogged down and pegged back by silly mistakes. Ollerton capitalised on these mistakes and opened the scoring with a good try from the scrum half. 7-0

Vale made a change after 30 minutes, in order to instill some calm and control into the Vale pack by the introduction of veteran Chris Lee. Vale made ground up-field and a super catch and drive from a line-out led to Danny D crossing for Vales first try of the afternoon which Ricky Geeson converted. 7-7

The second half got underway and vale gained the initiative through driving mauls created by the forwards. The Ollerton forwards collapsed the maul all afternoon which never seemed to be penalised apart from on one important occasion when vale were awarded a penalty try and took the lead 7-14.

Ollerton came back strongly but some resolute defence by the Vale backline and in particular Ashley Davies kept the their backs at bay as they exerted press for several minutes of the half. The game ebbed and flowed as each team weathered their particular storm until Ollerton came back to within touching distance with a try in the corner that they failed to convert. 12-14

As the game entered the final 10 minutes, vales forward dominance kept the play in the Ollerton half. Vale played the clock down and Ollerton were restricted to trying to break through a strong Vale defence from their own half.

With 3 minutes remaining, Vale were awarded a kickable penalty and Captain Brad Rhodes decided to kick for the corner and keep the pressure on the Ollerton forwards. This proved to be the correct decision as Vale closed out the game by snuffing out one last attack and sealing their place in the final of the NLD vase.

Saturday's game was difficult for all involved not least to those who didn't manage to get on the pitch. Difficult decisions had to be made and those affected reacted admirably by voicing concerns after the match and maintaining support for those on the pitch throughout.

A few Special mentions:

- Brad Rhodes led with the passion and commitment that we have come to expect.
- Danny D topped off a fine performance with a well worked try.
- Dan Gray marshalled the back line superbly and was ably assisted by all of the backs.
- Man of the match was Johnny Chick who tackled everything that moved and never stopped running.

This is a squad game and this squad of ours marches on, still fighting on 3 fronts! We could still win the league if results go our way, we are in the semi-final of the Notts Vase and we have a trip to the Final of the NLD Vase...

We are Vale!

Welbeck Welfare FC - One Year Later

Just over a year ago I found it necessary to write an article which I was very humbled to see printed word for word in the Warsop News.

In that article, I emphasised the need for help with new volunteers coming on board to ensure that our Football Club continues its growth.

I am very pleased to advise you that my pleas were heard and during the last few months there has been a huge upturn in volunteer participation which in turn has led to a massive increase in player participation.

There have been lots of sleepless nights – not only for myself but for others within the Football Club to ensure that we don't stray from our Club Constitution – but I'm pleased to report that it has been all worth while.

Following the Football Club's Annual General Meeting in August we have a new Chairman (Chris Hufton), a new Vice Chairman (Paul King), a new Treasurer (Lorraine Glover) and a new Assistant Secretary/Admin. Officer (Caren Hufton). All have settled well in their posts and are working around the clock to maintain the steady growth of the Club both on and off the field of play. All of the newly appointed Officers reside in Meden Vale and so are fully aware of what Warsop and its surrounding villages can offer from a community point of view.

Last summer saw over 60 new players join our Club from 7 years of age upwards and in a few weeks, a further recruitment campaign will get underway to hopefully take the participating numbers over the 200 mark.

Sadly, the demise of the Welfare building in Meden Vale came as a shock to us all when it was demolished last April but this has made our resolve even stronger to ensure our own purpose built

Clubhouse can continue to be the home of the Football Club. We still have room to welcome on board more volunteers to help out on our home match days on both Saturdays and Sundays and for 'would be' coaches to help run our increasing number of teams at the Club.

The introduction of our 'SOCCER TOTS' fun sessions on Saturday mornings from early February onwards are a fine opportunity for both coaches and children to be introduced to the exciting world of football. This is FUN FOOTY for 4 to 7 year olds and is intended to let children's first soccer experience be a great one. This is due to start in mid-February and information will be distributed through local schools.

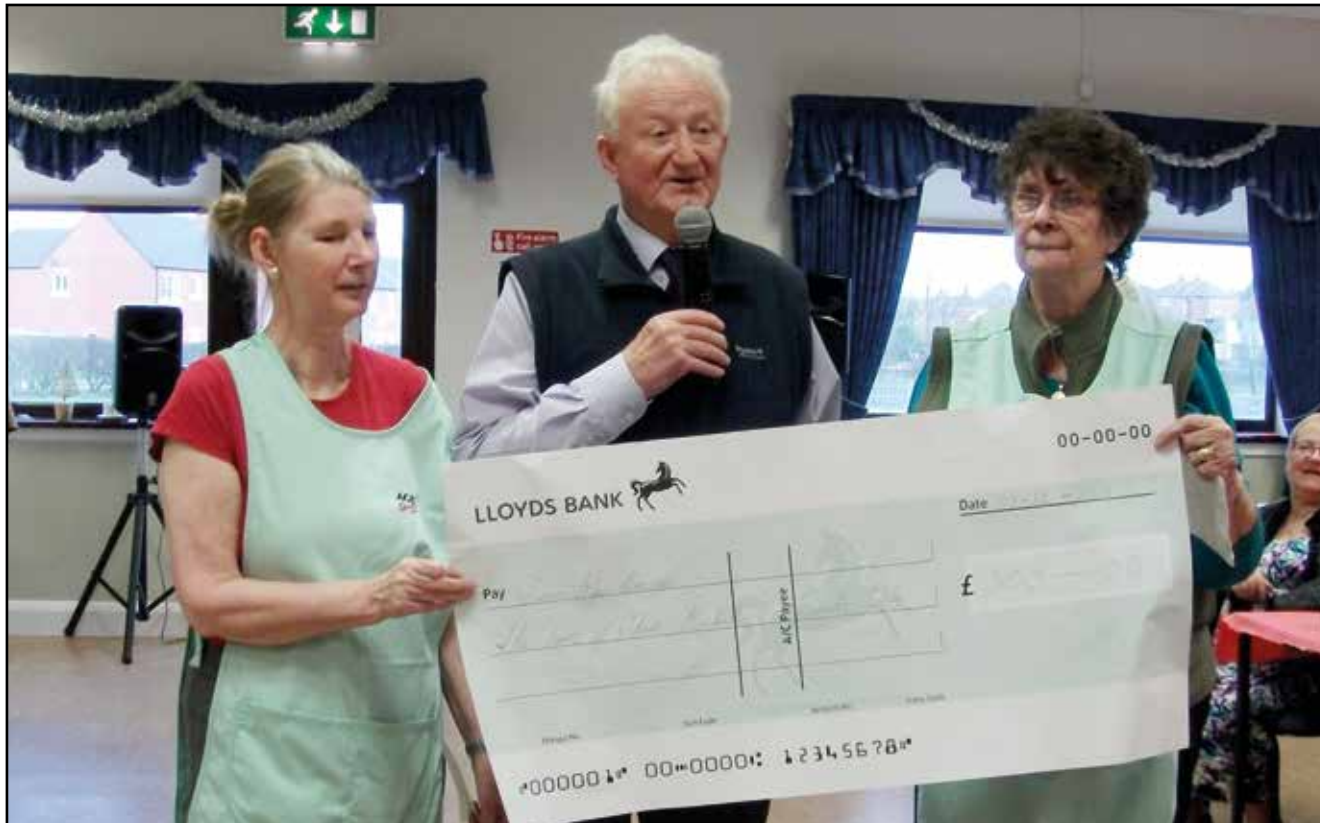

We also plan to organise several one day festivals at our Elkesley Road ground and a girl's football Tournament during the summer.

The Football Club will celebrate 40 years since its formation in 1976 and we hope to mark the occasion with a special event to recognise the Club's achievements during that time.

So I hope that you will agree that progress has been made on all fronts and as I draw nearer qualifying for my State Pension, the Club has a good legacy and is in a far better position than it was 12 months ago. Here's to 2016 being even better!

If you wish to discuss any point discussed in this article please ring Graham Hall (Club Secretary) or Chris Hufton (Club Chairman) on 07549 400786 or Caren Hufton (Asst. Secretary) on 07549 400785.

Graham Hall. (now just Club Secretary !)

Hogmany Bags Cheque Presentation

At the annual Age Concern Christmas dinner, held at the Oaklands centre, the Chairman Mr John Allin was presented with a cheque for £300 pounds.

Mrs Betty Dennis, a long serving volunteer of Age Concern, raised the money by making Hogmany bags.

The bags consist of a Tartan material bag containing a lump of coal, a bottle of whisky, a piece of Scottish shortbread, and a coin.

On the label is printed The Hogmany Poem opposite.

Sadly Betty was ill in Hospital and could not present the cheque herself. Mrs Sandra Taylor (vice chair) and Mrs Mary Bailey (volunteer) did the honours on her behalf.

Age Concern is very thankful to Betty for all the work she does for the charity.

*The Spirit of Hogmany
May you always have
Warmth in your home
Food on your table
And money in your pocket.*

Age Concern Christmas Dinner

On Wednesday 9th December, Age Concern Warsop & District held their annual Christmas dinner for the pensioners of the parish at the usual venue of The Oaklands centre, Warsop.

The meal this year consisted of a Roast Pork dinner, Christmas pudding, followed by Mince pies and a glass of sherry.

As they arrived, they were given a free raffle ticket and a cup of tea or coffee. During the afternoon, they were entertained by Mr Ian Gittings who played and sang popular songs which were enjoyed by all.

Everyone who attended received a meat voucher to spend at Mike Malloney's Butchers.

Mr John Allin, chairman of AGE CONCERN thanked everyone for their attendance and thanked all the volunteers for their hard work in making this dinner possible. He also thanked the volunteers for their time and dedication throughout the year, working in the AGE CONCERN HOUSE, 14 High St and the charity shop on Burns Lane.

The house is open Mon - Frid 9 till 12. and the charity shop is open Mon - Frid 9 till 3. Please come in and help raise funds for our work in helping the pensioners of Warsop.

Green Light for Market Transformation Project

Work has begun on transforming Mansfield Market after a decision on Friday 29th January that gave a green light for the £100,000 regeneration project.

The new-look market will be launched in April after Mansfield District Council's Portfolio Holder for Corporate Services Councillor Stewart Rickersey made the final executive decision to proceed.

Extra consultation was carried out after his original decision taken on 20 November was "called in" by Labour councillors, which resulted in two further reports.

The council's Select Commission 2 considered the reports and concluded that Councillor Rickersey's decision was appropriate and reasonable.

Cllr Rickersey said: "The time for thinking and talking is over. Mayor Allsop and her cabinet have given their support and I firmly believe that this project is in the best interest of the town. "We are brave enough to see this through and make radical changes to the way Mansfield Market operates for the long term benefit of customers, residents and the traders themselves.

"We are putting Mansfield Market at the heart of our town centre, improving the visitor experience and driving up quality and consumer choice. These are all important aspects in a successful retail environment.

"I am certain that the majority of traders will soon see that this is change for the better and that their businesses will thrive." Council staff are working to make immediate changes and from the week commencing 4 April, one market will operate in the town centre.

Westgate stalls will be relocated to the Market Place to create a focal point for footfall and encourage stall browsing. Some infrastructure changes will be made to allow for more room in the market square.

Monday markets will no longer operate, however Tuesday will become a full market day, giving stallholders the opportunity to switch trading days. Sundays will be home to car boot sales, events and special markets.

The market stalls will be adapted, refurbished or replaced where needed and all will have new canopies, signs and optional posters. The council will also be investing in marquee style stalls for entertainment and events.

An enhanced food area is integral to the new layout of the market along with a designated entertainment area in front of the Town Hall. A promotional plan for the market includes live entertainment from famous Covent Garden acts, supported by local performers. Around £20,000 has been committed to awareness raising and encouraging day visits.

There will be a focus on encouraging new products to Mansfield through the introduction of rent-free incubation units, business support and access to the council's apprenticeship grant scheme. The quality of produce will be at the heart of the revamp with the council reaffirming its sign-up to the Nottinghamshire wide Real Deal scheme supported by Nottinghamshire County Council and Trading Standards. The council's community safety department will also be stepping up their presence to carry-out a zero tolerance approach to antisocial behaviour around Mansfield Market.

"Mansfield market will be safe, welcoming and inviting for shoppers. We will not have drinking, cycling and general bad behaviour in that area. I'll be looking to our street wardens to play an important role in this," said Cllr Rickersey.

The highlight of the launch will be on Saturday 9 April when the town will have its first Covent Garden day with live performances and street entertainers.

Local performers interested in showcasing their talent or traders looking to take up a market stall should contact markets@mansfield.gov.uk or call 01623 463818.

The Friends of Thynghowe

Thynghowe and the forgotten heritage of Sherwood

It was good to see so many people joining us for the first workshop session of our Vikings of Sherwood project where we discussed maps of Sherwood covering a period of over 400 years. This level of interest in the heritage of our part of the Forest is very pleasing.

Planning is progressing well for our big King Canute themed re-enactment event at Sherwood Pines over the weekend on 14th and 15th May. Thanks to gaining sponsorship, we expect that the Regia Anglorum group will be able to bring their replica Viking longship to this annual 'Spring Thing' event.

Before the Spring Thing weekend, we will be busy with the archaeological investigation of Thynghowe and celebrations to mark the 200th anniversary of the 1816 perambulation of the Manor of Warsop. More news about these events next month.

The 'Spring Thing' re-enactment is just one of the ways that the Friends of Thynghowe share stories of the past of Sherwood Forest with people in our local communities. Therefore, we are concerned to read the proposal included in the draft local plan for Mansfield to designate an area close to the ancient Forest boundary as building development land. The ancient boundary of Sherwood Forest followed the River Meden as documented in perambulation accounts dating from between the 13th century and 1662.

The stretch through Warsop is one of the few sections of this boundary that the public can access and parts of the river flowing through the Hills and Holes Site of Scientific Interest lie within 50 metres of the proposed development land. Any development would have an impact on an area that is important for both its historical and natural heritage. The vision contained in the District Plan does not fully acknowledge the significance of the heritage of the wider Mansfield district, particularly relating to its place in the Sherwood Forest landscape.

You can find out about our activities from our website and Facebook page and you can email us on thynghowe@warsopweb.co.uk or contact us by phone on 846281.

The Vikings of Sherwood project is supported by the National Lottery through the Heritage Lottery Fund.

If you would like information about how to book a place on the first four events or have any questions please email The Friends of Thynghowe on thynghowe@warsopweb.co.uk or phone 01623 846281

For more information about Thynghowe and how to join in check out the Thynghowe Facebook page for our latest news or visit our website for details of our research.

Warsop Inner Wheel

International Report for Warsop Inner Wheel Club Meeting - Wednesday 3rd February 2016

Christine Fretwell was pleased to report on holding a knit and natter on 3rd February and 14 members compiled 17 Baby Bundles and 43 Joy Bags as well as sorting out jewellery, clothes etc and cutting stamps.

Thank you to everyone who helped and supported this, your contributions are very much appreciated. The goods were taken to Notts Police Aide CONVOY NPAC the following morning and there are a total of 34 bags plus three sewing machines.

The Fretwell Centre has been booked for an Easter Coffee Morning on Thursday 17th March 10.30 - 12.30 pm. Tickets are £3 contact details on www.warsopinnerwheel.co.uk

Members attended NSPCC evening at Chungs in Nottingham. NSPCC Nottinghamshire have raised over £30k this year.

(Photographs of presidents Sharon and Ted Smith from IW and Rotary together with table selfies from guests.

Warsop Wives Group

During December meetings we made our own Christmas flower arrangements. We also exchanged gifts and cards and each member received chocolates from our group.

We visited the Palace Theatre to see the pantomime Cinderella. On Jan 19th 2016 we had a knit and natter night when we knitted squares for blankets for charity, we also discussed our future programme.

Future meetings include a book swap and bring and buy. A pub games night with food and shandy. A talk by "MIND" when we will be presenting a donation.

Irene Hodgson

Warsop Mens Probus

President Hugh Ashton welcomed 30 Members to the first meeting of the new year 2016 at the Parish Centre. After a short business meeting the speaker Mr Richard Kirton gave a talk about Multi Racial Issues in Malaysia where he studied and taught in the 70s and 80s.

There are many different religions in Malay living side by side which resulted in almost continuous public holidays most included hospitality to guests, so you could go for days not having to cook! His talk told of his experiences of his life there with many facts and figures.

After a break in the Stable bar, all the members had lunch in the Fitzherbert room, the next meeting will be February 17th when member Alan Nickless will give a talk about The Hawaiian Islands. The March meeting will be on the 16th which will be the AGM
 Hugh Ashton

Dr Who Author Opens Meden School's New Library

Meden School, in Market Warsop, officially opened their new library on Monday 18th January. Cutting the ribbon was Dr Who author, Daniel Blythe, who visited the school for the day to help celebrate the opening.

Throughout the day, Daniel ran workshops with students, signed books and answered questions from budding writers. Students were keen to find out where his inspiration came from and to ask for advice with their own writing and ideas.

Daniel Blythe said the students were really enthusiastic about his visit: "They've been extremely receptive, asking lots of questions and being generally very lively and interested in what I had to say. They were keen to participate and are a credit to the school."

"This is a lovely new library with great shelving and lighting which really does make such a difference, it now feels like the heart of the school. I feel it's so important for pupils to have a place they can come that feels like a safe haven, somewhere that is friendly and welcoming. This is just that."

The whole day took place in the new school library which has had a major overhaul; the old library had been used since the school first opened over 50 years ago and was in desperate need of modernisation. Work began last summer, replacing the carpet, fitting new shelving, furniture and lighting, installing air conditioning and an expansion to include an unused classroom, giving a much larger space. A major part of the renovation has also been organisation of the books. School librarians spent hours cleaning and sorting the existing books and also ordering new ones to ensure the library is as up to date for students as possible.

"It's really exciting to finally have this fantastic new space. It was so dated before and was an uncomfortable place to be. It now has a much more modern feel and is a nice, comfortable place to work and visit. We're a lot more popular with the college students now and we're finding people are spending more time here in general. I love it," said Library Assistant Rebecca Kennedy.

The library, named 'The Learning Zone' now has two designated areas: one houses all the books with lots of soft seating and quiet reading spaces, the other is for learning and study, with modern tables, booths and seating as well as computers for students to use both in and out of lesson.

The next plan for the new library is to continue to update the books that are available and to install new computers where the old ones currently are. This is just one step in Meden's overall development plan, alongside a new College Hub and canteen/coffee bar.

Recycle the Right Way

Mansfield District Council is asking residents to take more care when depositing waste in their blue recycling bin.

Items such as glass bottles and jars, plastic trays, old clothes, soiled nappies and food waste are just some of the things that have been found in recycling bins collected from homes across the Mansfield district in recent months.

These items contaminate the contents of the bin with the result that the waste cannot be recycled, so has to be sent to landfill.

If a blue bin is found to contain incorrect materials, council operatives will place a sticker on it, telling the resident to remove all contaminated items.

The bin is then collected on the resident's next blue bin collection day. If a householder consistently contaminates their blue bin, a Fixed Penalty Fine may be enforced, or in extreme cases the bin may be removed.

Only materials that can be recycled should be placed in the blue bin.

These include:

- Paper: newspapers, magazines, envelopes, directories, catalogues, office paper
- Cardboard: greetings cards, cereal boxes, egg boxes, general packages
- Plastic bottles and yoghurt pots: pop and milk bottles, cleaning product bottles, toiletry bottles, margarine tubs
- Clean food tins, empty aerosol cans, drink cans, biscuit and sweet tins

Where appropriate, recyclables should be washed before being put in the blue bin.

The following items should not be placed in the blue bin:

- Shredded paper, kitchen roll, tissues, metallic wrapping paper
- Tetra packs, juice cartons, takeaway pizza boxes
- Carrier bags, ice cream tubs, food cartons and trays
- Paint and oil tins, pots or pans
- Glass bottles including wine bottles and food jars

The council is currently working on a joint project with Nottinghamshire County Council and Veolia ES to reduce levels of contaminated waste in targeted areas in Bull Farm and Forest Town. This involves sampling and monitoring levels of contamination in waste and issuing bin stickers reminding residents of what can be recycled.

Cllr Andrew Tristram, Portfolio Holder for the Environment at Mansfield District Council, said: "If a refuse collection vehicle is found to contain contaminated materials, the entire load could be rejected and sent to landfill. This would cause all the recyclable material within the load to be wasted and the council would incur large financial penalties, which would then have to be passed back through council tax bills to local residents.

"Unfortunately, a small minority of people are putting the wrong materials in their blue bin, which ruins the efforts of those people, who recycle their waste correctly. We are asking people to be more vigilant, when disposing of their waste, as we want to recycle as much as possible."

For more information on recycling and waste, visit www.mansfield.gov.uk/bluebin or call 01623 463 463

Sign up for Garden Waste Service

Invoices will be going out for people in the Mansfield district to renew their brown bin service for garden waste.

The year-round service costs £30 but anyone new signing up for the service between now and 1 April will receive the service from the date they sign up until the end of March 2017, which means they get up to an extra three collections free, depending on how early they sign up.

Collections are fortnightly from March to November and monthly from December to February and are a convenient way for people to dispose of their garden rubbish, which then goes for recycling to be made into compost and used in agriculture.

You can use your brown bin to recycle:

- grass cuttings • plants • leaves • hedge trimmings
- cut flowers • weeds • small branches & twigs.

It cannot be used to dispose of food, kitchen waste, soil, garden furniture, treated wood, bricks or rocks, large logs, or building waste.

Portfolio Holder for the Environment Andrew Tristram said: "This is an excellent value for money recycling service - it works out at about 60p a week.

"And it is so much easier than bagging up your garden waste and taking it to the tip so I hope as many people as possible will take advantage of it and sign up for the year.

"It will not only help to keep Mansfield looking tidy, it will also make a valuable contribution to the area's recycling efforts."

Details of how to sign up for the service or pay the bill to continue the service can be found at <http://www.mansfield.gov.uk/gardenwaste>

Meden Vale *The Future*

The 29th meeting of Meden Vale the Future, incorporating Meden Vale Community Association, was held at the Village Hall on Tuesday 19 January 2016. Six members of the Committee were present and one Councillor. Four apologies were received.

The Chairman reported that the new Lease for the Village Hall had been signed by the Trustees of Welbeck Miners Welfare Trust and a copy for the Trustees of Meden Vale the Future Committee had been received by the Chairman, for their records.

An estimate for the repair work to the Village Hall ceiling in the main room, this to include filling and two coats of paint, had been received and accepted. In addition, the damaged ceiling tiles would be replaced and the light covers cleaned in the back room. This work is to be undertaken as soon as possible. The new lights in the Village Hall required some replacement starters, these have been fitted and some additional spares purchased.

Following the December 16th meeting of Welbeck Colliery the Future, the Chairman reported that progress on the Biogas Plant was proceeding according to schedule with the planned run in 'test mode' still on track for April, 2016. A Plant Manager has been appointed who will be in charge of operations, he will start mid February. An advertisement was prepared for inclusion in Warsop News for four additional staff who will be appointed sometime in March.

A site visit to the Biogas Plant by members of the Committee has been scheduled for the beginning of February. Restoration work on the pit tip was again reported as being on schedule. The Planning Application to Bassetlaw District Council has now been completed and submitted and will be discussed at the next full Planning Committee meeting which will be held in February, when a decision should be made. The proposed name for the development site is Welbeck Colliery Business Park, this has been chosen to mark the history of the site and to avoid any confusion with the Welbeck Abbey Business Park.

The Treasurer reported that the accounts were satisfactory but could be better.

Next meeting will be on Tuesday 23 February 2016 at 7.30pm. All welcome.

Please contact the Secretary Kay Walker on 01623 844282 for further information.

Don't Lose Your Chance to Vote, Youth Mayor Urges Teenagers

Mansfield's Youth Mayor Jake Baldry is appealing to teenagers to make sure they register to vote.

As Thursday 4th February marked National Voter Registration Day, many 16- and 17-year-olds may not realise that they should register to vote before they reach 18 - the age at which they can legally vote - because their details must be logged in advance to receive their polling cards when the time is right.

Jake, 16, (pictured below) who registered to vote himself this year, said:

"It is such a simple procedure and so important for democracy.

"If young people want politicians to do things to help young people then we have to let them know that we have a voice and voting helps us to be heard and our views to be considered."

If you are eligible to register to vote and not already on the voters register, you can register online at www.gov.uk/register-to-vote. You will need your National Insurance number to hand. You will need to register by 18 April in time for the Police and Crime Commissioner elections on 5 May 2016.

Residents who do not register to vote could also lose their chance to vote in the national referendum on whether or not Britain should remain in the EU, which could also be held this year.

Mansfield District Council's Returning Officer Bev Smith said: "We live in a democracy where each and every one of us has the right to shape the future of our country and we do this through our ability to vote. Please take the time to register so that you can take part in all future elections and ballots, its quick and easy and will make sure that you have your say."

Mansfield Prepares to Clean for the Queen

Mansfield District Council is backing the national Clean for the Queen project and is seeking the public's support for the biggest ever clean-up of the country, which will be taking place from 4 to 6 March 2016.

Alorafocus Support Group

Alorafocus supports anyone affected by cancer/life changing illness.

Alorafocus has been running a long time (1987 - formerly Mansfield self help cancer group) But because we had members for all the surrounding areas including Shirebrook, we decided to change the name.

The group was set up by a small group of people who themselves had suffered the fear, pain and life-changing effects of cancer/life changing illness, and has a wide diversity of members, ranging in age from young adults to members who are in their 80's.

Members are drawn from the local community, and surrounding areas and have an ongoing calendar of events to suit everyone.

We have a core group of members who volunteer to organise the group activities, supportline etc, and we have been lucky enough to have a range of volunteer therapists who offer their time and skills free of charge.

Through their passion and determination to support others in situations similar to themselves, the group has grown into the unique organisation it is today.

Cancer and life changing illness can have a huge impact on all family members.

Families can experience an array of emotions;

- Fear • Worry
- Stress • Isolation
- Physical/mental Health deterioration

We meet every 1st and 3rd Mondays of the month from 18:30-21:00 hrs at the Patchills Centre, Patchills (off Eakring Rd), Mansfield, Notts NG19 3BS

Carmel Harkness, Coordinator

In addition to the council's annual International Clean Up Mansfield Day, which takes place on Friday 10 June, the authority is encouraging schools, community groups, businesses and volunteers to get involved in this national campaign to clean up our country in preparation for the Queen's 90th birthday.

The clean-up can include anything from a litter pick of a local park to sprucing up a building's façade. All you need is community spirit and some elbow grease!

Clean for the Queen Campaign Director Adrian Evans said:

"We aim to inspire people to take action and enjoy a few hours together litter-picking to make our country more beautiful.

"For Her Majesty and for us all, we want to attack the blight of litter and reclaim our beautiful countryside, our fabulous cities, our world-class parks, our wonderful beaches and waterways."

Mansfield District Council's Portfolio Holder for the Environment, Cllr Andrew Tristram, said:

"This is a great opportunity to work together with our communities and to make a difference to our district. It's also a way to show thanks to our Queen for all the work she has done for our country in this, her 90th year."

To get involved, gather together a group and register online at: www.mansfield.gov.uk/cleanup - pick a date from 4 to 6 March to make it happen.

You can also now register to take part in the annual International Clean Up Day by following the same link.

Chief Executive Appointed at Mansfield District Council

Mansfield District Council has appointed a Chief Executive Officer as part of its senior management restructure.

The Full Council last night (20 January) agreed to approve the appointment of Bev Smith as CEO.

Ms Smith, who has been Interim Chief Executive Officer since September 2015, starts her new position from immediate effect.

Before her appointment in September 2015 to the interim post, Ms Smith, was Corporate Director of Regeneration and Regulation at the council. She has worked for the council since 2009.

Prior to that she worked for other local authorities, within Cambridgeshire, Lincolnshire and Mansfield, and spent eight years with Lincolnshire Police as a detective constable.

She said: "I am delighted to be taking forward my work with the council as Chief Executive Officer and working closely with the Executive Mayor in delivering the council's corporate objectives."

"I am excited by the opportunity that this role brings and am privileged to be able to lead an organisation with such dedicated and committed staff.

"The council has some challenging times ahead as we implement a new management structure which we hope will enable us to deliver our services in a modern, corporate and efficient way."

Mansfield's Executive Mayor Kate Allsop said: "Bev excelled in a rigorous interview process and the Personnel Committee voted unanimously in favour of asking council to approve the appointment.

"Bev has made such a positive contribution as Corporate Director and Interim CEO and I'm looking forward to working with her and the management team to deliver our corporate objectives."

DUKERIES Singers

Jan Towler
Your Local Choir

Here we are in March and it's Spring in gardening circles. It is said that if you can sit on the bare soil with a similarly attired bottom, then it's warm enough to begin planting! I just have a guess at the temperature before committing my potatoes and radishes to the elements.

The Dukeries Singers are rehearsing new items for their upcoming performances as well as keeping up with some older favourites. We still welcome new members, especially more men. We are a very friendly group and you are very welcome to come and give us a try and see whether this an activity for you.

Singing is a most uplifting experience. As a group you are working together to produce a beautiful sound which gives enormous pleasure to a lot of people.

You can see us on our website: thedukeriesingers.com, where you will find all our details. We also have some UTube sites where you can hear us in performance.

We meet every Wednesday from 7-30pm to 9-30pm in the Foyer above the Concert Hall at The Dukeries Academy in Ollerton. This is best accessed from the Leisure Centre entrance and car park.

We have Concerts planned for Spring and Summer; a joint Concert with Newstead Abbey Singers and another with The Dukeries Concert Band and with a French Choir who will be visiting later in the Summer and I will keep you posted with firm dates and details in future updates.

We have lots of dates available if you are planning a fund raising or celebratory event and would like us to perform for you.

Our Concert Secretary Phil on 01623 822070 would be delighted to hear from you.

A happy Spring to you all.

We rehearse every Wednesday at The Dukeries Complex Day Centre, from 7.30pm to 9.30pm. Access and car parking is via the Whinney Lane entrance. Just turn up and give us a go or contact our Chairman Alan Sinclair on 01623 823271

MARKET WARSOP
Football Club

Market Warsop Football Club
A Charter Standard Community Football Club for young players of all ages and abilities!

Training and playing at probably one of the best home grounds in the county, The John Fretwell Sporting Complex, Market Warsop Football Club are long established in the district & exist to support young players to achieve their potential in sport. We are a family friendly club with fully qualified and DBS checked coaches playing their part in supporting grassroots football in your local area.

Call us on 07925107277 to find out how you can join us!
Stop press: New U7's development squad now training & U14's (Yr9) looking for committed players!!

WARSOP LIBRARY
High Street, Warsop • Tel: 01623 842322

OPENING HOURS

Monday	CLOSED	CLOSED
Tuesday	9.30 - 1.00	2.00 - 5.00
Wednesday	9.00 - 1.00	CLOSED
Thursday	CLOSED	CLOSED
Friday	9.30 - 1.00	2.00 - 5.00
Saturday	9.30 - 12.30	CLOSED

Browse the local paper or choose a book or two.

We have fax and photocopying facilities for a small charge and free internet access. We can help you with computer basics, internet, emails and job searching, all easier than you think! If you are claiming jobseekers allowance then related printing is free. Children are allowed 5 sheets of printing free for homework

WiFi

WiFi is now available at Warsop Library. WiFi allows people to use the internet wirelessly. To use WiFi at the library you will need a WiFi enabled device and a library card. It's free and there is no time limit on how long people can use the internet, unlike the library computers which other people may be waiting to use. To use this service you will need a WiFi enabled device and a library card.

Rattle, Rhyme & Roll

Enjoy songs and rhymes with your children at this free session. Rattle, Rhyme & Roll is for under 5's every Tuesday 2.15 – 2.45 pm, term time only.

Joining in with songs and rhymes helps little ones with their co-ordination and improves vocabulary. It's good fun too! Meet other parents and make new friends. The library staff look forward to welcoming you to our new session.

Pop up Museum is coming to Warsop Library

Come and see our exhibition on Mansfield Brewery at Warsop Library.

On display from 6th January until 3rd February 2016.
The memories will come flooding back!
