## Carnival 2017

## Cultures of the World

**This year, the Warsop Carnival is celebrating Cultures of the World. The Warsop Carnival Committee hopes that you will join us on 2nd July 2017 at The Carrs for a fun filled day of family entertainment.**

We have lined up a spectacular assortment of attractions to celebrate global culture and diversity. As always, our parade will be taking place at noon through the heart of Warsop town. We would be delighted for you to come and cheer us on. We look forward to seeing you there!

The traditional Carnival Parade is due to leave Robin Hood Avenue at 12 noon, traveling through the streets of Warsop and arriving at The Carrs showground at around 12.45pm with floats from a wide range of local groups, charities and schools.

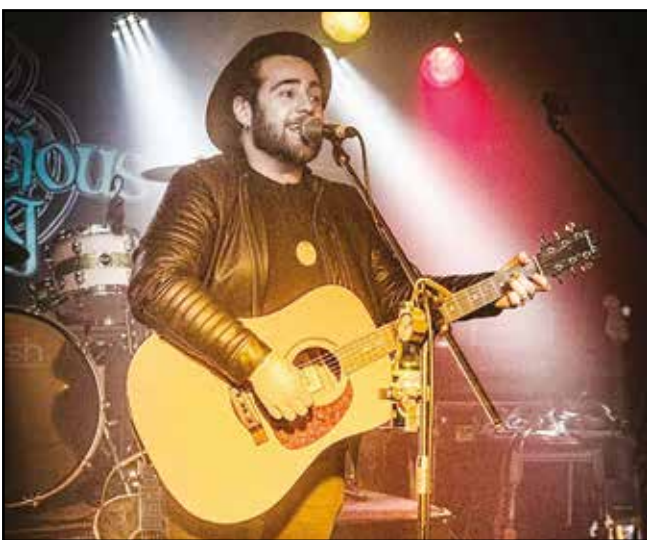

After the parade has reached the Carrs, the fun starts with a full line-up of entertainment in the main arena including: Peddle Power & Parkour (BMX Stunts and Freerunning), Excelsior Dance School and Julz Dance School.

But the fun doesn't stop there, we also have the White Post Farm where you can meet the animals, Inflatable Assault Course, Remote Control Car Club, Mechanical Bull, Soft Play Area, Cactus Hoopla, Circus Skills, Sumo Suits and of course the ever popular Fun Fair

This year's Music Stage offers a great line-up of entertainment headlined by Definitely Mightbe (Oasis tribute act) supported by, Brad Dear and Police Force (Police tribute act), and not to forget the formidable DJ skills of Nigel Pinnick with his Soul in the Sun DJ set.

Other attractions and side shows include: Joker Entertainment, Sue Fee (fire artist), The Rotary Duck Race, Warsop in Bloom Flower Show, Classic Cars, and of course everyone's favourite, the fairground.

For more detailed information pick up the Warsop Carnival Programme which is available in local shops for a donation.

Copy deadline for the August 2017 issue is:

**Monday 7th July 2017**

## Editor's Letter

### It's almost carnival time! Fingers crossed that we have a wonderful event on Sunday 2nd July.

This is the first year for many years that I haven't been involved in helping to organise Warsop District's annual spectacle. Full details of what's on offer down on The Carrs this year is available in the official carnival programme. Please do purchase one as all proceeds go towards future events.

All that is left to say, on behalf of this paper and The Parish Council of Warsop, is to thank this year's committee for all of their hard work and I hope that the 2017 carnival is a successful one.

In other news, the nation went to the polls on Thursday 8th June. In a surprise result, long standing MP Sir Alan Meale lost his seat to newcomer Ben Bradley. Alan has worked hard for the district since being first elected in 1987 and has achieved many things. It is now the time for a new MP to prove himself worthy of the mandate he has received. See a feature about Ben on page 7. Having been in contact with Ben, he has promised to put Mansfield & Warsop interests first and I look forward to working with him to achieve this.

### Promote Your Business by Advertising in

## Warsop & District News

The best way to reach local people and promote your business is to advertise locally. Warsop & District News is one of the largest free local publications in the area.

#### 6,000 papers are printed and distributed every month.

Approx 5,700 are delivered to every household and business in the Parish of Warsop, the rest are distributed in the library, Town Hall, health centres, dentist, care homes, Meden Vale Charity shop and Cuckney shop.

At a fraction of the cost of some other well known publications you not only reach your target audience but get value for money too.

#### Rates are as follows:

Set Sizes	Quarter page	130 x 163mm	£95.00
	Half page	265 x 163mm	£170.00
	Full page	265 x 330mm	£290.00

Run of paper Ads are charged at £6.00 per column cm. Columns are 8.5cm wide  
(eg. monthly advertising cost for an 8.5 x 4cm = £24.00)

Single Column	up to 15cm
Double Column	up to 7cm
Triple Column	up to 6cm

For sizes above these it's cheaper to have a quarter page so call in or phone to ask for a quote. (01623 846011)

## GARDENING MONTHLY...

### General Tasks and garden maintenance

Water thoroughly once or twice a week rather than little and often - this encourages plants to put down roots in search of water rather than coming up to the surface. Remember, though, that containers and hanging baskets need watering every day and sometimes even twice a day if it is hot and windy.

For recently planted large shrubs or trees, leave a hose trickling around the base for an hour. The same goes for established plants in very dry periods - pay particular attention to camellias, rhododendrons, azaleas and hydrangeas which will abort next season's flowers if they get too dry. Mulch around the roots when moist to help avoid this. Recently planted hedges are best watered with a trickle hose (a length of old hose punctured with little holes) left running for an hour or so.

Ensure trees or shrubs planted in the last couple of years on lawns or in areas of rough grass have a circle of clear earth around them - this must be kept clear or grass will prevent essential moisture getting through. Mulching with bark or compost will help.

Water is a precious commodity - instigate good practices such as using kitchen and bath water (as long as it is neither too dirty, greasy nor full of detergent) for watering, collect rainwater in butts (available from the centre) and investigate ways to recycle water for your irrigation. Avoid using tap water for lime-hating plants such as camellias, rhododendrons and azaleas - they will not thank you for it!

The key to successful planting, whether it be a shrub, tree, perennial or bedding plant is to water in well. Soak the rootball in a bucket until no air bubbles come to the surface, dig the planting hole, fill with water and allow to drain away. Place the plant in the hole, fill with soil, firm gently and water well with a watering can - this will give the plant a huge advantage over one planted with a dry rootball in a dry hole and watered only on the surface.

Hoe beds and borders to get rid of annual weeds, like bitter cress and chickweed. If it's dry, attack perennial weeds like ground elder and the like with systemic weed killer painted onto the leaves and trail tips of bindweed into jam jars full of the same. Remember systemic weed killers are indiscriminate and will kill anything they contact. If you don't have time to do this, at least cut the culprits down to prevent them from setting seed.

Keep your pond topped up with fresh water - a build up of algae in warm weather can be toxic, if not fatal, for animals.

### Birds

As summer wears on and the ground hardens, it becomes more difficult for birds to forage for food. So do please put out food to supplement their diet and help build reserves for winter.

### Flowers and containers

Divide old clumps of bearded irises and replant. Chop oriental poppies, lupins, delphiniums and geraniums right down to the ground once they have finished flowering - be brave and be brutal - the new leaves will be an ornament and some may flower again. Support tall delphinium stems with individual canes.

Cheat and fill any gaps in your borders with container-grown perennials. Dahlias will keep colour going until the first frosts so are a great autumn brightener in mixed borders. Pick sweet peas regularly - this is in effect early deadheading and will ensure continued flowering. Remember sweet peas are thirsty plants so keep them well watered.

### Lawns

Keep mowing your lawn but raise the height of your blades if the weather remains hot. Feed established lawns if you haven't already done so with a summer lawn feed. If your lawn is mossy or full of weeds, use a feed with mosskiller or weedkiller, although this will also kill any wild flowers. If you have the lot, use combined feed, weed and mosskiller!

Add your grass clippings to the compost heap in shallow layers. A huge dollop will only turn slimy and spoil your compost.

Don't let newly laid lawns dry out in hot weather - water in the evenings and if there is a heat wave, consider leaving the lawn longer than usual just to help it through the hot weather.

If you are planning to seed a new lawn in the autumn, start preparing the area to allow the earth time to settle.

- Have you seen these posters and wondered what they are talking about and "why should it affect me"?
- Have you heard of fracking and thought, well, it's a new way of getting the energy we need, so what is wrong with that?
- Have you heard that they are wanting to frack Warsop but don't really know much about what is involved?
- Have you heard that fracking has been halted or banned in Wales, Scotland, the Netherlands, France, Bulgaria and in the US in New York State and Vermont because of evidence relating to "significant public health risks" but our government wants to go "all out" for shale gas?
- Have you heard that there is a new group called FrackFree Warsop which has recently formed to try to stop the fracking industry from taking a hold in our area?

With the support of Frack Free Mansfield and Frack Free Nottinghamshire, the group Frack Free Warsop has started meeting regularly to find out more, share information and do something about the threat that fracking brings to our locality - anyone interested in keeping Warsop frack free is most welcome!

**The next meeting will take place on Wednesday, 28 June at 7 pm in the back room of The Plough.**

# Fight for a Frack Free Warsop

## What is fracking?

**Fracking, or hydraulic fracturing, is a process used to extract fossil fuels locked in rock formations thousands of metres below the Earth's surface.**

The process starts with seismic surveys of the area to understand what the rock formations and the shale deposits look like underground. No planning permission is required for this, just the landowner's permission. Surveys can involve the use of explosive charges and/or "thumper" trucks to create the acoustic scan and the noise generated can cause disruption to wildlife and impact nearby habitats.

## The landowner has every right to refuse permission!

Next step is for the company to obtain planning permission for an exploratory test site, then for the full fracking process.

Planning permission being granted in our area would mean hundreds of wells being drilled through the Sherwood aquifer, an area already pitted with abandoned coal mines, to reach the shale layer deep underground. The Sherwood aquifer supplies fresh water to over 8 million people.

The fracking process involves millions of gallons of fresh water, mixed with sand and chemicals, being injected deep underground at high pressure to fracture the rocks and release the shale gas.

Some of the chemical laden water stays underground, most comes back up to the surface as a toxic waste product containing a mixture of fracking chemicals, toxic heavy metals, carcinogenic hydrocarbons and radioactive elements leached from the shale.

This then has to be tankered by road to specific disposal sites across the country, causing approximately 20,000 vehicle movements per site. Once used in the fracking process, the water is toxic and cannot be recovered. Methane is also released.

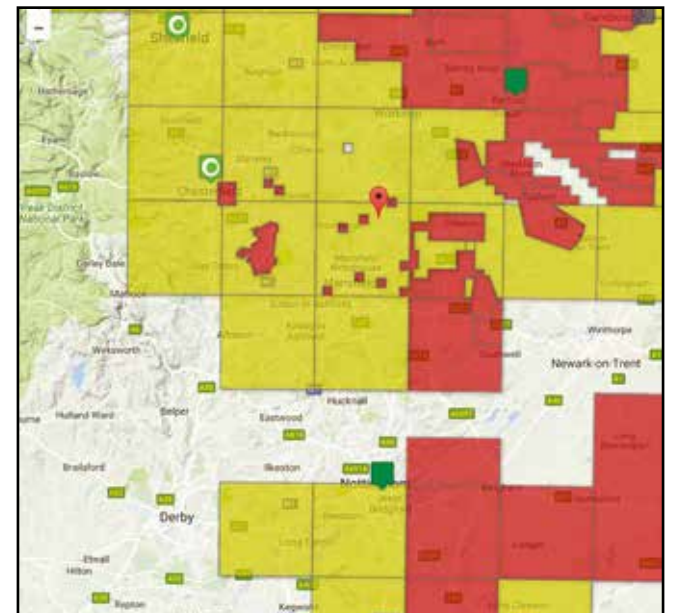

Flares are often lit to burn off excess methane lasting for months, adding to greenhouse emissions and contaminating the air we breathe.

At the end of its productive life, typically about 3 years, the well is capped off and abandoned.

## How does it affect Warsop?

Ineos, a large petro-chemical company, has obtained PEDLs (Petroleum Exploration and Development Licence) in order to develop large areas of central Notts and Sherwood Forest as an unconventional GAS FIELD. The section of map above right from the Friends of the Earth website gives an idea of scale.

Ineos hope that gas obtained from the gas field will be available

to meet their energy requirements at their plants - for example to generate the electricity to electrolyse brine in order to create chlorine, as well as using natural gas as a source of feedstock for chemicals products like plastic. This would be in addition to whatever they sell into the national gas grid.

In order to do this, Ineos plan to drill **multiple wells** across all their licenced areas.

Ineos began their seismic surveys across North Notts on 5 June 2017 which will last for six months. This will cover an area from Shirebrook, Holbeck, Warsop, Worksop and Shireoaks.

Nottinghamshire County Council is currently considering whether or not to allow seismic surveys on NCC land.

The National Trust at Clumber Park has not allowed seismic testing.

Ineos plan to put at least one exploratory drill rig in The Lings, on the western edge of Sherwood Forest, near Blakeley Lane and within 500 m of the Thynghowe Viking assembly site, an area considered to have international archaeological significance. The planned access road is through the forest, off the A6075 near Warsop Windmill.

## What can you do?

If you see any sign of seismic survey activity - big white trucks, lots of cabling and equipment, (see [www.frackfreenotts.org.uk](http://www.frackfreenotts.org.uk) for more details) please call 07858 614 861 or email: [outreach@frack-off.org](mailto:outreach@frack-off.org) Please join us in the campaign for a FrackFree Warsop!

## Meden Sports Centre Update

**You should be aware by now that even in light of damning evidence, Mansfield District Council have made the final decision to cease management of the sports centre.**

In more promising news, the Parish Council are actively looking at alternatives to ensure that wet provision remains in Warsop Parish.

Developments are starting to take place and once we have more confirmed plans, readers of Warsop & District News will be the first to know!

## Warsop Parish Council AGAINST FRACKING

**The Parish Council will be joining forces with Frack Free Warsop (see page 3) to oppose this devastating operation.**

**Fracking has the potential to cause irreparable damage to our local environment and must not be allowed to happen.**

## Facelift for Warsop's Town Hall Clock

**The eagle-eyed amongst you may have noticed something different about the town hall clock.**

Contrary to rumours circulating the district, The Parish Council have not spent thousands of pounds purchasing a new clock and mechanism. The old clock has been fully refurbished including a full clean and repaint.

The dial (which has always had the potential to be illuminated) has now been restored with energy efficient lighting meaning that it can now shine proudly.

The antique gear mechanism that powers the clock is still in existence and functioning well after being refurbished along with the clock face.

The refurbishment works mean the clock is now much more efficient and attractive whilst still retaining its antique charm. The total bill is less than £2000.

## Senior Citizens Evening

**On Tuesday 9th May, The Rotary Club of Warsop, Shirebrook and District held their 112th Annual Senior Citizens Evening at The Hostess Restaurant.**

This annual Rotary event, which was once again well attended, is also supported by Big Warsop.

The guests were served by Rotary Club Members and enjoyed a selection of sandwiches, sausage rolls, vol-au-vent and cakes along with cups of tea and coffee.

Musical Entertainment was provided by Tim Cutts, who was, as always, very well appreciated.

Guest also participated in a game of Bingo with the winners of a single line and full house receiving a bottle of wine.

Prizes were also given to the oldest male and oldest female along with one to anyone with a birthday that day.

## The Oaklands Centre

**We wish to say a big thank you to all the ladies at The Inner Wheel club of Warsop for donating £500 to our centre.**

We are really grateful to you for thinking of us. The donation will go towards the refurbishment of the Oaklands Centre which is an on going project that will benefit our residents, volunteers and members of the public who hire and visit our centre.

Pictured above are some of the residents, visitors and volunteers of Friends of The Oaklands celebrating as they accept the generous donation from Warsop's Inner Wheel club.

## Warsop Wives Group

**The Warsop Wives group continue to enjoy a full programme of events including:**

9th May - a Silent Auction which raised £40 for our Charity

23rd May - we held a Brass Band Concert in the Methodist Chapel, Warsop with The Shirebrook "B" Band which raised £226 for Charity. Thank you everyone for coming!

6th June - we had a Recipe Swap night, members brought along homemade items for tasting and recipes were exchanged.

Future Meetings are:

20th June - a visit to Pollyanna Pickering's Studio in Matlock with lunch in a nearby Garden Centre.

4th July - we have a Plant Swap evening.

18th July - Mr Stanner will be giving a talk entitled "My Life On The Road" about his life as a travelling salesman.

# Inner Wheel get Crafty

**Our very own Alice (well, Christine, but you can see the likeness) hosted a tea party on Friday 12 May, to say thank you to the Clubs Knit and Natterers. 'Yes, that's it!' Said the Knitters with a sigh, 'there is always time for tea.'**

'We love running these events', said Christine, 'it is a really lovely way to thank our volunteers for all the work they do for us. They help with knitting, sewing and collecting of items for the baby bundles, joy bags and toy bags we assemble at our knit and natter sessions. Many ladies brought with them items they had recently made, which were displayed during the tea.'

All the work they do is very much valued and it is nice to be able to show our appreciation by taking them on a short trip out, followed by the tea at the Oaklands.

left to right - Lesley Wilson, Sue Goad, Terry Newton-Snare and Sue Lunn.

At a recent meeting, Joan Green from National Police Aid Convoy gave us an update of where aid is being taken. Joan's presentation was very interesting and she answered many questions from the volunteers. Joan explained that it is very expensive to transport goods to needy areas around the world. The Inner Wheel Club of Warsop presented Joan with a cheque for £600 for the National Police Aid Convoy.

International Organiser Christine said a big 'Thank You' to the ladies and said a fond farewell, as it is her third and final year in post. President Gloria thanked Christine for her service and for all the work she has contributed to fundraising for the international charities of Inner Wheel.

Christine Fretwell (International Service Officer), Sue Pasierb, Terry Newton-Snare.

A mixture of ladies from Innerwheel clubs across Inner Wheel District 22 (including Warsop, Ravenhsead, Alfretton).

## Bolsover Craft Day

**Whether you want to learn to upcycle, shabby-chic, make a card, flower arrange, stick stuff on something, there is just about every type of video, podcast or blog available to look at on the web, or on Facebook and Pinterest; you'd think there was no need to actually go and meet people to get crafty. But we do and we love it.**

### Did you know crafting is good for your health?

Studies show that crafting can help ease stress, increase happiness, and improve your health. We couldn't agree more!! Perhaps we should request that Inner Wheel membership will be prescribed on the NHS.

On Saturday 14 May, six members of Warsop Club and many more from across District 22, spent the day at the Inner Wheel Club of Bolsover Craft Day. Each year we turn up with no idea what we will make, but knowing we will make new friends and something to take home and talk about.

The ladies of Bolsover start preparing for this day, as soon as Christmas is over. This preparation and planning is evident in the smooth running of the day. A selection of homemade soups and bread, followed by apple pie and custard kept the crafty ladies energised, before tea and cakes at 3pm.

For the past 12 years (possibly even 13!!) the ladies of Bolsover have entertained the inner child in us. We've been sticky with glue, splashed paint up our arms, torn up bits of paper, made cards, sparkly jewellery and created gifts. We've also eaten cake, homemade soup, drank tea and coffee, laugh a lot and enjoy good company.

Ladies, we thank you from the bottom of our hearts for your dedication to craftyness, and we celebrate another fantastic event drawing to a close. If only we had some homemade bunting and a shabby-chic flags to wave you off...  
...Next year perhaps!!

Pictured above are Gloria Humphrey (President), Joan Green from National Police Aid Convoy, Christine Fretwell.

Pictured right are Sue Pasierb and Sue Goad, with knitters table.

# Benchmark Tribute to Peter...

**On Sunday 14th May, members of the Parish Council of Warsop along with close relatives and friends of Peter Crawford met on The Carrs to unveil a bench in Peter's memory.**

Most of you will know Peter was an extremely dedicated and hardworking councillor who sadly lost his battle with illness last year. Peter had long been a champion of The Carrs and was instrumental in the park achieving its Green Flag Status.

Peter had been a Parish and District Councillor for many years and was a shining example of how a councillor should act and work for the benefit of the people he was elected to serve.

Nothing was too much trouble for him and Warsop Parish is a better place because of the service he provided.

The installation of the new bench on The Carrs in his memory should provide visitors for years to come with an opportunity to sit, relax and enjoy the high standards of the immediate surroundings that Peter, along with The Friends of The Carrs group, worked so hard to achieve.

## Meden Gymnastics Club

**In May 2017 eighteen gymnasts from Meden Gymnastics Club took part in their first competition.**

Over 150 gymnasts from clubs across the district took part in this recent event which saw Eleanor Judge, age 5, winning silver while teammate Ella Dixon took the bronze. Evie Searson-wain, age 11 and Katie May Aston, age 12 also won bronze.

The girls put in amazing performances and train for just one hour per week. The coaches are very proud.

Anyone wanting to join our club should get in touch with **Head Coach Emma Spencer 07766801427**

## Warsop Hospice Support Group

**On behalf of the committee of the Warsop Hospice Support Group we would like to send a huge thank all the people who helped to make our recent fundraising day a great success.**

We had an absolutely wonderful day and we couldn't have wished for better weather.

We would like to thank Red Hot Ensemble, a swing band that played for us. Everyone thoroughly enjoyed listening to their wonderful music and singing, you really did make it such a special day.

We would like to thank everyone who donated items which included books, clothes, plants etc. And everyone who baked absolutely beautiful cakes for the tea and cakes and also the cake stall.

Thank you so much for money donations.

Thank you to everyone who helped us we really do appreciate all your hard work, before and on the day.

And a great big thank you to everyone who came to support us on the day, without you we wouldn't have raised a massive £700, we can't thank you enough for all your support.

**Thank you for your continued support.**

## WARSOP'S NEW MP

**First I need to say a huge thank you to residents in Warsop and across the constituency for the amazing support I've received in recent weeks.**

It's a huge honour to be given this opportunity and I'm so grateful that so many people put their faith in me. I will not let you down and I'll do what I promised – I'll go and shout about our whole District, and I'll work with anyone locally who wants to make our area better. Whether you voted for me or not, my office (when it's set up) will be there to support you for as long as you will have me.

I'm writing now 10 days after the election, after an incredible week getting to grips with Parliament and trying to get my feet under the table, and hopefully things will start to come together over the coming days. I'm in the process now of hiring staff and organising an office so as soon as I have contact details and opening hours, I will share them with everyone. For now you can reach me on [ben.bradley.mp@parliament.uk](mailto:ben.bradley.mp@parliament.uk) or on my Facebook page. I'd encourage you to 'like' that page, as I'm already updating it regularly with what I'm up to so you can keep track and hold me to account. It's [Facebook.com/benbradleymansfield](https://www.facebook.com/benbradleymansfield)

I want to spend these early weeks getting to grips with some key issues and meeting those people who are responsible for so much that goes on locally. I won't forget Warsop – or any area of the District – and I am making arrangements to meet with local Councillors and key people to talk things through. I intend to keep the Town Hall office and for it to be open regularly for residents to drop in so look out for those details soon. Looking forward to working with you all.

Kind regards

**We would like to thank all our patients and apologise for any disruption caused by the recent cyber-attack.**

Unfortunately this did not only affect the appointment bookings but also access to results, prescriptions and requests for scans etc.

The practice are still dealing with a backlog of work but wish to thank all the practice, NHS (IT) and CCG staff that worked tirelessly during this time.

We also wish to thank the pharmacists who supplied emergency medications for our patients.

# Dedication to Robert Bye Way

**After two years of planning I am pleased to announce that a dedication service to mark the renaming of the Warsop inner relief road, the 'Robert Bye Way,' will take place on Sunday 30th July, 2017 at 3pm in the Suretart carpark.**

The unveiling will be carried out by the Sheriff of Nottingham, Councillor Glyn Jenkins. After the ceremony, there will be a short service of thanksgiving for Sgt Bye in the Parish Church at 4pm when a plaque will be dedicated to Sgt Bye. We hope both events will be well supported.

When the First World War started in 1914 no one could foresee that the whole world would be sucked i to this conflict. Many young men died, believing they were fighting for 'Honour, Justice, Truth and Right,' many never came back and those who did were scarred by their experiences and the horrors of what they had seen.

When I interviewed Mrs Moody back in 2006 for the Chad newspaper, she said her Father was a very modest man who hardly ever talked about his bravery and being awarded the Victoria Cross, so that is why the road is simply named 'Robert Bye Way.' I hope that future generations will see the name and wonder who exactly Robert Bye was and that their curiosity will lead them to research him and learn about the First World War and the sacrifices made.

Seigfred Sassoon who was a poet but also served as Captain in the First World War and was himself decorated for bravery with a military cross wrote the following poem about the Great War.

*SQUIRE nagged and bullied till I went to fight,  
(Under Lord Derby's Scheme). I died in hell—  
(They called it Passchendaele). My wound was slight,  
And I was hobbling back; and then a shell  
Burst slick upon the duck boards: so I fell  
Into the bottomless mud and lost the light*

*At sermon-time, while Squire is in his pew,  
He gives my gilded name a thoughtful stare:  
For, though low down upon the list, I'm there;  
'In proud and glorious memory' ... that's my due.  
Two bleeding years I fought in France, for Squire:  
I suffered anguish that he's never guessed.  
Once I came home on leave: and then went west...  
What greater glory could a man desire?*

My thanks go to Warsop Parish Council for their support in helping get the planing application through and to Mr David Pratt of Mansfield District Council for his work in compiling the report for consideration by the planning committee. Thanks also go to the Warsop and District Royal British Legion group especially Bill Power, Jason Hood and George Murfin for their support and efforts in the planning of the dedication events.

# Support for Warsop Youth

## Warsop Parish Council has provided a much-needed boost to the work of Warsop Youth Club.

At the meeting in February it was agreed that the Council would establish an annual donation of £4,000 to support the Youth Club's work with young people in Warsop Parish.

In May, Chairman Andy Whetton visited the youth club at The Shed on Wood Street to present the £4,000 cheque to the young people.

Jimi Ball, club leader said, "This is a wonderful vote of confidence from

the Parish Council. This shows that we are coming together in the parish for the benefit of young people.

"The £4,000 not only covers a portion of our running costs but can also be used to encourage other funders to contribute. This gives us a solid foundation to do more for the young people."

## Let Warsop Speak Stonebridge Update:

After a tense planning meeting on 5th June 2017 we are pleased to say the planning committee rejected the outline planning proposal for Stonebridge by 6 votes to 5.

NOTICE OF DECISION	
Application Ref:	2016/0374/NT
Proposal:	OUTLINE APPLICATION (INCLUDING ACCESS) FOR UP TO 400 DWELLINGS, TOGETHER WITH ASSOCIATED HIGHWAYS WORKS, PUBLIC OPEN SPACE, LANDSCAPING, AND ASSOCIATED DRAINAGE INFRASTRUCTURE INCLUDING SUDS FEATURES.
Site Address:	Land To The South Of Stonebridge Lane Warsop
Consideration has been given to the above proposal as described in the application form and plans and in relevant correspondence accompanying the application.	
In accordance with the powers conferred by the above Act, the Council hereby:	
<b>REFUSE OUTLINE PLANNING PERMISSION</b>	

In brief the reasons for rejection are:

- It would undermine the emerging Mansfield Local Plan and proposed Warsop Neighbourhood Plan.
- The site is outside Warsop's urban boundary.
- It would create an unacceptable increase on the highway network in Warsop without sufficient mitigation or highway improvements.
- It would place substantial additional pressure on existing health centres and medical facilities without any provision of additional services or any financial contribution.
- It has failed to show it would not cause undue harm to protected reptile species which may be present on the application site through the submission of insufficient information.
- Provision of an insufficient buffer between the site and the Hills and Holes.
- Loss of approximately 14 hectares of best and most versatile agricultural land.
- It failed to demonstrate that the sewerage and foul water infrastructure in the vicinity of the site could be satisfactorily upgraded.

Thank you to everyone who has worked so hard to get this result. However, it is extremely likely the developers will appeal and we need to remain vigilant and continue our fight for our community and environment.

# Community Hero Awards

Community heroes in the district had the spotlight on their achievements at the 2017 Mansfield Volunteer Awards yesterday (8 June 2017).

Mansfield District Council and Mansfield Community & Voluntary Service organised the awards, which were presented to this year's winners at a ceremony at the John Fretwell Sporting Complex near Mansfield.

The winners were:

### • Andrew Wallace Memorial Award

Presented by Sophia Cox, Efficiency East Midlands Events & Communications Officer to a local person who has made an extraordinary difference in a community:  
**Leah Anderson**, of Bellamy Saturday Club.

### • Young Person's Award

Presented by Anna Rigby, Mansfield's Youth Mayor, to a volunteer under 25 who has made a significant impact on a person or community:  
**Anthony Sherborne**, of Hetty's, a voluntary organisation which helps families affected by drug misuse.

### • Margaret Wilson Memorial Award

Presented by Geoff Milnes, of Mansfield Rotary Club, to a volunteer who has provided exceptional support to a charity:  
**Andrew Melles**, of the 2nd Warsop Scouts.

### • Emily Dawes Memorial Award

Presented by Mick Beresford, Chair of the awards committee, to a paid worker in the voluntary sector who has gone beyond the call of duty: Claire Brooks, of Hetty's (accepted in her absence by **Debbie Knowles**, of Hetty's).

### • Vaughan Thomas Memorial Award

Presented by Kate Allsop, Executive Mayor of Mansfield, to a voluntary group which has improved or made a difference to their area or cause:  
**My Sight Mansfield social group**, which helps visually impaired people get more out of life and avoid social exclusion.

### • Outstanding Volunteer Award

Presented by Cllr Joyce Bosnjak, for exceptional or sustained actions:  
**Margaret Morris**, of the Old Mansfield Woodhouse Society.

### • Business in the Community Award

Presented by Pete Scully and Jamie Fryatt, of SF Media, for a business which has given voluntary time to support the voluntary sector:  
**Wetton's Butchers**, of Warsop.

The awards were held in partnership with: Ladybrook Enterprises Ltd, Mansfield Community and Voluntary Service, Mansfield District Council, Mansfield District Tenant and Resident Volunteers, Mansfield Woodhouse Community Development Group, and Nottinghamshire County Council.

Mayor Allsop said: "Volunteers are crucial strands in the fabric of society and we should never take their hard work and commitment for granted which is why I was delighted to support this event to shine a well-deserved spotlight on our local heroes."

# SEARCHING FOR GEORGE

I am trying to track down any relatives of a WW2 Church Warsop RAF airman named **George William BARGH, Son of Harry and Mary Lizzie Bargh from Bishops Walk in the town.**

He went missing in 1944 after his plane failed to return from a raid in Burma. He was only 23 years old. He seems to be recorded on your local war memorial although the name on the stone is G H Bargh from what I have read online. He likely had a sister named Doris, four years younger than him.

I am interested in him because he was lost with a Pilot who had crashed an aircraft here in Ireland three years earlier.

I am trying to determine if the two men had flown together for long and if the Bargh family might have a photo of George.

If you have any information at all please email me at: **dp\_burke@yahoo.com**

Many thanks. Dennis Burke

## Footpath & Countryside Group

There is one type of creature that I have not mentioned in over a decade of writing these notes ... the fairy.

Most of us are aware of the activities of the tooth fairy but there are also indications of other fairies in the local countryside. Firstly, the litter fairy appears to be at work in several parts of the parish clearing up rubbish almost as soon as it is dropped. The bramble fairy is particularly helpful along some of our paths, clipping off any brambles that begin to invade the path. A far rarer example is the Himalayan Balsam fairy whose work I have encountered when removing this invasive plant from riverbanks only to discover that someone (or something) has been there before me! I think we should all be grateful that these 'fairies' who care about our countryside and make Warsop an even better place to live or visit. I suspect there are more of them around than we realise!

Our annual water vole survey along the River Meden between the Mill Dam and Stone Bridge had mixed results this year. We look for their burrows, runs, droppings and the grass they have chewed. We discovered much less evidence of their activity between the Mill Dam and the Carrs bridge than in previous years but there are signs of some recovery between the BMX track and Stone Bridge. Overall, there has been a gradual reduction in the number of indicators of these special animals over the five years that we have been surveying this stretch of the river.

If you see a large bird soaring overhead and assume that it is one of the buzzards that are now regularly seen over Warsop, take a closer look. Red Kites have recently been seen over eastern Warsop so they could become more regular visitors.

As the grass has been growing so quickly the volunteers of Warsop Footpaths Group are now well into the second grass cut of the year along most of the footpaths that we mow. In some years we only mow the paths twice but it looks as if they will need an extra cut this year. Get in touch if you would like to help us with this work.

Our next group walk will be on Saturday 15th July. This will be another of our walks celebrating the anniversary of the Charter of the Forests, focussing on the landscape along the rivers that once formed the Sherwood Forest boundary. We will meet outside Warsop Library at 10am before driving (lifts available) to the starting point of the walk to Conjure Alders where the Meden and the Maun meet. Contact us if you would like to join us or check our Facebook page [facebook.com/Warsop1816](https://www.facebook.com/Warsop1816).

# Biggest and best Clean Up Day in Mansfield yet!

**More than 50 schools, community groups, businesses and volunteers have been involved in the fifth International Clean Up Mansfield Day, making it the biggest and best yet.**

Pupils at Holly Primary School

There have been litter picks galore - even one due to be carried out on roller skates. Benches, street furniture and a park pavilion have been given a lick of paint, chewing gum has been removed, bulbs planted and green spaces given a tidy up - in the district and beyond.

The annual Mansfield District Council project aims to bring the 40 Mansfields from across the globe together to make them the cleanest towns in the world.

Communities in Mansfield, Texas; Mansfield, Pennsylvania; Mansfield, Minnesota; Mansfield, Massachusetts; and Mansfield in Victoria, Australia, joined in with this year's event.

Closer to home, students from Vision West Notts took part and a number of schools also held litter picks and planting events including: Wynnendale Primary, Crescent Primary, Asquith Primary, King Edward Primary, St Edmunds C of E Primary, Sutton Road Primary, Oak Tree Primary School, Eastlands Junior School, Berry Hill Primary, Farmilo Primary and Nursery, and Holly Primary.

Among the businesses that got involved, supported by Mansfield BID, were: Marks & Spencer, Boots, McDonalds, Swinton Insurance, KFC and Costa Coffee in Forest Town, Veolia, Ian Williams property services, and the Four Seasons Shopping Centre.

As well as councillors and staff from Nottinghamshire Police and Mansfield District Council, community groups also did their bit including: Mansfield Roller Derby, Corner House Care Home, Friends of Forest Road Park, Inspire and Achieve, Warsop Footpaths & Countryside Group, Friends of Fisher Lane Park, the 4th Mansfield Woodhouse Scout Group, Maun Conservation Group, Friends of Yeoman Hill Park, Sherwood Court Gardening Club, Forest Town Nature Conservation Group, Friends of Hornby Plantation.

In the run-up to the event, a tree donated by one of Mansfield sister cities in the USA to was planted in Carr Bank Park to mark commitment to the international clean up campaign. The Northern Red Oak tree is native to Mansfield, Ohio, and was donated by the Sister Cities Association in support of last year's Clean Up Day and to remind people about this year's event, which took place on Friday 9 June.

When fully grown, the tree could grow to an impressive height of 70ft and stand as a reminder of the project for years to come. Cllr Andrew Tristram, Portfolio Holder for the Environment, said: "What an amazing effort there has been this year. Working together really can make a big difference to our local environment. I would like to thank everyone who took part, including those in Mansfields around the world. Let's do it again next year!"

Already, next year's event is being planned and will be held on Friday 8 June 2018. You can sign up to take part online at [www.mansfield.gov.uk/cleanup](http://www.mansfield.gov.uk/cleanup).

Like the International Clean Up Mansfield Day Facebook page at [www.facebook.com/cleanupmansfield](http://www.facebook.com/cleanupmansfield) to keep up to date with the latest news and to share details, photos and videos of your own activities.

# The Town Hall is NOT a Police Station

Members of the public are calling in to the Town Hall to report incidents to the police, this is not the correct way to report crime.

We need to encourage people to call 101 for non-emergency incidents which will be picked up by the local beat team. If incidents are not reported correctly, then they are not recorded therefore crime statistics will be incorrect. This in turn will lead to staff being reduced as the demand seems less.

**Please call 101 for non-emergency incidents.**

# Facebook Advert Fly Tipper Dumps Fine on Householder

A Mansfield man, who used someone he found on Facebook to dispose of waste, and a Mansfield woman, who used a scrap man to get rid of her waste, have been landed with criminal records after their waste was found fly tipped.

Barry James, 40, of Portland Street, and Mihaela Munteanu, 30, of the Knoll, were prosecuted by Mansfield District Council in separate cases at Mansfield Magistrates' Court on 25 May 2017.

They were ordered to pay a total of more than £660 after each admitted one charge of failing to comply with her householder's duty of care, contrary to section 34(2A) of the Environmental Protection Act 1990.

In both cases, the defendants had paid traders to remove waste from their homes but had not taken details of the vehicles used, asked for a receipt or asked to see the operator's waste carrier's licence - something that commercial waste disposal operators are obliged to have and carry with them.

The court was told that Barry James's offence related to waste found dumped in Newlands Way, Forest Town, on or before 5 January 2017. It included 12 bags of household waste and a number of items linked to the defendant.

He later told council officers that he had responded to an advert on Facebook and had paid a man £40 in cash to take his waste.

He was fined £80 and ordered to pay compensation of £107.28 to the council for clearing up the waste, prosecution costs of £85 and victim surcharge of £30 - a total £302.28.

Mihaela Munteanu's offence related to a large deposit of household waste, clothing, flooring, compost, underlay and carpet found in Peafield Lane, Mansfield. A number of items were linked to the defendant. She later told council officers that she had paid a scrap man £20 to take her waste.

The magistrates fined her £230 and ordered her to pay costs of £100 and victim surcharge of £30 - a total £360.

After the cases, Sarah Troman, Interim Director of Communities, said:

*"Residents should be really wary of using someone advertising on social media, or elsewhere, to dispose of waste cheaply.*

*"Always check they have a waste carrier's licence and take their credentials and vehicle details, because if your waste ends up fly tipped, it could be you rather than the fly tipper who has to carry the can for what is a criminal offence."*

# Dropping Can Costs Mansfield Man £600 for Littering

Failing to pay a £75 Fixed Penalty Notice for dropping litter has cost a Mansfield man more than £600 after Mansfield District Council took him to court.

South Derbyshire Magistrates' Court fined Matis Rubis, aged 25, of Lord Street, £220 and ordered him to pay costs of £353.87 and victim surcharge of £30 - a total £603.87 - for one offence of littering contrary to section 87(1) of the Environmental Protection Act 1990. The case was proved in his absence.

The court was told that Rubis was spotted by a council neighbourhood warden dropping a can on a path next to the River Maun near James Murray Mews in the town centre on 9 January 2017 and issued with an FPN (fixed penalty notice) for £75.

The FPN was never paid so the council took further action and issued a court summons against Rubis.

Cllr Bill Drewett, Portfolio Holder for Safer Communities, said after the case: *"This case makes two things very clear. If you drop litter in this district, you could be facing a fixed penalty notice. If you ignore that £75 FPN, we will take you to court and that could be much more expensive to you, both in terms of a fine and costs but also because you could acquire a criminal record, too."*

*"The simple answer is, don't drop litter. There are plenty of bins provided and if there isn't one around, take your litter home."*

**The Friends of Thynghowe**  
*Thynghowe and the forgotten heritage of Sherwood*

**The results of last year's magnetometer survey of Thynghowe have recently been published by Mercian Archaeological Services CIC.**

This report reveals more details of this site on Warsop's eastern boundary which is described as a 'complex of monuments', suggesting that the site is "of great importance not only regionally, and nationally, but potentially internationally".

We now await their report on the 2016 Thynghowe community excavation for more evidence of the origins of this remarkable site. The magnetometry report may be accessed online via the Mercian website on [www.mercian-as.co.uk/thynghowesfap.html](http://www.mercian-as.co.uk/thynghowesfap.html)

Once again we will be attending the Nottinghamshire Local History and Archaeology Festival at the Nottingham University Museum on Saturday 8th July. This free event runs from 12 noon to 4pm, you can drop in or come along for the whole day. We will be there with our display and we will also be giving a brief talk at the start of the day promoting Sherwood's Viking heritage and describing our latest research into the assembly site of Thynghowe.

Now in its 4th year this successful regional festival and celebration will be displaying the wide and varied work taking place throughout Nottinghamshire by local history and archaeology societies, archaeological units, museums and other regional archaeological organisations.

The festival will include displays, activities, handling of original material and talks. In anticipation of The Vikings exhibition in November 2017 there will also be a wide variety of related activities to participate in, including Viking hairstyles; Viking crafts; face painting; understanding runes; and re-enactments.

You can find out about our activities from our website and Facebook page and you can email us on [thynghowe@warsopweb.co.uk](mailto:thynghowe@warsopweb.co.uk) or contact us by phone on 846281.

## The Race is on!

### Tour of Britain and Nottinghamshire race organisers gear up to welcome world's top cyclists

The countdown is on to the biggest free-to-attend sporting event ever to come to Nottinghamshire. It's just 75 days to go to the start of the Tour of Britain race which will bring some of the world's top cyclists to the county.

National and local organisers, local school children and one of the race competitors gathered at the grounds of Southwell Minster to help encourage local people and schools to get involved and make sure they turn out in force on Wednesday 6 September – when all eyes will be on Nottinghamshire.

175-kilometers of the County's roads - starting in Mansfield and finishing in Newark on the same day - will be covered by stage four of the race which has a world-wide TV audience of millions. Around 1.6 million spectators are expected over the eight days.

Cllr Mick Barton, Mansfield District Council's Deputy Mayor said: "To host a full stage of the Tour of Britain is a real coup for the county and for Mansfield. Hopefully, the event will inspire local people of all ages and abilities to get out on their bikes and enjoy the many benefits of cycling, whether it's going to work or school or just for pleasure."

Mike Robinson, Director of Economic Growth at Mansfield District Council said: "Hosting the start of the Nottinghamshire stage is a major event for Mansfield and we're expecting a large number of spectators to join in the excitement."

"This is a wonderful opportunity for people to get involved and welcome some of cycling's biggest names to Mansfield."

Year 6 pupils from Lowe's Wong Junior school in Southwell helped prepare for the big day by brushing up on their own bike safety skills within the Minster's grounds – under the supervision of instructors from Nottinghamshire County Council's bikeability scheme run by Via - as well as getting top tips from Tour of Britain racer, Matt Cronshaw.

Marco Bradley age 11, from the school said:

*"I'm really excited about the Tour of Britain coming to Nottinghamshire. It will be an amazing chance to see some great cyclists!"*

Matt, a former Tour series champion, who is planning on competing in this year's race added:

*"It's great to see young people getting involved in cycling at an early age – I was just the same as I learned to ride a bike when I was three. I'm looking forward to racing through Nottinghamshire – not only it is the home of the world-famous Raleigh, we'll also be passing through some fantastic sites such as Sherwood Forest and of course coming through Southwell itself."*

*"I hope local people get involved between now and the 6 September. I know from previous Tour of Britain races that having a big turn out is a massive boost. It really spurs the riders on."*

Brendan Moffett, Chief Executive of Marketing NG, said:

*"Bringing such a high-profile event to Nottinghamshire will have a huge economic impact on the local visitor economy."*

## **The weather has done its stuff and the gardens are burgeoning with flowers and edibles.**

Despite trying to cut down on work and what we grow, we shall still have lots of "stuff" to pick, process and freeze etc. Let's hope there will be some free moments to actually sit in the garden and enjoy the Summer.

We finish our Summer singing season with a Concert at St. Chad's Church in Pleasley Vale on 8th July 2017 at 7.00pm. This is a beautiful, serene little church, surrounded by trees and with the River Meden running through the valley. We are delighted to be invited to sing there once again. On the following Wednesday evening, 12th July 2017 the choir will be resting their voices and enjoying a social evening together.

We always extend a warm welcome to anyone thinking about joining us. There are no auditions and no need to be able to read music. We meet every Wednesday evening in the Concert Hall of the Dukeries Academy from 7.30pm until 9.15pm.

This is best accessed via the leisure centre entrance and free car park. Have a look at our information on our website [www.thedukeriesingers.com](http://www.thedukeriesingers.com) or on YouTube or on Facebook or even ask any member of the choir you may know.

Phil is our Concert Secretary on 01623 822070 and he would be delighted to hear from you if you would like to book us. We sing for a wide variety of occasions and fundraising events in an equally wide variety of venues. We have lots of available dates for Autumn, Christmas and even 2018! Don't forget, Christmas has a nasty habit of sneakily creeping up and appearing suddenly from around a corner!

*Have a lovely Summer. Sing in the garden, The wildlife will love it.*
