

Above is the proposed site plan and below proposed first floor for the new Meden Sports Centre in Warsop.

## A New Sports Centre Proposal for Warsop?

**Warsop Parish Council have long fought to save Meden Sports Centre but unfortunately Cllr Andrew Tristram, Portfolio holder at MDC has taken the decision, despite overwhelming public opposition to cease management of the facility from April 2018.**

In early October, it was also announced by Mansfield District Council that there is no viable building for them to utilise to provide a new fitness centre. It has also been reported that the Council, led by Executive Mayor Kate Allsop, have invested in hotels and other buildings outside of the District and more recently a new gym in Gorton, Manchester. This has also been confirmed by figures released under the Freedom of Information Act.

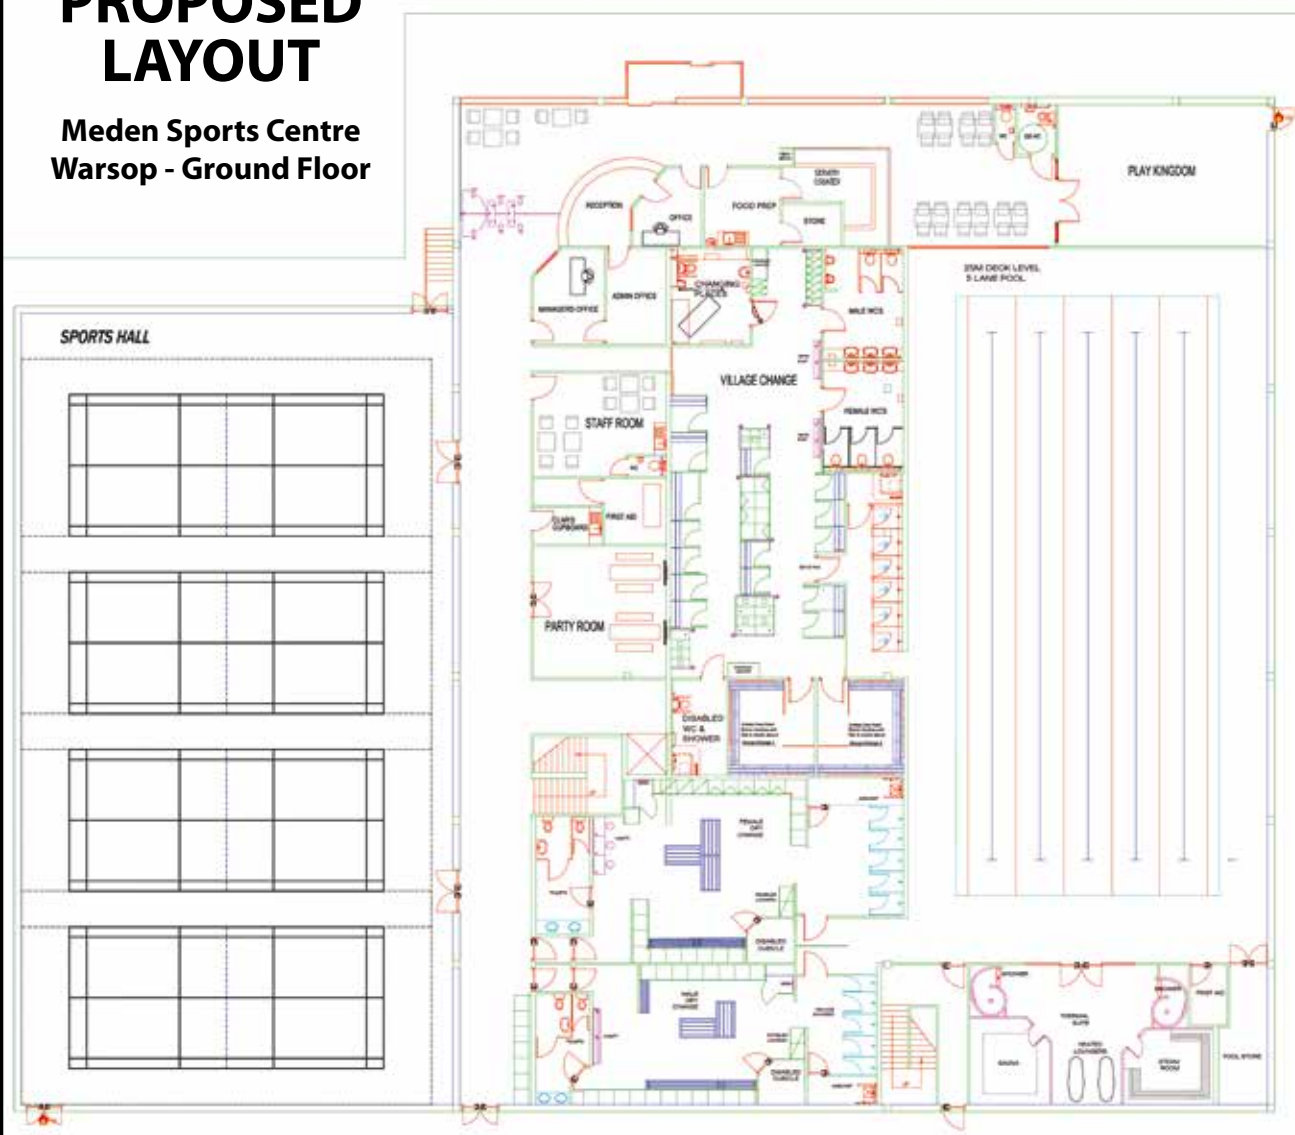

The Parish Council of Warsop have been working with Pulse Fitness on the viability of a brand new sports centre. Pulse have developed plans for a new building (shown) and we're very excited by the prospect. Nottinghamshire County Council and Meden School have indicated that they are

happy for land at the rear of the current sports centre to be utilised for the new build. It is expected to cost in the region of £4 million and the Parish Council are actively looking for ways to fund this.

In the meantime, perhaps readers of this paper would like to share their thoughts on the proposal with the Parish council by contacting any of the councillors or the Clerk (details listed on page 4). Alternatively, you may also like to ask the Executive Mayor why Mansfield District Council are happy to invest in buildings and developments outside of the district and not in the areas that they're elected to serve. Contact the mayor on [mayorkateallsop@mansfield.gov.uk](mailto:mayorkateallsop@mansfield.gov.uk)

### PROPOSED LAYOUT

#### Meden Sports Centre Warsop - Ground Floor

Copy deadline for the December 2017 issue is:

**Monday 7th November 2017**

Anything received after this date may not be included.

Please email your advertising or editorials to  
The Editor at the new email address below:

or for further information telephone: 01623 846011

## Editor's Letter

### Remember, remember the 5th November... as the rhyme goes.

If you are celebrating bonfire night, I hope you have an enjoyable and safe evening.

Hopefully, you have read the exciting news on the front page about the Parish Council's plans for a new sports centre including swimming pool. At this early stage, there are lots of things to consider - not least how we're going to fund it. This aside, it is important to note that we must not be without a decent sports facility in Warsop.

Members of the Parish Council went on a site visit in August. Whilst there, the sports centre were taking delivery of some 'new' spinning bikes. I use the term 'new' quite loosely - they were actually 3rd hand having been passed through 2 other centres in Mansfield before arriving here due to those centres receiving new (in the true definition of the word) stock. To me, that perfectly summed up the utter contempt that certain factions within the District Council hold the people of Warsop. I, for one, sincerely hope that we can bring the plans to fruition as it's about time that Warsop residents had a new asset.

Stuart Moody - Editor, Warsop & District News

## Promote Your Business by Advertising in Warsop & District News

The best way to reach local people and promote your business is to advertise locally. Warsop & District News is one of the largest free local publications in the area.

### 6,000 papers are printed and distributed every month.

Approx 5,700 are delivered to every household and business in the Parish of Warsop, the rest are distributed in the library, Town Hall, health centres, dentist, care homes, Meden Vale Charity shop and Cuckney shop.

At a fraction of the cost of some other well known publications you not only reach your target audience but get value for money too.

### Rates are as follows:

Set Sizes	Quarter page	130 x 163mm	£95.00
	Half page	265 x 163mm	£170.00
	Full page	265 x 330mm	£290.00

Run of paper Ads are charged at £6.00 per column cm. Columns are 8.5cm wide (eg. monthly advertising cost for an 8.5 x 4cm = £24.00)

Single Column	up to 15cm
Double Column	up to 7cm
Triple Column	up to 6cm

For sizes above these it's cheaper to have a quarter page so call in or phone to ask for a quote. (01623 846011)

With rates like these you can't afford not to!

For advertising prices and article information please contact:

**Amanda Cooper**

Clerk to the Parish Council

## GARDENING MONTHLY...

### General Tasks and garden maintenance

#### Tidy borders

Cut down herbaceous stems and clear the tatty remains of annuals, but do leave a little cover of the perennials that fade relatively elegantly (sedum, astilbes and grasses for example).

They will provide winter interest as well as some much needed wildlife shelter - ladybirds especially appreciate winter quarters and will repay your hospitality by disposing of aphids in industrial quantities next year. Leaving sodden debris and fallen leaves around plants will only encourage pests and disease.

#### Clean out the greenhouse

Clear out the greenhouse, wash pots and trays, clean, mend and oil your tools and throw away anything that is beyond hope or reasonable repair! Cleaning your greenhouse thoroughly will prevent pests from hibernating and leaping into action next spring. Wash the windows inside and out to allow maximum light in over the winter and scrub benches, fixtures and glazing bars with disinfectant, making sure you hose the whole place down really well, especially dark and dusty corners.

For really effective pest elimination, fumigation is the ticket. Move all plants outside, shut the windows, light a sulphur candle in the middle of the floor, (retreat at speed!), shut the door and wait until the smoke and fumes have completely dispersed several hours later. Your greenhouse should now be delightfully pest free!

#### Drain and lag...

Save yourself untold irritation and expense by draining and lagging standpipes, outdoor taps, irrigation lines and water pumps in advance of sudden hard frosts.

#### Prepare your soil for next year

For beds that lie bare in winter, carry on with the winter digging until the soil is too hard - use compost, manure, leaf mould - in fact as much organic matter as you can lay your hands on to replace the goodness in it. It can be left in a pretty rough state over the winter when the elements will break the clods down, making spring planting infinitely easier!

For text book soil improvement, you should add a layer of organic matter and dig it in by turning over spadefuls so it is buried below the surface. If this seems too much like hard work, just mulch the bed and leave the rest to the worms! If your soil is thin or heavy clay, just fork it over now; too much digging on the former will bring up infertile matter from below whilst great chunks of wet clay will remain rock solid over the winter and become nigh on impossible to break up next year.

#### Planting

Plant bare-rooted trees, shrubs, hedging and roses as well as fruit trees and bushes (see later). Soak the roots in a bucket of water for an hour first and protect against frost and wind if exposed.

#### Rake fallen leaves

Fallen leaves prevent light and air getting to plants and lawns and these dark, damp conditions are also heaven on earth for slugs, snails and an unwholesome array of fungal diseases. However, don't waste these tumbled treasures - given time they will decompose into fabulously rich leaf mould - aka 'nature's soil conditioner of choice'! Rake them up and throw into a simple frame made of chicken wire or wood. Failing that, black bin liners spiked with air holes will do if you can bear the sight, but remember to dampen the leaves first should they be dry (some hope!). Leaf mould takes about a year to mature (2 in the case of oak leaves), makes a great top dressing for woodland plants such as rhododendrons and is an excellent and FREE home-grown substitute for peat. Don't be tempted to use rose leaves, which can easily carry infection, or evergreens, which take too long to rot down.

#### Lawns

Rule one - keep off the lawn when it is sodden or frozen - a startling degree of damage is remarkably easily inflicted.

Rake up fallen leaves regularly - left in place they will encourage fungal disease and bare patches and make your final cut when the grass is reasonably dry with the blades set high.

Scarify and spike to improve surface drainage and aeration and apply autumn feed and moss killer if you didn't do it last month.

New turf can be laid, weather permitting, and if you are planning to sow or lay a new lawn next spring, there is still time to prepare the ground so it is in tip top condition.

Book your mower in for servicing - leaving it until spring just places your machine firmly at the back of a long queue!

#### Birds

Winter is tough for birds - as temperatures fall, regular supplies of food and fresh water become ever more important to help them survive the cold months and emerge in good condition for the breeding season next year.

Do make sure clean water is available, especially in freezing conditions. Buy good quality bird food and fat or suet balls, ensure feeding stations are well out of the way of cats and enjoy the company of our feathered friends throughout the winter!

Happy Gardening

# Warsop's Fight to be FRACK FREE

**Frack Free Warsop held an exhibition at the start of October which was well attended by people who wanted to know more about Ineos' proposals to turn our area into an unconventional gas field.**

Quite a bit of interest was prompted by seismic survey trucks and equipment starting to appear in the fields around our homes!

Thanks to the efforts of our Chairman, Warsop Parish Councillor Roy Butler, the event was televised on BBC East Midlands, helping to further raise awareness that this threat is real and is happening NOW.

*Cllr Roy Butler interviewed by BBC East Midlands Today at the Frack Free Warsop Exhibition*

People attending the exhibition came from Warsop and surrounding communities, wanting to find out more about how the industry's processes will affect their homes and families. After reading the information on display and chatting to some of our volunteers, there were several concerns that were raised by people at the exhibition, most notably the following:

## Coal Mining Area

As our area is riddled with old mine workings, a number of people were deeply concerned that this industry could even contemplate drilling here. Several people who worked in the coal mining industry stated that our area is heavily faulted and that some old workings had been abandoned without structural support making collapse more likely. Consequently, there could be a risk of surface damage should fracking take place and trigger seismic activity, as happened at Preese Hall in Lancashire in 2011.

An independent report commissioned by Cuadrilla at the time stated "most likely, the repeated seismicity was induced by direct injection of fluid into the fault zones" lubricating the rocks and allowing them to slip past each other, triggering earthquakes. In turn, the earthquakes caused deformation of the well casing, and subsequent leaking of gas within the well (Greenpeace; Unearthed, 15.6.2015). Well integrity failure is what could allow the toxic chemicals and gases involved in fracking processes to seep into surrounding rock; if it happens adjacent to water bearing-rock, this could lead to contamination of the aquifer.

It was reported in the Northwiche Guardian that, in a debate on fracking, Professor Peter Styles of Keele University said "There's no way you would ever do fracking in any area of previous... coal extraction because it's too dangerous."

Concern was also expressed over the lack of clarification from the government on exactly what recompense there would be for any damage to land and property should sudden subsidence or collapse occur and whether Ineos would be able to use the fact that our area is already prone to mining induced seismic activity to escape responsibility.

## House Prices and Insurance Premiums

Other concerns raised related to house purchases and house insurance costs; it came to light that when buying property in the Warsop area, searches have not revealed the situation regarding Ineos' permits to carry out exploratory drilling across the countryside.

The Petroleum Exploration Development Licences held by Ineos for our area were awarded in 2015 and the government have been actively supporting the industry, yet our group were informed by a recent house purchaser that no information appeared on searches carried out for their house buying process as recently as a few months ago. The government carried out a study in 2014 into "Shale Gas Rural Economy Impacts" which controversially indicated:

- an anticipated reduction in property prices of up to 7% in areas near drilling operations
- higher insurance premiums for homes within 5 miles of shale gas sites due to the risk of explosions
- residents health could suffer due to noise and pollution

- fracking risks would industrialise previously pristine rural areas and cause increased traffic and congestion
- locals may miss out on most of the skilled jobs the industry creates.

So even though we have had the seismic survey process taking place around us for several months and Ineos actively looking for sites for exploratory drill pads, it seems prospective house buyers have not been informed! A poll in October last year, reported on the Tepilo.com website, showed that 64% of those surveyed would be reluctant to buy a house near a fracking site.

## Radioactive Waste Treatment and Disposal

Some discussion took place relating to rumours of plans to use the future abandoned wells as storage for radioactive waste; scientists at Sheffield University recently won an award for research work on "Deep Borehole Disposal of Nuclear Waste"!

The flow back fluid produced by fracking is a NORM waste, (Naturally Occurring Radioactive Material) as it picks up naturally occurring radioactive materials during the underground processes.

The issue of disposal of millions of gallons of toxic, radioactive flow back fluid also caused concern. According to Drill or Drop website, a site has been identified by campaigners as a possible destination for fracking waste at FCC Environment Treatment Facility in Ecclesfield, Sheffield, which has appropriate environmental permits to treat fracking waste and which is now covered by Ineos' Injunction! Campaigners fear the treated effluent could eventually be sent to the Blackburn Meadows treatment site and discharged into the River Don. Other concerns raised related to the high number of HGV tankers needed to transport all this radioactive waste along our roadways to the treatment sites, possibly several thousand movements per well.

## Ineos Safety Record

Various other topics arose including Ineos' poor track record on health and safety and the dependence of the government on self-regulation by the industry in meeting regulation standards, together with what impact there might be on our countryside especially for Sherwood Forest and other sites of historical and natural interest.

*Image from Frack Free Nottinghamshire website, courtesy of Frack Free South Yorkshire*

By and large, general reactions from members of the public who attended seemed to be a sense of disbelief, puzzlement and anger that the government could be in favour of something that has so many hazards for the public and for the environment; many people put their thoughts into action by signing our petitions and planning objections.

The event was rounded off with an informative and thought-provoking look at the unconventional gas industry by guest speaker Mr Dennis May, who described the fracking process, the impacts of the industry and gave a look at our existing energy supplies and where the growth sectors are (clue: green in colour!).

If you missed the exhibition and want to find out more, a good starting point is the Medact report "Health and Fracking" and its recent update "Shale Gas Production in England" (www.medact.org). There are lots of informative websites online – have a look at Friends of the Earth, Frack Free Nottinghamshire, Drill or Drop, or visit any of the Facebook pages for the local groups, new ones popping up almost daily in response to the imminent threat of this industry in our area.

## Council dog service wins RSPCA award hat-trick

**Mansfield District Council's Dog Control Service has achieved a 2017 Gold Stray Dog Footprint Award from animal welfare charity, the RSPCA, for the third year in a row.**

This prestigious award ensures that all stray dogs are treated humanely and safely while under the care of the council.

This includes:

- having an effective out of hours service
- the provision to treat any sick animal
- assessment and re-homing policies
- a commitment to scanning and checking the ID of all recovered dogs
- a micro-chipping service for a minimal fee
- promotion of responsible dog ownership
- appropriate training for officers in dog handling, behaviour and welfare.

Since micro-chipping was made a legal requirement for all dogs last year, the number of stray dogs picked up in the district has decreased from 547 in 2015/16 to 460 in 2016/17.

The percentage of identifiable stray dogs picked up has improved since micro-chipping was made a legal requirement, from 61% in 2015/16 to 64.5% in 2016/17.

And the number of dogs reunited with their owners after being picked up by the council has also improved. In 2015/16, 74% of dogs picked up by the council were reunited with their owners and in 2016/17, that had risen to 78.75%.

The majority of those dogs were pets who were picked up by the Dog Control Officer, scanned for a micro-chip, identified and returned directly to the owners without having to enter kennels. Where this happens, there is no fee for returning a stray to their owners - providing their pets are not recorded by the council as being regularly picked up as a stray. Efforts by the council to reunite stray dogs with their owners and find homes for unclaimed dogs has included an increasingly popular campaign on Facebook. The council's Facebook page publishes photographs of missing and abandoned dogs which have achieved a staggering 950,852 views over the past year - up from 778,629 the previous year.

Cllr Bill Drewett, Portfolio Holder for Safer Communities at Mansfield District Council, said: "Well done to the Dog Control Service for their 'hat-trick' in offering a golden service to our four-legged customers who have gone walkabout rather than walkies."

"And what an amazing response from the public in trying to help reunite these lost pets on Facebook! It is proving a really popular tool and, along with micro-chipping, is helping both to bring down the number of strays and increase the number of lost dogs reunited with their owners."

If you find a stray dog, try to secure it and contact our Dog Control Service on 01623 463189 (01623 463050 out of hours) or email dogcontrol@mansfield.gov.uk. If you have any concerns about dangerous dogs, contact Nottinghamshire Police on 101. Photographs of stray dogs are published on facebook.com/mymansfielduk.

Telephone: 01623 846011

## PARISH COUNCIL MEETING

A full set of minutes for the meeting which was held in the Council Chamber at Warsop Town Hall on 16th October are available by contacting The Clerk, Amanda Cooper at [theclerk@warsopparishcouncil.co.uk](mailto:theclerk@warsopparishcouncil.co.uk) or visit the website: [www.warsopparishcouncil.co.uk](http://www.warsopparishcouncil.co.uk)

## Your Local MP's Update

**I've been at Conservative Party Conference this month, and I made sure I took the chance to put across constituents' views on Brexit when I met with Brexit Minister Steve Baker.**

He was very clear that we are leaving the EU in March 2019 and that by that point a substantial amount of control will be back in our own hands, including having full control of our own laws. The implementation period that's been discussed is after we've left, and is to help UK business to transition and protect jobs in this country. The Government are committed to honouring the referendum result and getting the best deal possible, and I'll continue to ensure that Warsop has a say in the process. I also had the opportunity to get up on the main stage before the Prime Minister's speech and talk about Mansfield live on the BBC, to tell the world about what amazing potential we have.

I have begun a series of meetings designed to bring different organisations together to talk about the issues associated with homelessness. We need to all work together to see if we can find a solution, so I am bringing together the councils, charities, the police and local businesses. The first meeting brought together people from the various councils to talk about how I can help them, and resulted in a really good discussion and points for me to take up with the Minister.

I want to hear about the things that matter to you here in Warsop because I know you often feel that you don't have as much of a voice as residents in town. That's not fair and I want to help, so I'm sending out a survey across as much of Warsop as I can over the coming months to get your views. Please do take part (it's free!) and let me know what you think.

Ben Bradley

## BEN BRADLEY MP DROP-IN SESSIONS & SURGERIES

Ben Bradley MP is holding weekly drop in for constituents at Warsop Town Hall on Thursdays, 10am – 1pm  
To book an appointment either telephone 01623 372016  
Or email [ben.bradley.mp@parliament.uk](mailto:ben.bradley.mp@parliament.uk)

# **WARSOP** **Footpath & Countryside Group**

**November can be a spectacular month in our woodlands. We are fortunate to be surrounded by ancient woods and extensive parkland.**

A walk through our local woods or a visit to the country parks at Edwinstowe, Clumber, Rufford or Thoresby Park will be rewarded by sights of changing leaf colours and carpets of fallen leaves. If there have not been any hard frosts the colourful displays of fungi can be equally special.

It is good to note that hedgehogs are doing well in some parts of Warsop. Numbers have fallen in recent years, partly due to changes in garden fashions. Concrete plinths around gardens, the loss on untidy areas and the increase in paved areas may have contributed to their decline. Any piles of wood or leaves can provide a winter home for a hedgehog although a custom built shelter is even better. If there are hedgehogs around your home this may be suitable gift to request for Christmas. If you are planning a bonfire remember to check it for hedgehogs, preferably by moving the materials to the fire site just before you light it.

The Footpaths Group are partners in the Future Greens project that involves carrying out conservation-based tasks on green spaces and on the rights of way network within the Warsop area and will help to enhance the local area. If you are interested in taking part in these tasks on one morning a week get in touch with Andy Hollis at [ecologic@ahollis.co.uk](mailto:ecologic@ahollis.co.uk) or 07708875094. This type of work can be good fun, good exercise and a fine way of contributing to your community or gaining skills that may help with your career.

Hedge cutting will be one of the priorities on our work session in the next couple of months. Several hedgerows need annual management to prevent them from invading public footpaths. We try to leave the hedges crops of haws, sloes or hips until birds have consumed these hedgerow fruits.

Egrets have returned to the Hills and Holes again this winter. If you have seen a bird that looks like a white heron, it is an egret. There are now two types of egret around Warsop. Little Egrets have been visitors for the past few winters and this year a Great White Egret has been seen at Budby Flash during September and October. Little Egrets are about half the size of a heron and have a dark bill and yellow feet. The Great White Egret is around the size of a heron with a yellow bill and black feet and legs.

Our next group walk will be on Saturday 18th November. We haven't decided where to go yet but I suspect it will involve woodlands and fungi! Contact us if you would like to join us or check our Facebook page [facebook.com/Warsop1816](https://www.facebook.com/Warsop1816).

**POP IN FOR A COFFEE AND A BITE TO EAT**

**Also visit our Charity Shop at 4C Burns Lane, Warsop.**  
**Call 01623 845406 for further information**

# Silver gilt for Mansfield

**Mansfield has been awarded a silver gilt in the East Midlands in Bloom competition.**

The district was just two points off a gold and lost out to Northampton which topped the City category.

The judges were taken on a tour of the district in July, including parks, allotments, community gardens, local nature reserves, as well as the town centre.

Mansfield BID won its category for the second time and were awarded a Silver Gilt Award and also the Judges Award for the improvements around Tesco Valley to rear of Four Seasons, for creating a bio-diverse retreat and wildflower garden.

During the whistle-stop tour, judges spoke with residents from Vale Court, volunteers from Maun Conservation group and pupils from King Edward Primary School, who made sticky card collages using flowers and leaves found at Quarry Lane Nature Reserve.

## Exciting Times at Meden Vale Rugby Club

**Ever fancied playing rugby ?**

**Meden Vale Rugby Club are pleased to announce that we now have a new junior squad. Having only had a senior side in the past, we currently have an Under 12's side which formed over the Summer and have already expanded to a Under 9/10 squad.**

The Under 12's coach Ross Emery is also a player for the senior team and the U9/10's coach, Andrew Cullington also manages the senior team.

The under 12's squad are excited for their first game at home V Sleaford on 29th October. Please come and support us.

This is a fantastic opportunity for young people in the area and we hope to expand the junior side to other age groups in the future. Feel free to pop down and see what its all about.

New players and anyone interested in volunteering are very welcome.

Training is every Sunday at 10.30am and every other Wednesday at 6.00pm at their pitch on Elkesley Road, Meden Vale and is only £2 per session.

Feel free to contact us via Ross Emery on 07507 373475 or the Meden Vale Rugby Club Facebook site.

A flowery display outside Mansfield Bus Station.

In Mansfield Woodhouse, they visited the Little Roots Children's Community Allotment at Longyards allotments and toured St Edmund's Church Community Orchard, meeting fundraisers and volunteers.

Last year, Mansfield also achieved a silver gilt award in the East Midlands in Bloom cities category, winning the City category, and was awarded a special Judges' award for improvements made to the River Maun conservation area and the environmental education and involvement of children.

The competition is judged on work to improve surroundings through the use of plants and landscaping and how towns create sustainable environments and develop community projects.

Cllr Andrew Tristram, Portfolio Holder for the Environment and Wellbeing, said:

*"I would like to thank all the volunteers who do so much to make this district the green and pleasant place that it is.*

*"Next year we will be trying our best to get that gold standard and reclaim the winning title in the City category."*

## Sherwood Win 1st for Veg

**Sherwood Junior School Gardening Club entered the 'Our School' section at The Mansfield Garden & Craft Festival on 2nd September 2017.**

Our entry was a display of photographs showing the children planting, nurturing, growing and harvesting some of the 16 vegetables and fruit currently thriving in our garden.

We were filled with pride to be awarded 1st place for our entry, considering our club started in late April this year and we had no idea what the judges were looking for!

Several of our club members and parents turned up for the awards ceremony where our prizes were £100, a planter filled with gardening tools and bulbs, a plaque and a certificate. All of which are proudly displayed in the reception area of school.

We also entered one of our runner beans into a competition at Rhubarb Farm, Langwith and again were very excited to be awarded 3rd place for our 17 inch bean.

Our success has motivated us – not only to consider the Science, Health and competitive aspects of our club but also to inspire other schools to make the most of their gardens.

We would like to take this opportunity to thank Ken Scott from the very bottom of our hearts for making our success possible! His hard work and commitment has inspired us all to be 'gardeners of the future'. He really is our inspiration!

*Mrs Norma Johnson, Sherwood Junior School*

## Warsop Parish Church Retreat, 22-24 September

The weekend retreat was held at the Hayes Conference Centre in Swanwick and was attended by 23 members from St Peter and St Paul's, Warsop, and St Augustine's, Sookholme.

In our meetings together we were led by Rev'd Jennie Sharpe on the themes of "Hospitality", "Hospitable God", and "Hospitable Church". In all this the Parable of the Prodigal Son provided a focus for our thoughts and prayers.

On Saturday afternoon some enjoyed a walk from Matlock by the River Derwent and some visited Cromford Mills and the Canal. On Sunday morning we joined together for a celebration of Holy Communion led by Rev'd Angela Fletcher.

Fun, friendship and excellent food made for a most enjoyable and worthwhile time together. Thanks to Rev'ds Angela and Jennie, and Claire Melless for all their work in planning and preparing for the Retreat.

Charles & Frances McLaughlin

# Friends of the Carrs Clean-up

Friends and volunteer's spent three days removing dead wood and clearing the river banks of rubbish and over grown shrubbery in an effort to allow the ground to breath new life along its length.

Thanks go to all the members of the group and the volunteers who turned up on the day to lend a hand to remove the fallen trees blocking the water flow of the river. It was a brilliant turn out! Also not forgetting the ladies who provided the drinks and sandwiches and a big thank you to the gentleman who offered to take away and dispose of all the rubbish.

Three days of hard work saw a vast difference opening up the view of the park to passers by. The friends group and volunteers are to make a day available each week to finish the work,' but as they say many hands make light work?

Times and dates that we shall be on the Carr's will be placed on the notice boards.

We provide the tools, gloves and good company, if you can spare an hour we would be grateful. Come and join us!

Future plans are to continue with a general maintenance of the banks in the spring to allow the flora and fauna to establish naturally.

Our next meeting will be: Tuesday 7th November at 6-30pm, at Plough Inn, Church Street, Warsop.

A Poignant Moment by Steve Dunn

## Artistic Warsop

In this feature, we are offering a chance for the many talented artists we have residing in our parish to showcasing their artwork.

Above is a seasonal masterpiece submitted by returning artist Steve Dunn. Steve had these comments about his art work:

"This piece is called 'A poignant moment'. Because it would seem summer has gone, I thought I'd try something autumnal.

"It's turned out a bit melancholic I think, a couple, perhaps an old farmer & his wife, stood by themselves in their field next to their bonfire, watching it burn away whilst in the distance it's obvious others are having lots of fun.

"More of my work can be found on my Facebook page 'Stevie Dunn Art'. Commissions accepted. Thanks."

If you would like your artwork featured, please email a good quality image saved as a jpeg to [warsopnews@gmail.com](mailto:warsopnews@gmail.com)

## Warsop Men's Probus

After a minute silence for deceased member Bill Jackson President Hugh Ashton introduced new member Mike Wojciechowski.

After a short business meeting members had a talk by Peter Birchinall entitled "Life and Times of an old Rocker"

Peter, like many young teenagers wanted to play a guitar and paid £20 for his first one and he could eventually play a few chords. Later he talked his way into a group by claiming he could play Bass, he then bought a bass guitar for £75 complete with an amp and had lessons and in two weeks was playing in the group 'Thym'. He played with them for 10 years and told of his experiences in clubs, pubs, hospitals and old people's homes.

After a comfort break in the stable bar 18 members had lunch in the Fitzherbert room. The next meeting will be October 18th at the Parish Centre when member Bill Power will talk about his award of his BEM.

Hugh Ashton, President

## The Friends of Thynghowe

Thynghowe and the forgotten heritage of Sherwood

Around November 6th there will be a series of events around the country marking the 800th anniversary of the Charter of the Forest.

This charter would have had an impact on the lives of Warsop folk as it tackled the worst abuses of Forest Law which applied to all the land within Sherwood Forest. In the years leading up to the charter the boundary of Sherwood had been extended to include most of Nottinghamshire but the charter restored the boundary to its earlier line that followed the River Meden.

Market Warsop would be inside the Forest with Church Warsop outside and free from Forest Law. However, things did not turn out to be that straightforward! (More next month, or come along to the Old Warsop Society's meeting in March for the full saga)

The Friends of Thynghowe Autumn Workshop will be held on Saturday 11th November in the classroom at Sherwood Pines between 10am and 2pm. This will another of our popular workshop sessions where we provide a forum for experts and enthusiasts to pool their knowledge and theories about the past of Sherwood Forest. Topics will include the latest research into Thynghowe, the impact of the 1217 Charter of the Forest on northern Sherwood Forest and a look at how old maps illustrate the evolution of routes through the Forest around Thynghowe. No need to book, just turn up. Park in the main Sherwood Pines car park (charges apply). Tea and coffee will be available and it's not far to the cafe.

On Friday 17th November you are welcome to join us at 10am when we meet at the Warsop Windmill forest barrier for a few hours in the forest managing the landscape around Thynghowe. Tasks could include clearing the birch and bracken regrowth on the slopes of Thynghowe, restoring the ancient hedgerow alongside the track leading to Thynghowe from the north by planting hawthorn and checking for rhododendron regrowth on the areas previously cleared. Good fun and good exercise - and there may be cake!

You can find out about our activities from our website and Facebook page and you can email us on [thynghowe@warsopweb.co.uk](mailto:thynghowe@warsopweb.co.uk) or contact us by phone on 846281.

The Vikings of Sherwood project is supported by the National Lottery through the Heritage Lottery Fund.

**Woman to pay  
£577 for dropping  
cigarette butt**

**A Mansfield woman has been ordered to pay a total £577 for dropping a cigarette butt in the town.**

The littering case, prosecuted by Mansfield District Council, under Section 11 Environmental Protection Act 1990, was heard by Southern Derbyshire Magistrates' Court on 6 September 2017.

Rachel Childerley, 29, of Linton Close, indicated no plea to the court and the case was proved in her absence. She was fined £220 and ordered to pay costs of £313.87 and a victim surcharge of £44.

The court was told that she was spotted dropping a cigarette end by a council Neighbourhood Warden near Oak Tree Primary School in Mansfield on 15 March 2017.

After the case, Cllr Bill Drewett, Portfolio Holder for Safer Communities, said:

*"We want Mansfield to be a clean and tidy place to live in, work in and visit, and cigarette ends are considered to be litter."*

*"This woman had the opportunity to pay a £75 Fixed Penalty Notice for dropping litter but she failed to pay it which is why she is now facing a much heavier financial penalty as the case was taken to court."*

*"The messages from this court case result are clear: do not ignore a Fixed Penalty Notice issued by Mansfield District Council because we will take you to court if you don't pay it, and, ultimately, don't drop litter in this district."*

**Cyclist ordered  
to pay £580**

**A 22-year-old Mansfield man has been ordered to pay a total of £584 for cycling in a prohibited area in the town centre.**

Christopher Cobb, of Commercial Gate, was prosecuted by Mansfield District Council for breaching the council's Public Spaces Protection Order (PSPO). The case was heard at Southern Derbyshire Magistrates' Court on 27 September 2017.

He indicated no plea to the charge and the case was proved in his absence. He was fined £440 and ordered to pay prosecution costs of £100 and victim surcharge of £44.

The court was told that on 11 April 2017, a council Neighbourhood Warden noticed a man riding a mountain bike from the Market Place towards Mansfield Library, which is prohibited under the PSPO.

The cyclist was advised of this and he dismounted. But about 10 minutes later the warden saw the same man riding his bike again in West Gate. The man dismounted but was stopped by the warden and issued with a Fixed Penalty Notice.

After the case, Cllr Bill Drewett, Portfolio Holder for Safer Communities, said:

*"Cycling has been prohibited in the pedestrianised area of Mansfield town centre to protect pedestrians."*

*"There are alternative routes around the town centre or cyclists can act in a responsible fashion and get off and push their bicycles through the town centre."*

*"This cyclist had the opportunity to pay a much lower fixed penalty of £100 but chose to ignore it which is why he is now facing a much higher penalty as a result of the case having to go to court."*

## BETHEL PENTECOSTAL CHURCH

CARTER LANE, CHURCH WARSOP

### ABOUT US

Lifespring Church at New Ollerton has launched a new congregation at Bethel Church, Carter Lane, Church Warsop. We are a diverse Church Family meeting together to reach the whole of the Warsop area. At the heart of our Church are our 4 core values - Belonging, Believing, Dreaming and Achieving. If any of these excite you, then Lifespring is the place for you.

### WHAT TO EXPECT

Our Sunday evening meeting is at Carter Lane at 6pm, and we also meet on Wednesday night for our "Life" meeting (7.30pm). Our Sunday evening Service will provide an instant sense of community and make you feel welcome. Enjoy music from our live band, something for kids and a message that will inspire and challenge you. Perhaps you are a Christian who is hungry for something new or you are looking for a passionate Church. Maybe you've never been to Church, and you are curious to find out more. You are welcome.

### GET IN TOUCH

If any of the above is true for you then please follow [lifespringchurchofficial](#) on Facebook to stay up to date with what's going on. Thanks for reading!

Mike and Liz Phillips

## THE ROYAL BRITISH LEGION

### Remembrance Sunday 12th November 2017

I am pleased to announce that due to the generosity of Councillor Andy Wetton, this year's parade will go ahead as usual, forming up on Carr Lane, from 10am. The parade will terminate at the War Memorial this year, although we hope the Ex-Service Men's Club will again welcome everyone afterwards for a drink.

### Drop-in

The Drop-in continues its success with people needing advice or assistance calling in.

The November Drop-in will be on Friday the 3rd at Warsop Town Hall, 10am to 12 noon. (1st Friday of every month).

### October Meeting

We held our Annual General Meeting when the various officers of the branch were elected. Cliff Meredith is again Branch Chairman.

### Next meeting

Our next meeting is on the 13th November at 7.30 pm (2nd Monday of each month). Ex-Servicemen's Club, Carr Lane. Anyone is welcome to attend our meetings and potential members do not have to be serving or ex-serving to join.

# RHUBARB FARM

## serves a wide community

**Rhubarb Farm is a horticultural social enterprise based at Langwith, growing over 50 varieties of fruit and vegetables, we also offer volunteering opportunities, training and placements for people with different needs and abilities.**

We have two new projects: a Men in Sheds Project for older, isolated men, who may have health problems, or lost a job or partner and want to do something constructive with their time, in the company of like-minded people. And The Marigold Club (Women in Sheds) which is DIY for women. Men in Sheds is Mondays and the Marigold Club is Thursdays, both from 10.30-2.30. Home-cooked lunch is provided on Thursdays for a small charge.

We welcome everyone and have programmes to support people with learning disability, people who are struggling with drug or alcohol misuse, people who have suffered hate crime or discrimination, and people with mental ill health. We also run a variety of training courses on site starting 31st October, we will be running a 6 week Independent Living Skills, to help people budget, cook well, access online services and improve their mental health.

In addition, we sell our fruit, veg and eggs on site, and we have a veg bag scheme so you can have a weekly or fortnightly veg bag of fresh, seasonal, organically-grown produce from the Farm.

We are open Monday to Friday 8.30-4.30, so if you want to refer someone, want to come along yourself, would like to arrange first to visit and look round the site, or would like to subscribe to a veg bag, just ring us on 01623-741-210 or email: [enquiries@rhubarbfarm.co.uk](mailto:enquiries@rhubarbfarm.co.uk)

The Rhubarb Farm Manager is Anita Ollerenshaw.

Rhubarb Farm: Hardwick Street, Langwith, NG20 9DR.

## **DUKERIES Singers**

Jan Towler

Your Local Choir

**No sun - no moon!  
No morn - no noon-  
No dawn - no dusk - no proper time of day...  
... November!**

(quotation from a longer poem by Thomas Hood.)

But on a much more cheerful note, the Choir has gained several new singers who came to see if they liked us, decided that they did and are now part of our friendly group.

We welcome all potential new members. There are no auditions and no necessity to read music, just try us out for two or three weeks to see if you enjoy our music making.

We rehearse every Wednesday evening from 7-30pm until 9-15pm in the Concert Hall at the Dukeries Academy in Ollerton. The venue is best accessed by the Leisure Centre entrance and car park.

You can find us on [www.thedukeriesingers.com](http://www.thedukeriesingers.com)  
We are also on YouTube, Facebook and Twitter.

Our run up to Christmas engagements are;

Thursday 23 November 2017 • Time to be confirmed.  
Carols at Christmas lights. Edwinstowe High Street.

Saturday 25 November 2017 • 1-30pm.  
Carols at Winterfest, Thoresby Courtyard,

Sunday 3 December 2017 • early afternoon to be confirmed  
Christmas singing at Norwood Park "Christmas Experience".

Saturday 9 December 2017 6-00pm until 8-00pm  
Singing at The Alders pub/restaurant, Ollerton,

Saturday 16 December 2017 • 7-00pm  
The Edwinstowe Christmas Concert, Edwinstowe Village Hall,

Sunday 17 December 2017 • time to be confirmed  
Carols at Sherwood Forest Visitor Centre, Edwinstowe, 2-30pm,

We hope to see you at one or more of our performances as we celebrate this very special time of year. We hope all your preparations run smoothly and harmoniously!!

## **Carers & Partners Forum with Lunch**

**A new venture sponsored by ROLO funding**

**Held monthly - 11am-3.30pm**

**in The Stable Barn (formerly Centre Club at Parish Centre)**

**• November 6th • December 4th •**

For some time now in Warsop, we have noticed an increase in people of all ages who are supporting a loved one at home. The Carers and Partners Forum is for anyone caring for a relative at home of any age or ability and in need of care for any reason. If your partner is already in full time care but you feel the need for support then you also are welcome.

**Just come along or for more information call Mary on: 01623 844720**

## **WARSOP FOOD SHARE**

**Please take donations of food items to The Plough**

Donations of jars, packets or tins every day after 12pm.  
Fresh food including vegetables, fruit and bread Friday only

**Co-op has a donation bin near the check out**

**For those in need call in to  
The Plough every Friday 2pm - 4.30pm**

**Breakfast at The Plough  
Every Monday 10am**

**For veterans and serving men and woman  
Retired or serving firemen and police  
Wives and partners welcome**

*Both projects suggested by Cllr Sharron Adey  
Put into action by Paula and Mark, hosts at The Plough*

# WARSOP COMMUNITY CHRISTMAS COMPETITION

Following on from the previous success of Warsop Community Group's competition, which was launched on their Facebook page, and have continued their partnership with Warsop & District News.

*The 2017 competition will have just 1 category:*

• **Best Overall Decoration**

*This could include: Christmas trees, light displays, and other visual festive treats.*

To enter, simply take a photograph of your trees, etc. and upload them to the Warsop Community Facebook page from 1st December but before 6pm on Wednesday 20th December 2017.

The judges will then meet to decide the winner who will then receive an engraved glass bauble and a pair of engraved commemorative wine glasses provided by the Parish Council of Warsop.

Uploaded photographs must be original and of the entrant's own decorations.

Photographs of the finalist will be featured in a special gallery in the February issue of Warsop & District News.
