## ELECTION 2017 VOTE

### Charlotte retires from competitive swimming

Paralympic medallist Charlotte Henshaw, who has announced her retirement from competitive swimming, was awarded the Freedom of the district along with fellow athlete Ollie Hynd in November 2016. Freedom of the Mansfield district is the highest honour the town can give to its citizens.

A local swimming pool was renamed in Charlotte's honour, along with brothers Sam and Ollie Hynd. The competition pool in the Water Meadows Swimming and Fitness Complex was renamed the Hynd and Henshaw Competition Pool in recognition of the achievements of the town's three most successful Paralympians.

Bev Smith, Chief Executive at Mansfield District Council, said:

*"Congratulations to Charlotte on all her achievements over the past decade. She is a fantastic example of someone who has reached the pinnacle of Paralympic sport after learning to swim in her local pool and working her way through the club swimming system."*

*"Having consistently won medals in major competitions, including silver at London 2012 and bronze at Rio 2016, there is no better time to bow out than at the top following three consecutive successful Paralympic Games."*

*"I would like to thank Charlotte for her contribution to sport in Mansfield district and for inspiring a generation of children – from learning to swim to achieving the best that they can."*

*"On behalf of everyone at Mansfield District Council I'd like to wish Charlotte the very best in her new sport and we look forward to continuing to support her in her bid for further success. I am sure she will continue to be a fantastic role model for young people and an ambassador for sport in the district."*

Charlotte said:

*"I'd like to say a big thank you for your support over the course of my swimming career and I hope that as I move on to a new sport I can continue the great relationship I have with the council. I'm still going to be involved with Nova and with Paralympic level sport. I'm passionate about keeping Mansfield active."*

Mansfield District Council's Swim Coach and Development Officer, Glenn Smith, has been Charlotte's swimming coach for 18 years.

## Let Warsop Speak Update Stonebridge Planning

**'Who do Mansfield District Planning department work for?' For everyone from Warsop who attended the Planning Committee Meeting on 2nd May 2017 the response is:**

**'Not the people of Warsop!'**

The Stonebridge fields made it to committee after nearly a year in the planning stage; yet despite having this time available to question the developers and ensure the adverse impacts on our town are properly investigated and mitigated, the meeting raised more questions than answers:

- Why have they ignored the report from Mansfield & Ashfield Clinical Commissioning Group about the impact of 1000 new residents on the already stretched healthcare in Warsop and not supported their request for Section 106 monies to mitigate this?
- Why when Natural England said they had no objection, subject to new information being found, did MDC not inform them of the discovery of reptiles on the site; despite having this evidence for over 10 months?
- And why do they allow Pegasus to keep saying there are no reptiles on the site in the face of independent evidence to the contrary? An ecological company chosen by Pegasus made the decision not to complete a reptile survey; even now Pegasus are trying to avoid completing this on the site itself – you would think they would be eager to prove us wrong.
- Why are they working from out of date reports from Severn Trent Water Authority when there is an issue with foul water drainage already in the Stonebridge area and on the Bellway estate?
- Why is there no recognition in the road plans of Stonebridge Rd and Carr Lane becoming a rat run as drivers avoid the overburdened Vale Avenue junction?
- How will traffic lights mitigate the addition of 800 cars onto the A60 from this proposed development when one small set of temporary traffic lights backed traffic up to the bridge on Carrs.

- Notts Wildlife Trust questioned why a full bat survey with stationary bat equipment installed hadn't taken place. The developers in response said they didn't do that for fear of the equipment being stolen – no one has challenged this.

Despite an excellent turnout on the day and passionate contributions from our four speakers, the planning team seemed very defensive of their report.

It was only down to the dogged determination of the councillors sitting on the committee that insightful questions were asked and ultimately a site visit was agreed before any decision is taken. Let Warsop Speak are continuing to gather evidence about the adverse impact of this application; which clearly outweighs any possible benefits, and we are currently waiting on a number of Freedom of Information requests. If you would like to get in touch with us, we can be contacted on [letwarsopsspeak@gmail.com](mailto:letwarsopsspeak@gmail.com), Tel: 07756 815885 or join us on facebook.

The next scheduled planning meeting is at the Civic Centre Monday 5th June 5 p.m. We would encourage people to attend; however we would request the Planning Committee process is respected.

## DON'T FORGET TO VOTE ON 8th June 2017

Copy deadline for the July 2017 issue is:

**Monday 5th June 2017**

Anything received after this date may not be included.

Please email your advertising or editorials to

or for further information telephone: 01623 846011

### As you can see from our front page article, the fight to protect our natural heritage continues.

Unfortunately the planning officers at Mansfield District Council seem to be able to make a recommendation to the committee based on flawed data and missing information thereby failing in their statutory duty.

Fortunately, the planning committee have delayed making a decision until they can become fully informed.

As you should be aware, there is an election happening on June 8th. Please use your right to vote and place your 'x' next to your chosen candidate. The mass media are predicting this general election to be a landslide for Theresa May and her Conservatives.

In Warsop at the last election, the turnout was only 27%. Would the other 73% have changed the result and therefore if the same is replicated nationally - what would happen?

## Promote Your Business by Advertising in **Warsop** & District News

The best way to reach local people and promote your business is to advertise locally. Warsop & District News is one of the largest free local publications in the area.

### 6,000 papers are printed and distributed every month.

Approx 5,700 are delivered to every household and business in the Parish of Warsop, the rest are distributed in the library, Town Hall, health centres, dentist, care homes, Meden Vale Charity shop and Cuckney shop.

At a fraction of the cost of some other well known publications you not only reach your target audience but get value for money too.

### Rates are as follows:

<b>Set Sizes</b>	Quarter page	130 x 163mm	£95.00
	Half page	265 x 163mm	£170.00
	Full page	265 x 330mm	£290.00

**Run of paper Ads** are charged at £6.00 per column cm. Columns are 8.5cm wide  
(eg. monthly advertising cost for an 8.5 x 4cm = £24.00)

Single Column	up to 15cm
Double Column	up to 7cm
Triple Column	up to 6cm

For sizes above these it's cheaper to have a quarter page so call in or phone to ask for a quote. (01623 846011)

## GARDENING MONTHLY...

### General tasks and garden maintenance

Along with all the flourish and splendour this month, weeds are thriving too, so keep on top of the situation; hoe on warm days and leave them on the surface to wither and die in the sun.

Another constant task around the garden at this time of year is deadheading - remove spent flowers from containers, pots, hanging baskets, beds and borders and feed them all occasionally with liquid feed. Deadheading diverts energy from producing seed into producing new flowers... so is a good thing all round.

Be prepared in case of a late frost - keep vulnerable plants and new shoots protected at night if frost is forecast and don't be tempted to put out your really tender plants until the middle of the month unless the weather changes dramatically.

If it's dry, attack ground elder, lords and ladies and the like with systemic weed killer painted onto the leaves, and trail tips of bindweed into jam jars full of the same. Remember systemic weed killers are indiscriminate and will kill anything they contact.

Watering is essential once the weather is drier and warmer - water thoroughly once or twice a week rather than little and often (containers and hanging baskets need watering every day and sometimes even twice a day if it is hot and windy) - this encourages plants to put down roots in search of water rather than coming up to the surface. For large shrubs or trees, leave a hose trickling around the base for an hour - hedges are best watered with a trickle hose (a length of old hose punctured with little holes) left running for an hour or so.

Carry on removing moss and weeds from paths, terraces and drives and keep an eye out for pests around the garden. Try to keep the use of chemical controls to a minimum - they may kill off pests, but they also kill off the beneficial insects that prey on them such as ladybirds and hoverfly larvae.

Continue the campaign against slugs and snails. They love the young shoots of delphiniums and the like, so use pet-friendly slug pellets, drench the ground around hostas with liquid slug killer to exterminate slugs below the surface or invest in a biological control (this employs nematodes to deliver a slug-lethal bacterial infection). Keep an eye out for snails and pick them off... what you do with them is up to you. Birds are your friends here - flat stones artfully located are useful accessories for birds to practise their snail catching techniques.

Caterpillar and aphid infestations can be dealt with by hand if caught early enough, but should the situation veer out of control you will have to resort to insecticides or grin and bear it! Don't forget aphids and other sap-sucking insects can transmit viruses so don't give in to the sympathy vote.

### Birds

Do keep putting out bird food - they quickly become accustomed to regular food supplies and it's a real treat to see wild birds in the garden.

### Lawns

Mow, mow, mow your lawn... little and often is better than a radical attack every now and then. Left too long between cuts and the job becomes much harder, so mow weekly if possible.

Feed established lawns if you haven't already done so with a high nitrogen fertiliser - this will encourage good 'leaf' (i.e. grass blade) development. If your lawn is mossy, use a fertiliser which contains mosskiller and if your weed content is higher than you might wish, use lawn weedkiller - although this will also kill any wild flowers.

Try to add your grass clippings to the compost heap in shallow layers; a huge dollop will only turn slimy and spoil your compost.

Don't let newly laid lawns dry out in hot weather - water in the evenings and if there is a heat wave, consider leaving the lawn longer than usual just to help it through the hot weather.

Happy Gardening

## Warsop's local man for the job!

Dear Warsop Resident,

In the coming weeks, we have an important decision to make about the future of our country and about Warsop.

**The election on June 8th will be a choice between a Labour Party that stands up for the many in Warsop and a Conservative Party that looks after the privileged few.**

Under the Tories, the NHS and social care have been pushed into a state of emergency, with soaring waiting lists and our hospitals in financial crisis. Schools in Mansfield and Warsop face cuts and class sizes are rising, with young people who want to go to university facing huge debts.

As your Member of Parliament, I will always:

- Protect vital facilities in Warsop including the Meden Sports Centre and our fire station – both of which are periodically threatened with closure – fight for improvements, including a new supermarket and proper local bus services.
- Consult, listen and take forward the views of Warsop residents on any building developments in the Mansfield District Council Local Plan and will support local residents position especially in respect to new house building.
- Fight for good local jobs for Warsop people, a living wage of £10 per hour, an end to zero hour contracts and full employment rights from day one of your job.
- Protect Warsop pensioners and guarantee the Triple Lock on pensions and bus passes.
- Fight to provide our NHS with the investment that it needs and tackle the crisis in social care.
- Stand up for young people and children by introducing universal free school meals for primary school children, abolish tuition fees and reintroduce EMA and maintenance grants for students.

**Warsop needs a government for the many, not the few. But the Tories have spent the last seven years giving tax breaks to the super rich, while working families in Warsop are set to be on average £1400 a year worse off.**

Labour will invest in Warsop to create prosperity. We will protect our public services, giving our NHS the money it needs and deliver good schools for all our children.

**And we will take an approach to Brexit which respects the outcome of the Referendum and protects jobs and the economy.**

## Warsop is backing Alan!

# Wheelie Bins Safety Plea

**Mansfield District Council is advising residents to only buy a wheelie bin from the authority to be certain that it meets its safety standards and will be collected.**

Residents are responsible for buying a replacement bin if theirs is lost or stolen or sometimes if they move into a new home and a bin has not been provided by the developer.

But some householders are buying wheelie bins from regular retailers, which are either a lower price than the £26 council bins or offer a larger capacity than the standard 180-litre council bin, and these can pose public safety risks.

Often the cheaper bins are made from a lower grade of plastic which can crack or buckle under pressure, or are not compatible with the lifting gear on the council bin lorries. This means heavy bins can fall off the lorries as they are being emptied.

Now, where bin crews come across a non-council provided bin, they are emptying it once and leaving a tag on the bin to advise the householder that the bin does not meet council specification and will not be emptied again until it is replaced.

Hayley Barsby, the council's Director of Communities, said:

*"This is not a huge problem in the district but it is something that has been ongoing for several years.*

*"A full garden waste bin can weigh 50kgs and a general waste bin can weigh up to 30kgs. There have been occasions where bins have snapped or cracked when placed on the lifting equipment and sometimes they have fallen off while being lifted. This is obviously dangerous, not just to our staff but also the public, especially if this happens on a busy road.*

*"It can also leave a terrible mess if the bin falls off the lifting gear then spills all over the street.*

*"The issue is that we cannot guarantee that bins sourced from elsewhere are made to the same high quality as council-provided wheelie bins.*

*"The council buys bins in bulk so we get a good price. If residents want to source their own bin, we need to make sure it meets our specification – which is very difficult to establish, so we don't encourage it."*

The council will replace its bins for free if they fall into the back of the bin lorry or are damaged beyond repair while being emptied – and these incidents are recorded.

Damaged bins are repaired wherever possible and should be reported to the council so that this can be arranged. Broken bins can be reported on the council's website at [www.mansfield.gov.uk/MDCUtils/forms/frmBinProblemReport.asp](http://www.mansfield.gov.uk/MDCUtils/forms/frmBinProblemReport.asp)

To avoid bin thefts the council advises residents to clearly mark their bins with their house number and address. Residents wanting to know the specifications of council bins, should contact the council's Waste and Recycling service by emailing [mdc@mansfield.gov.uk](mailto:mdc@mansfield.gov.uk) or calling 01623 463463.

# Clean Up Day Grows in Popularity

**A tree has been planted in Mansfield's Carr Bank Park to mark commitment to the International Clean Up Mansfield Day campaign.**

The Northern Red Oak tree, which is native to Mansfield, Ohio; our sister town in America, was donated by the Sister Cities Association in support of last year's Clean Up Day and to remind people about this year's event, which takes place on Friday 9 June.

The tree represents the close links with its twin towns in America. It could grow to an impressive height of 70ft when fully grown and will stand as a reminder of the project for years to come.

The International Clean Up Mansfield Day project, which is organised by Mansfield District Council, is now in its fifth year and aims to bring Mansfields from across the globe together to make them the cleanest towns in the world. There are 40 other Mansfields in the world including towns and cities in the USA, Canada and Australia.

You can sign up online at [www.mansfield.gov.uk/cleanup](http://www.mansfield.gov.uk/cleanup) to take part in big or small activities such as picking up litter, planting trees or bulbs, cleaning or painting your premises or anything else that improves the local environment. Events can be held on any day if 9 June does not suit.

Town centre businesses McDonalds, Boots, Marks and Spencer, will join Four Seasons Shopping Centre and Mansfield BID on activities in the town centre.

Conservation groups, schools, council staff and councillors are also taking part across the district.

Abroad, clean up events will be taking place in Victoria, Australia and Minnesota, Pennsylvania, Massachusetts and Texas in the USA.

Mike Robinson, Director of Economic Growth at Mansfield District Council, said: "We would like to thank The Sister Cities Association for donating the tree and for their continued support for the Clean Up Day campaign.

*"This tree is a great example of how, if we work together, we can make a difference to the environment in which we live. You can help do your bit too by gathering a group of friends, signing up, and tackling an area near you."*

Like the International Clean Up Mansfield Day Facebook page at [www.facebook.com/cleanupmansfield](http://www.facebook.com/cleanupmansfield) to keep up to date with the latest news and to share details, photos and videos of your own activities.

For further information contact Datsa Gaile, Town Centre Promotions Officer, at [dgaile@mansfield.gov.uk](mailto:dgaile@mansfield.gov.uk) or on 01623 463818.

# Sound of music rings at Carr Bank Park

**Brass bands will be performing at a series of FREE Sunday afternoon concerts this summer at Carr Bank, one of the District's Green Flag award winning parks.**

The performances, which have been organised by Mansfield District Council's Parks Department, will take place at the bandstand in the heart of the park from 2pm to 4pm on various dates from May to September.

The concerts are suitable for all the family, including the dog at this historic park.

The summer programme is as follows:

- Sunday 21 May Blidworth Welfare Band
- Sunday 11 June Pleasley Colliery Band
- Sunday 16 July Whitwell Brass Band
- Sunday 13 August Holymoorside Brass Band
- Sunday 17 September Shirebrook Miners Welfare Brass Band

The park retained its Green Flag status at the annual awards last year. The award recognises and rewards the best parks and green spaces across the country and with a Green Flag flying overhead, it is a sign to the public that the space boasts the highest possible standards, is beautifully maintained and has excellent facilities.

There are lots of other family friendly events taking place in parks across the district including the three Mansfield Summer Festival events at Titchfield Park on 28 July, King George V Park on 9 August and Carr Lane Park on 22 August. Check [www.mansfield.gov.uk/whatson](http://www.mansfield.gov.uk/whatson) to see what's on near you.

Play Forum also host weekly play sessions on parks including Rainers Field, The Heath, Carr Bank Park and Armstrong Road Park. Full details can be found online at [www.mansfieldplayforum.co.uk](http://www.mansfieldplayforum.co.uk). Director of Place and Wellbeing at Mansfield District Council, Martyn Saxton, said: "Carr Bank Park will be alive with the sound of music, so why not pack a picnic and soak up the summer with these free events. Bring your friends and family along for a great afternoon out in the fresh air.

Plus don't forget to check out what else is happening at a park near you on the council's website.

## 2nd Warsop Scout Group Receive Donation from The CO-OP'S New Community Fund

2nd Warsop Scout group recently received a donation from Warsop CO-OP from the CO-OP members community fund. They received over £2500, which will be used to purchase new tents to take all members of the group on residential camping trips.

## Giant Easter Egg Raffle

Edwinstowe and the Dukeries Lions Club held a Giant Easter Egg Raffle to raise funds for local deserving good causes. This is an annual event.

20 venues throughout the area took part and raised £1212. Many thanks to all the venues and to the generous members of the public who bought a number.

Three venues in Market Warsop took part and raised £221.

The winner at the Gate Inn, High Street, Market Warsop received the egg from Lion member Wendy McKean in the presence of his children TJ, Krystal and Aaron James Hargreaves all of whom attend Birklands Primary School, Market Warsop.

Group Scout Leader Andrew Melless commented:

*"This a fantastic amount of money to receive to support the work we do with young people aged 6-14 from Warsop and the surrounding villages".*

The Co-op Local Community Fund is their way of giving back to the millions of members and their communities - providing funding to local causes that Co-op members care about.

Every time a member shops at the Co-op, 1% of what they spend on home brand products and services goes to the Co-op Local Community Fund.

Co-op members have already earned over £9 million for over 4,000 local causes. This money, along with money raised from carrier bag sales, is used to support local projects that benefit the local community. As a member you can choose the local cause you want your own 1% to go to.

If you want to become one of our local causes then you'll be able to apply for the next round of funding.

To find out when that is and how to apply visit:

[www.coop.co.uk/membership/local-community-fund](http://www.coop.co.uk/membership/local-community-fund)

## Warsop Men's Probus

President Hugh Ashton welcomed 21 members to the Parish Centre for a talk by member Brian Booth entitled "The 'History Beneath our Feet'".

Brian is a very keen metal detector and over the years has found a vast amount of buried treasure in the Warsop area. He was the leading force in the Warsop metal detecting club starting out with a very simple metal detector that only could detect down a few inches to today's very sophisticated hi tech instruments. Over the years he had found some very valuable and rare coins and jewellery.

He is not so active today, but still is very interested in local history. After a break in the Stable bar lunch was served in the Fizerbert Room. The next meeting will be on May 17th when The rev Angela Fletcher will talk about being "Our Local Vicar"

Hugh Ashton

## Words Best Sung

**Words Best Sung** is the first novel by Chesterfield born comedy writer, Lee Stuart Evans, who grew up in Warsop, attending Birklands and Meden schools. Much of his novel is set in a fictionalised version of Warsop, as well as Langwith, Mansfield and surrounding areas. His mum still lives on George Street, and his family are all still local.

Lee, who now lives in Southeast London with his wife and two children, was the first boy in his family never to work down the pit (though not the last), on leaving school at 16 Lee worked in a garage parts department and as a Rover car salesman before returning to education and starting a career in television.

He has been a full-time comedy writer for fifteen years, he's written for many of Britain's funniest men and women, including Sean Lock, Jimmy Carr, Dawn French, Frank Skinner, Sue Perkins, Michael McIntyre and Stephen Fry.

He has also worked on hit TV shows 8 Out of 10 Cats and 8 Out of 10 Cats Does Countdown, The Jonathan Ross Show, The Frank Skinner Show, 10 O'clock Live, A League of Their Own, Live At The Apollo, and many more.

Words Best Sung which was published by Arundel Books on 16th February 2017 is a bittersweet love story. The novel is set among the contrasting worlds of railway yards and the swinging rock n roll scene of mid-1960s Nottinghamshire, Skegness and London.

*'For as long as he could remember, Nottinghamshire lad Alastair Braymoor had dreamed about two things: steam engines, and Charlotte, the tomboy from the top of the street. But when he starts work on the railway, steam is just a few years from extinction and Charlotte has run away to the bright lights, leaving Alastair hopelessly in lust with gorgeous but uptight Mary.'*

*After a seaside brawl leads to his pal playing drums for one of the hottest R&B groups in the country, at a concert with The Beatles, The Kinks and The Rolling Stones, a boys' adventure to the capital proves a revelation in more ways than any of them could ever have imagined.'*

The book is stocked by the Nottingham branches of Waterstones and W H Smith's, and also various independent bookshops, including Five Leaves Bookshop, the Nottingham Tourism Office, The Bookcase. Lowdham and Dukki Gifts. It is also available online from waterstones.com, Amazon.co.uk or direct from the publisher arundelbooks.co.uk - Price £7.99. An e-book for all devices is also available at Amazon.co.uk

Lee has been booked for a number of press and radio interviews, including Nottingham Post, Left Lion magazine, BBC Radio Nottingham and BBC Radio Kent, and for literary talks at Greenwich libraries and Blackheath Halls over the coming months.

**DUKERIES Singers** Jan Towler  
Your Local Choir

The sun is shining beautifully today. Let's hope June is as flaming as it should be and we can all get out and top up our vitamin D levels.

We recently delivered a cracking good concert at Tuxford Church. I think the Choir enjoyed the performance as much as the audience. Did you know that the toilet at St. Nicholas Church at Tuxford is twinned with a toilet in Kenya? Toilet twinning funds the work of the international relief and development agency Tearfund which helps deliver clean water, basic sanitation and hygiene education to the world's poorest people. Now that's a wonderful charity you never expected to read about in this article.

We do love to entertain and we do have plenty of available dates should you wish to book us for your own charity, celebration or fund raising event. We are already taking bookings for 2018. Our Concert Secretary Phil, on 01623 822070 would be delighted to hear from you.

Our engagements for this Summer are:

• **Saturday 10 June**

A Joint Concert with "The GentleMen" at Farndon Church at 7-00pm. (We are really looking forward to being on the same programme as this excellent group.)

• **Saturday 24 June**

Our Annual Summer Concert at Edwinstowe Village Hall at 7-00pm.

• **Saturday 8 July**

A Concert at St. Chad's Church at Pleasley Vale at 7-00pm. This is a charming little Church in a beautiful sylvan location.

If you think you would like to sing with us, you are most welcome to "give us a try" for two or three weeks to see if it is your thing. We are a very friendly and supportive group of people and the pleasure we gain from singing and performing is immeasurable, a real spirit lifter. There is no audition and no necessity to be able to read music. Just enthusiasm for music is needed.

We rehearse every Wednesday evening from 7-30pm. until 9-15pm. in the Concert Hall at The Dukeries Academy in Ollerton. This is best accessed via the Leisure Centre entrance and free car park. More information about the Choir can be found on our website, YouTube and Facebook, all under [thedukeriesingers.com](http://thedukeriesingers.com)

Have a lovely early and hopefully harmonious Summer to everyone.

We are spoilt for choice of great places to walk in and around Warsop and our new leaflet 'Sherwood Riverside Walks' describes places to visit alongside the River Meden and River Maun.

These walks along the ancient boundary of Sherwood Forest include The Carrs and The Bottoms at Meden Vale. You can pick up a copy of the leaflet and places including the library, The Plough and the Town Hall.

This spring's dry weather appears to have impacted on the Early Purple Orchids that appear each year on the Hills & Holes. Not only have there been fewer flowering plants but the ones that have bloomed have been looking rather tatty. This month we should be able to see whether Common Spotted and Bee Orchids are doing any better.

The dry spell prompted several deliberately started grass fires. Local youngsters have been blamed (not without justification in some cases) but I hope that fear of being held responsible for incidents of vandalism will not discourage the large majority of good kids from venturing into our countryside. The countryside is at greater risk from a generation that does not understand or appreciate the wildlife than from the actions of a few irresponsible folk of all ages.

Several years ago, the American author Richard Louv introduced the concept of 'nature deficit disorder'. Young people are no longer playing in the fields, woods and parks where their parents played, and they are losing contact with nature. For their leisure time they are retreating back inside the house. He described two main reasons: parents' fear of "stranger danger" and the attraction of electronic screens, of computer games and the internet. This could result in increasing alienation from the natural world, with diminished use of their senses, attention difficulties and higher rates of physical and emotional illnesses. Louv's work focused on the consequences for children but there are also consequences for the hedgehogs, butterflies, birds and fish that modern children are much less familiar with than previous generations. Many children who are unaware of or not interested in the natural world will be less likely to grow into its defenders, at a time when it is under threat from climate change and other factors.

Our next group walk will be on Saturday 10th June. This will be one of our walks celebrating the anniversary of the Charter of the Forests, focussing on the landscape along the rivers that once formed the Sherwood Forest boundary. We will meet outside Warsop Library at 10am before setting off on a walk around Pleasley Vale, traveling by car to the starting point. ## Enjoy Riverside Walks along Sherwood's Ancient Boundary

Walks alongside the River Meden feature in a new project celebrating the 800th anniversary of The Charter of The Forests.

The northern boundary of Sherwood Forest followed the River Meden after the Charter of 1217 restored the boundary to the course it had followed before King John and other Plantagenet kings seized land to enlarge their Crown Forest.

Enjoy riverside walks through this historic landscape by following routes suggested in Warsop Footpaths & Countryside Group's new leaflet 'Sherwood Riverside Walks' or by joining the group's guided walks held on one Saturday each month. You will be able to discover more about the wildlife and history of northern Sherwood.

As part of this project the group have become a Charter Branch for the Woodland Trust's Charter for Trees, Woods and People. The trust will plant a tree for everybody who signs this charter.

You can read about this project online at [sherwood1217.wordpress.com](http://sherwood1217.wordpress.com) and on [facebook.com/Sherwood1217](https://www.facebook.com/Sherwood1217)

Warsop Footpaths & Countryside Group is grateful for the financial support received from Big Warsop ROLo, The Sherwood Forest Trust, The Friends of Thynghowe and the Charter for Trees, Woods & People.

**The Friends of Thynghowe**  
*Thynghowe and the forgotten heritage of Sherwood*

**We are pleased to be involved in the Sherwood 1217 project celebrating the 800th anniversary of the Charter of the Forests. The boundary of Sherwood Forest followed the River Meden just over a mile north of the assembly site of Thynghowe.**

Royal Sherwood Forest was established following the Norman invasion of 1066. King William I claimed large areas of England where the 'beasts of the Forest' were protected for hunting. Forest Law imposed harsh penalties on anybody caught poaching or damaging the landscape where the protected deer and wild boar lived.

Sherwood Forest had expanded after the reign of Henry I with more people falling under the penalties of forest Law. All of the Plantagenet kings took an interest in Sherwood Forest, regularly staying at their magnificent palace at King's Clipstone.

Towards the end of King John's reign the barons rebelled with Magna Carta becoming a failed attempt at a peace treaty. Magna Carta was reissued in 1217 at the start of the reign of Henry III with the clauses that applied to the royal Forests covered by the separate Charter of the Forests.

Under this charter, all lands that had been seized since the time of king Henry II would no longer be considered Forests and no man should lose his life or suffer the amputation of any of his limbs for killing the king's deer, paying a grievous fine instead.

As a result of the Charter of the Forests, the boundary of Sherwood once again followed sections of the River Meden and River Maun and the perambulations of the Crown Forest would have passed between Market Warsop and Church Warsop.

However, there were later changes to the boundary of Sherwood. Land around Carburton was included in the Forest in the accounts of later perambulations.

## The 4.30 Thing

Ever wonder what happens in our beautiful church of St Peter & St Paul, apart from weddings and funerals?

We have many services both old and new, sung and said. BUT the Sunday 4.30 thing is very new and might just be the right thing for you.

We start with coffee/tea and a chat around the table. Sometime there's cake if anyone has been baking. We then move into some music time (bring your instrument if you play) and hear a story from the Bible. This gives us direction for our activity, which can range from origami to painting and modelling while we talk together about the story we have heard and what it tells us about life today.

Of course sometimes just sitting is good – painting is not compulsory. We then have more music and a time of quiet reflection and prayer. Importantly, you are at the centre of this Act of Worship and influence the way it develops. We get to talk to each other.

Who are we? Well we are a small group who range from 2yrs old to 60+ (we don't ask people their actual age). We are led by Revd Jennie Sharpe and we would welcome you to join with us at 4.30.

If you would like to know more or feel a bit shy about just turning up call Jennie on **01623 629614** or email [revdjenniesharpe@gmail.com](mailto:revdjenniesharpe@gmail.com)

## THE ROYAL BRITISH LEGION

### NMA Trip

The branch trip to the NMA (National Memorial Arboretum) will take place on Wednesday 26th July. The cost is £8 members and £10 non-members. We will leave Warsop (Burns Lane) at 9 am, returning about 4.30pm.

### Afternoon Tea

Branch members want to buy a memorial bench for the branch to be placed at the NMA. To raise funds for this purchase we are holding an afternoon tea at the Oaklands Centre on Sunday the 13th August. Entertainment will be provided. Tickets £6. Please ring Cliff on 07944 131628 or Pete on 07889 181026 to book your place for either the afternoon tea or the NMA trip.

### Charity Night

The branch held a successful charity night at the Ex-Servicemen's Club with £380 being raised for the charity. Special thanks go to Tom & Marion Barlow, The Ex-Servicemen's Club, Debra Barlow, Burton & Sherwood, The Co-op, Bells Fruit & Veg shop, Boyes, Maloney's Butchers, Wetton's Butchers, Neville Siddle, Dave Boden, and to all members and non members who supported the event.

### Drop-in

The June Drop-in will be on the 2nd at Warsop Town Hall, 10 am to 12 noon. (1st Friday of every month)

### Next meeting

Our next meeting is on the 12th June at 7.30pm (2nd Monday of each month). Ex-Servicemen's Club, Carr Lane. Anyone is welcome to attend our meetings and potential members do not have to be serving or ex-serving to join.

## Two fined for fly tipping

**Two men from Mansfield and Meden Vale have been ordered to pay a total of £974 after admitting charges of fly-tipping.**

In separate cases prosecuted by Mansfield District Council at Mansfield Magistrates' Court on 27 April 2017, Pawel Trzeciak, aged 34, of Beck Crescent, Mansfield and James Vaughan, aged 33, of Netherfield Lane, Meden Vale, each admitted a charge of fly-tipping under section 33 of the Environmental Protection Act 1990. Trzeciak was charged after waste was found fly-tipped at Recreation Street, Mansfield on 18 November 2016. Magistrates fined him £450 and ordered him to pay £94.93 compensation and £100 prosecution costs.

Vaughan was charged after fly-tipped waste was found at Netherfield Lane, Meden Vale on 20 September 2016. He was fined £200 and ordered to pay prosecution costs of £100 and a £30 victim surcharge.

After the two cases Director for Communities Hayley Barsby said: "Mansfield District Council will not tolerate fly-tipping. As well as being an eye-sore, it also represents a public health and safety hazard so we will aim to bring perpetrators to court whenever we can. We want people to know that it is not acceptable to dispose of waste in this way."

## Unlicensed scrap metal collectors fined in Warsop

**Two drivers have been fined after a joint operation by Mansfield District Council's Community Partnership Hub to target unlicensed scrap metal collectors operating in the Warsop area.**

Three vehicles were stopped as part of the operation, two were seized for having the incorrect insurance under Section 165A of the Roads Traffic Act 1988. This means that while the vehicles were insured for social, domestic and pleasure use, they were not insured for businesses use. Therefore by using their vehicles to collect scrap metal, their insurance policy was invalid.

Two drivers were issued with £300 Fixed Penalty Notices for 'Failure to produce authority to transport controlled waste.'

The operation was carried out in response to a number of complaints from local residents.

Elaine Quince, Community Safety Operations Manager at Mansfield District Council said:

"Anyone collecting scrap metal needs to be registered not only with the Environment Agency as a waste carrier, but they also need to be licensed with the relevant local authority as a collector."

"It's also important that householders who arrange for their scrap metal - or any waste - to be taken away, check that they are using licensed waste carriers. Failure to do so could lead to them being prosecuted and appearing in court, where they could receive substantial fine, in addition to the person taking the scrap metal away."

For more information on licensed carriers visit:  
[www.mansfield.gov.uk/article/5856/Scrap-metal-licence](http://www.mansfield.gov.uk/article/5856/Scrap-metal-licence)

## Waste offenders ordered to pay nearly £5,000 so far this year

**Mansfield District Council has successfully prosecuted ten offenders on charges connected to the illegal disposal of waste so far this year.**

Altogether the offenders have been ordered to pay nearly £5,000 in fines and costs.

Three offenders admitted charges of failing in their duty of care to ensure waste is disposed of correctly and seven admitted the more serious charge of fly-tipping.

Some of the 'Duty of Care' charges, contrary to the Environmental Protection Act 1990, were pursued after people used a friend, relative or scrap man to dispose of waste on their behalf, which was then later found fly-tipped.

One fly-tipper was collared after he was caught red-handed on hidden cameras. It was the first time the council had successfully caught an offender using covert CCTV, which can be used only under a court order.

As well as fines, Mansfield Magistrates also punished one offender with a curfew.

In addition, 15 £200 Fixed Penalty Notices have been issued since August 2016 to people who have fly tipped small amounts of waste.

The latest convictions come as new figures show the number of incidents of fly-tipped waste cleared by the council in 2016/17 was 1,612 up from 1,335 in 2015/16, an increase of 20%.

The cost of dealing with the problem also increased from £64,338 in 2015/16 to £76,365 in 2016/17, an increase of 18.5%.

A report to councillors also shows that from April 2015 to March 2016, there were 11 prosecutions, while during the same period in 2016/17, nine cases were brought to court. In addition there were 32 warnings about fly tipping issued by the council in 2016/17 (34 in 2015/16).

Director of Communities Hayley Barsby said:

"So many times people are caught out by not checking the credentials of the person disposing of their waste."

"To be legal, they must have a waste carrier's licence. Using an unlicensed operator might seem like a cheaper option, but it can prove very costly if the waste is later fly-tipped - costly for the council and, therefore, council tax payers to clear up, and costly to the offending householder by landing them with a possible fine and criminal conviction."

## Three prosecuted after failing to pay Fixed Penalty Notices

**Three people from Mansfield have been ordered to pay a total of £1,380 by magistrates after failing to pay Fixed Penalty Notices for dog fouling and littering offences.**

The cases, prosecuted by Mansfield District Council, were heard at Southern Derbyshire Magistrates' Court in Derby on 12 April 2017. Jordan Lee Coombes, 41, of Carter Lane, was fined £440, and ordered to pay £75 costs and a £44 victim surcharge for dropping litter after failing to pay a £75 Fixed Penalty Notice (FPN). He entered no plea and the case was proved in his absence.

Wayne Northridge, 46, of Morton Close, was fined £220 and ordered to pay £313.87 costs and a £30 victim surcharge for not picking up his dog's faeces after failing to pay a £100 FPN. He entered no plea and the case was proved in his absence.

Siegfried Posa, 25, of Bowling Street, was fined £80 and ordered to pay £150 costs and a £30 victim surcharge for dropping litter after failing to pay a £75 FPN. He admitted the offence.

Director of Economic Growth at Mansfield District Council, Mike Robinson, said after the case: "These cases show that if you are issued with a Fixed Penalty Notice, it pays to pay up early because the council takes the issues of dog fouling and littering seriously and will pursue offenders who fail to pay their FPN to the court to ensure offenders are brought to book."
