

Local Lottery Set to Raise Thousands for Good Causes

ROBIN HOOD LOTTERY

More than 830 tickets were sold for the first Robin Hood Lottery draw which took place on 28th April 2018.

In the April draw a total of 420 supporters bought tickets for the online draw to be in with a chance of winning a maximum prize of £25,000.

There are a range of smaller prizes including free tickets for a future draw and cash prizes from £250 to £2,000.

Each ticket has a 1 in 50 chance of winning a prize.

Tickets are available to buy online at www.robinhoodlottery.co.uk and cost just £1 each.

Mansfield District Council established the local lottery to support good causes that deliver a direct benefit to residents across the district. A total of 60p from every ticket sold goes to charities, voluntary groups and support services.

A total of 48 local good causes have signed up to benefit from the ticket proceeds so far including the Emily Harris Foundation, Ladybrook Community Centre, AFC Mansfield and the Friends of Yeoman Hill Park.

The Executive Mayor Kate Allsop was the first to buy a ticket and chose to support the Robin Hood Community Fund so that local groups can apply for funding via the council's grant in aid process.

Among the good causes that have been attracting the most ticket sales so far and therefore the most funding are John Eastwood Hospice Trust, SSG Suicide Support Group Mansfield, Nottinghamshire Search and Rescue Team, and Nottinghamshire Wildlife Trust.

The Mayor said:

"We are delighted with the number of tickets sold and the number of good causes that have signed up to benefit. Ticket sales mean more than £26,000 of funding is already guaranteed for our local good causes over the next year. It's not too late to buy a ticket – if you aren't in, you can't win!"

Outstanding Oaklands

The Oaklands have been rated OUTSTANDING following their recent CQC inspection.

The Oaklands in Warsop was set up by the local community 30 years ago and is still run as a charity to provide care for 20 adults with disabilities.

It has previously been rated as "good" but at the latest inspection in December, published March 27, they gave it the highest possible grade.

The home's manager for the past three and a half years, David Wint, born and raised in Mansfield, believed the success was down to his team and how hard they worked to be as inclusive as possible.

In particular he thought the home benefited from the range of activities they put on such as discos, plays, pub lunches and bingo nights and said they were "more of a family than a care home".

It is about being inclusive, and there is more to that than them looking out of the window on their way to their day centre, it is about being part of the community.

"We are absolutely delighted, it is the culmination of four years' hard work and I am so proud of the team - It's them that make us outstanding".

The Oaklands has three separate bungalows for residents with mental health needs, learning disabilities or an autistic spectrum disorder with around eight also visiting for a short respite period.

Inspectors from the Care Quality Commission (CQC) found staff were caring and compassionate and people were being provided with safe, responsive, caring, effective and well-led care.

Rob Assall-Marsden, CQC's Head of Inspection for Adult Social Care in the central region said:

"Our inspection team was really impressed by the level of care and support offered to people at The Oaklands, which we found gave them an enhanced sense of quality of life and well-being."

"People had excellent, meaningful relationships with the staff. They treated people with respect and dignity and staff were very kind, caring and compassionate towards them"

"Independence was widely encouraged and innovative methods were used to communicate with people to support this."

"People were able to contribute to decisions about their support needs and always felt staff acted on their wishes. All people were treated equally with staff having an excellent awareness of how to respect people's rights."

"Residents, staff and health and social care professionals spoke highly of the registered manager. The provider was supportive in ensuring they had the resources they needed to carry out their role effectively. People were encouraged to aim high and to succeed in life."

"All of this meant people received a high standard of care, which is why it has been rated Outstanding."

Welcome to the May issue of your newspaper. There are no fake news stories gracing our front page this month.

Thank you to those who left comments about our April fool and apologies to those who thought it was real and were concerned about it - although it was explained clearly in last month's paper!

Congratulations to all at The Oaklands Centre in achieving an outstanding rating for the quality of care that they provide.

It is scary to think that we're already in May which means that Warsop Carnival will soon be here - further details are on the back page.

It was interesting to read in the Chad recently that Mansfield will soon be celebrating the Mayor's Community Parade which she took inspiration for from her visit to America - perhaps she'd forgotten that Warsop has one every year - organised by volunteers with a much reduced budget!

Editor, Warsop & District News

Promote Your Business by Advertising in Warsop & District News

The best way to reach local people and promote your business is to advertise locally. Warsop & District News is one of the largest free local publications in the area.

6,000 papers are printed and distributed every month.

Approx 5,700 are delivered to every household and business in the Parish of Warsop, the rest are distributed in the library, Town Hall, health centres, dentist, care homes, Meden Vale Charity shop and Cuckney shop.

At a fraction of the cost of some other well known publications you not only reach your target audience but get value for money too.

Rates are as follows:

Set Sizes	Quarter page	130 x 163mm	£95.00
	Half page	265 x 163mm	£170.00
	Full page	265 x 330mm	£290.00

Run of paper Ads are charged at £6.00 per column cm. Columns are 8.5cm wide (eg. monthly advertising cost for an 8.5 x 4cm = £24.00)

Single Column	up to 15cm
Double Column	up to 7cm
Triple Column	up to 6cm

For sizes above these it's cheaper to have a quarter page so call in or phone to ask for a quote. (01623 846011)

With rates like these you can't afford not to!

GARDENING MONTHLY...

General Tasks and Garden Maintenance

Beware treacherous late frosts and keep vulnerable plants and new shoots protected at night if frost is forecast. Don't be tempted to put out tender bedding until the middle of the month and even then be prepared to cover it if necessary.

Continue with the spring cleaning. Hoe your borders to get rid of weeds before they take hold (ideally on a dry day to desiccate the victims) - annual weeds such as bitter cress and groundsel are enough of a nightmare without allowing them to go forth and multiply by seeding. If it's dry, attack ground elder and the like with systemic weed killer painted onto the leaves. Remember these systemic weed killers are indiscriminate and will kill anything they contact. Dandelions are a monstrous nuisance at this time of year - if you don't have time to deal with them terminally, at least chop their heads off before they set seed.

Water is a precious commodity - instigate good practices such as using kitchen and bath water (as long as it is neither too dirty, greasy nor full of detergent) for watering, collect rainwater and investigate ways to recycle water for your irrigation. Automatic watering systems are economical with water, as well as convenient! The trick with watering is to water thoroughly once or twice a week rather than little and often (containers etc. do need watering every day).

Mulch away while you can still see what you are doing and before the herbaceous growth really takes off. Use your own garden compost or leaf mould, well-rotted manure, the contents of out-of-date grow bags or ready-made soil conditioner.

Now the soil is warming up and things are starting to grow, add general purpose fertiliser before covering with mulch especially in borders, the fruit and vegetable patch and containers. If you have already mulched, draw it back (if possible), tease the soil a little, add fertiliser and replace the mulch.

Carry on removing moss and weeds from paths, terraces and drives and keep an eye out for pests around the garden. Try to keep the use of chemical controls to a minimum - they may kill off pests, but they also kill off the beneficial insects that prey on them such as ladybirds and hoverfly larvae.

Unless you are a Buddhist or a pacifist, now is the time to wage war on slugs and snails. They love tulips and delicacies such as the delicious young shoots of delphiniums and the like, so use pet-friendly slug pellets, drench the ground around hostas with liquid slug killer to exterminate slugs below the surface or invest in a biological control (this employs nematodes to deliver a slug-lethal bacterial infection). Keep an eye out for snails and pick them off... what you do with them is up to you. Birds are your friends here - flat stones artfully located are useful accessories.

Other unwelcome visitors on the move are lily beetles (bright red little darlings with black heads and their yellow larvae), black-spotted green caterpillars or the gooseberry sawfly.

Birds

Do keep putting out bird food - they quickly become accustomed to regular food supplies and it's a real treat to see wild birds in the garden.

Lawns

Lawn mowing is high on the agenda - leave it too long between cuts and the job becomes much harder, so try to mow weekly. Feed established lawns if you haven't already done so. May is the last chance for sowing a new lawn.

The Fight for a Frack Free Warsop Fracking will affect you

If we don't take action to stop the spread of this industry, it could be coming to fields around Warsop. Ineos will be assessing the survey results to decide the best place for an exploratory drill site.

The government has licensed large areas of the UK to be fracked, with Petroleum Exploration and Development Licences (PEDLs) covering much of Nottinghamshire.

Ineos Upstream Ltd is the company which holds the licences across our area - they have publicly stated that they would like up to 15 drill sites per 10 km square PEDL across the countryside. If they get the go ahead to frack, it could mean seeing drill pads like this one in Lancashire (photo courtesy of Ros Wills) in fields around Warsop; then perhaps a couple more on the drive to Edwinstowe; one more on the way to Mansfield Woodhouse; two or perhaps even three in the fields around Shirebrook and another couple around Meden Vale. Each one would be serviced by thousands of HGV truck movements and bring air pollution, traffic congestion and risk of accidents and spills. The industrialisation of our area will affect everyone.

Commercial-scale fracking in the UK would result in drill sites far closer to people's homes than in the US, where studies have found that active oil and gas production degrades the quality of air, surface water and groundwater; contaminates soil; and elevates exposures to noise and light pollution. When people live within a mile of these operations, they have a higher risk of being hospitalized for numerous medical issues, including heart and neurological problems, cancers and increased asthma incidence and severity, according to several peer-reviewed studies. Residential proximity to these operations has also been associated with adverse birth outcomes, including pre-term birth, lower birth weight, neural tube defects and congenital heart defects (Eliza Czolowski, Environmental Health Perspectives). There are no regulations on how close a well can be drilled to our homes - Ineos has applied for a drill site at Eckington only 300m from housing. All carried out by an industry that keeps proving itself to be resistant to regulation!

No protection for the wildlife at Misson

The regulatory system is only as good as its enforcement. Both drill sites under construction at the moment in Nottinghamshire at Misson and Blyth have had planning restrictions either overturned by Notts County Council officers or breached by IGas. Frack Free Notts demonstrated recently outside Notts County Council offices, stating:

"The reason we are protesting is that Notts County Council has abandoned its responsibilities to the public in favour of helping the fracking gas industry. Traffic management conditions were made to keep heavy vehicles out of the village, yet the traffic plan has not been enforced and is now being repeatedly violated."

"Other conditions were put on IGas to protect a nearby ecologically sensitive area, a Site of Special Scientific Interest. These conditions have been dropped because IGas were behind schedule. Monitoring arrangements for noise which would disturb breeding owls and other species are effectively being left to the operator and it is impossible for independent observers to check their measurements. Serious thought is now needed for a new type of planning regime as the existing one is failing."

Do you think this is acceptable? If not, please take action. Contact Notts County Council Planning Department, email address: development.management@nottssc.gov.uk, and ask for more robust monitoring of planning conditions and for decisions on changes to planning conditions to be made by our elected planning committee members, not planning officers.

Drill sites under construction or under application so far are highlighted in brown and shown on the BBC website map below with the start of a gas field evident. Another row below those would bring the field into our area.

HOW TO THE SUPPORT THE CAMPAIGN TO BE FRACK FREE

- Turn up and support the protestors at the two sites under construction at Mission (DN10 6ES) and Blyth (DN22 8PA). Any donations of food and other supplies are always gratefully received for the sites.
- Ask questions, do a bit of research (drill or drop.com: Friends of the Earth .uk; frackoff.org.uk; Frackfreenotts.org.uk; frackfreeunited.co.uk. Lots of YouTube videos: Gaslands; Fracking Farmhouse - Google away!)
- Have a chat with friends and family - there are still many people who do not know anything about fracking or the fact that it is coming to our neighbourhood.
- Some banks are heavily invested in fracking e.g. Barclays - switch banks!
- Switch to a 100% renewable energy provider e.g. Ecotricity/ So Energy; Buld.
- And, of course, if you haven't already done so, write to your local elected representatives (writetothem.com) and let them know you do not want fracking in our area, or anywhere!
- Join Frack Free Warsop Facebook page or come to one of our events to find out more.

Russian Gas

The recent cold snap caused a flurry of media debate over gas supplies, with a blip in supplies largely due to the closure of storage facilities. Although some commentators seem willing to overlook the harmful impacts fracking brings in favour of gas security and reducing our "dependence on Russian gas", the government's own reports in recent months have demonstrated that fracked gas can be excluded from the nation's energy supply (Gas Security of Supply) without affecting our gas security. Greg Clarke confirmed that less than 1% of our gas is sourced from Russia, too small an amount to even mention on their chart illustrating the current supply situation.

Indeed, if the country has any hope of meeting the air pollution and climate change targets in the Paris Agreement, the UK needs to reduce the amount of fossil fuel energy made and used in the UK (domestic) in favour of clean, renewable sources. Even for climate change sceptics, moving to clean, renewable energy sources that don't pollute our air or water has surely got to make sense. Clean Growth means No Fracking

Today, a fifth of the world's electricity is produced from renewables. According to a report by the World Economic Forum in January this year, "Key trends that will shape renewable energy in 2018 and beyond", global energy supplies over coming decades are predicted to reduce the use of fossil fuels and increase renewables. Advances in battery technology are increasing storage capacity for wind and solar-generated power; the costs of producing clean energy are falling and there is a growing trend towards electric vehicles replacing the need for oil, with almost 300 million electric vehicles predicted to be on the roads by 2040.

The government Energy Survey, carried out every three months, consistently shows around 75-80% of the people surveyed are in favour of renewables. Yet the UK government still heavily subsidises fossil fuels whilst cutting subsidies for renewables and is pursuing shale gas extraction, which has been shown to be dirtier than coal when fugitive methane emissions are taken into account. The oil and gas industry seems to have a stranglehold on government policy; the government is still heavily invested in fossil fuels. We need a government strong enough to step away from the past and embrace the future; that believes in its own 25 Year Environmental Plan of cleaner air, water and environment and that is prepared to actually invest more in greener, renewable alternatives, not just talk about it whilst actively pursuing the opposite - shale gas.

Frack Free Warsop meet at 7 pm on the third Wednesday of each month in The Plough (back room).

Successful Season' Exhibition

The Society's 2017 – 2018 season moves towards its conclusion after a successful year of speakers, competitions and practical opportunities. We have learned about such diverse photography interests as sport, travel, landscape, underwater and how to better process our images on our home computers.

We have enjoyed competitions with fellow photographic clubs and displayed our work in Bakewell, Lincoln and the Idle Valley Nature Reserve in Retford.

During the year, we held a number of competitions for our members which produced some wonderful work. Without doubt Retford has strength in depth in wildlife and the competitions also demonstrated the many other styles and types of photography enjoyed by members. There is a growing strength in the monochrome classes with some excellent images presented to the judges. We achieved an unprecedented 12th place in a prestigious digital competition in Sheffield thanks to a glorious image from Anna Blow (pictured below).

After our well received six week exhibition in Bassetlaw Museum last summer, two members received trophies as the winners thanks to the public vote for their favourite colour and monochrome images. (both pictured below) This year we have our one day exhibition upstairs in Retford Town Hall on Saturday May 12th between 10am and 3pm. The two winning images from 2017 will be displayed along with over 100 images new images to vote for, including the winners of our year's print and digital competitions. We look forward to welcoming many visitors to see the work we have produced this year and look forward to talking to anyone interested in coming to join us for the new season ahead which will run weekly from Monday 3rd September until May 2019.

Warsop Children Experience Easter!

"Experience Easter, 2018", which took place at Warsop Parish Church on Wednesday 21st March, welcomed 48 children and their teachers from Church Vale Primary School.

Easter Experience was coordinated by Cathy Picken, our Children and Family Minister, assisted by a team from St Peter and St Paul. The purpose of the event was to give children a lively and engaging experience of the events of Palm Sunday and Holy Week.

The morning began in the chancel. Filled with expectation, the children listened quietly as Cathy gave an overview of the events of Holy Week. The children were divided into four groups and each group moved between five stations. These were:

Hopes and Dreams

Here the focus was upon Palm Sunday. The children were encouraged to think about the hopes of those who welcomed Jesus enthusiastically into Jerusalem. The children were asked to think about their hopes and dreams and those of their families.

Remember Me

The children sat on cushions around a low 'table' reminiscent of the Last Supper. Each child made a small 'silver' goblet, then they shared in bread and 'wine' and quietly thought about forgiveness and Jesus' love.

The Cross

Here there was a large wooden cross draped with red fabric. Each child made a small cross out of twigs and were guided to think about the place of the cross in Christian thought and worship.

Craft

Each child was helped to make a small collage depicting the events of Holy Week to remind them of all they had seen and heard.

Film & Snack

The children quietly watched a lovely film about the events of Easter while enjoying a drink and a biscuit.

Finally, everyone came together in the chancel. The stone was rolled away from the mouth of the tomb. Cathy rounded everything off with some lively teaching and singing. Experience Easter was a memorable and enjoyable experience for everyone, children, teachers, leaders and helpers. We hope it will happen again!

MDC PRESS RELEASE

Commission Recommendations for Warsop Parish

In June 2017 the Warsop Commission, Chaired by Robin Wilson, was established at the request of Executive Mayor Kate Allsop to look into all things Warsop.

The commission has been considering critical success factors around the future prosperity of Warsop including economic regeneration, housing, transport, leisure and business and has published a report on its findings 29 March 2018.

The recommendations to be considered include; a long-term plan for housing in the parish including the need for affordable housing, recruiting medical staff to meet the needs of the community and the CCG, extending the Robin Hood Line to better connect the north of the district with Edwinstowe and the provision of a community bus service to improve mobility.

The need to inspire the young people of Warsop, a concerted effort to aggressively promote the parish and attract investment ring loud and clear in the report along with the redevelopment of the Meden Sports Centre and provision of outdoor activities.

Mayor Kate Allsop said:

"I very much welcome the report of the Warsop Commission and would like to thank Robin for his efforts as Chairman. The report gives

emphasis to much needed areas of work to be considered by all stakeholders from across the public sector. These issues can only be addressed if we all work together, holistically, to achieve a shared vision."

The report also emphasises the need for the Warsop community to work together to bring about significant changes and calls on leadership from within the community.

Robin Wilson, Chairman of the Warsop Commission said;

"Not only do the local authorities need to intervene but the Warsop community must want to succeed and be determined to regenerate itself. The community needs to produce leaders from within the parish to drive progress forward and the authorities need to listen to them."

The full report is available online at

www.mansfield.gov.uk/warsopcommission

and will be presented to local stakeholders for consideration in future plans.

MDC Response to Secretary of State

In November 2017, the Government confirmed it would commence the consideration of intervention in 15 local authorities where there has been a failure to produce a Local Plan.

Mansfield District Council has received correspondence from the Rt Hon Sajid Javid, Secretary of State for Housing, Communities and Local Government, regarding the action the Ministry for Housing, Communities and Local Government will be taking.

The statement below is attributable to Hayley Barsby, Mansfield District Council's CEO:

"The council is pleased to see that the Secretary of State has acknowledged that some progress has been made since November 2017.

"Our aim is to have a Local Plan approved by the Full Council later this year and submitted for examination in autumn.

"We understand that the Ministry for Housing Communities and Local Government will continue to monitor the progress the council is making and we appreciate their ongoing support to help us deliver a Local Plan that meets the needs of our community until 2033."

Scarlett's Royal Connection

9 years old Scarlett Walker, of Bentinck Terrace recently wrote to her majesty the Queen following a project all about the city of London and the history of the royal family.

Scarlett wrote to the queen explaining that she found the project very interesting and thought that she had much in common with HRH with regards to a mutual love of horses and dogs! She included details of her pony "Teddy" and her terrier "Ivy" and even offered Teddy to be used in the royal parades should the queen find herself short of ponies!!

Scarlett was delighted to receive a letter today from her majesty's lady in waiting which made great reference to both Teddy and Ivy and included some information with regards to the royal pets!

Scarlett is wondering if maybe she wishes hard enough Prince Harry will call on her to use Teddy in the forthcoming wedding, and make Warsop famous!

Meet your Mayor!

Mansfield's Executive Mayor Kate Allsop will hold her first fortnightly Meet the Mayor surgery for residents on Friday 13 April in the town centre.

Based at the Hive in the busy Four Seasons Shopping Centre, the Mayor will hold a fortnightly open session for Mansfield residents and businesses to talk to her about local issues. No appointment is necessary.

The Mayor said:

"I am keen to hear the views of residents and businesses in Mansfield and I am looking forward to meeting people. This is an opportunity for me to really understand your local issues and talk to people about the work of the council. This is an open door event and I'll be looking to get to the heart of matters and will welcome the views of everyone."

The Mayor will be reporting back to senior officers of the council after each open session.

You can meet the Mayor on the following dates between 9am and 12noon:

- 13 and 27 April 2018
- 6 and 20 July 2018
- 11 and 25 May 2018
- 3, 17 and 31 August 2018
- 8 and 22 June 2018
- 14 and 28 September 2018

Job Centre Plus Opens at Civic Centre

The Department of Work and Pensions (DWP) in Mansfield, including Job Centre Plus and assessment centre, is now operating from its new offices at the Civic Centre.

Work to remodel the Civic Centre will continue for the next ten weeks and the council is reminding visitors to use specific entrances for certain services.

Use the Chesterfield Road entrance for:

- DWP Assessment Centre
- Job Centre Plus
- Council Revenues and Benefits
- Council Housing Services

Use the Rosemary Street (main car park) entrance for:

- General enquiries
(temporary reception located in the Civic Quarter)
- Document check and drop off at the temporary reception
- Public meetings in the Council Chamber
(via temporary walkway)

Ring 01623 463463 to make an appointment to see:

- Environmental Health
- Licensing
- Property Services.

**Citizens Advice Bureau on Regent Street
(via appointment only on 01623 463121) for:**

- Homeless Prevention
- Homefinder.
- Civic Quarter events and the café, open on weekdays, are unaffected by these temporary arrangements.

A digital self-service hub where customers are able to access a range of council and DWP services in one location is already open via the Chesterfield Road entrance.

Customer Care Officers are based in the Civic Centre Mall to help council and DWP customers to access services. Extra help will be available for people with mobility difficulties. Please ask our reception staff for details. Temporary public toilets are available outside the Civic Centre.

Mike Robinson, the council's Director of Economic Growth, said:

"The move by the DWP into their new home at the Civic Centre has gone extremely smoothly."

"Unfortunately the ongoing work will mean some visitors, who are using the car park, will have to use the public footpath on the Tesco side of the Civic Centre to reach the Chesterfield Road entrance until the new reception opens."

"However, we hope the public will continue to bear with us during this essential ongoing work to the Civic Centre which will bring considerable improvements to customer services at the council."

"I would encourage customers to go online for information, payments and reporting issues. Our telephone contact centre will not be affected."

The work is scheduled to be complete by the end of May and will see a shared DWP and council reception.

MDC PRESS RELEASE

Mayor Joins Olympic Gymnast to Open Store

Kate Allsop, the Executive Mayor of Mansfield, joined Olympic gymnast Ellie Downie at the opening of a new Aldi store in Mansfield on Thursday (12 April 2018).

Executive Mayor Kate Allsop with Olympic gymnast Ellie Downie, store manager Matt Hallam, Shaun Hird from Mansfield District Council and Carolyn Hallam from Mansfield District Leisure Trust

The Mayor and Ellie cut the ribbon along with Carolyn Hallam from Mansfield District Leisure Trust, Shaun Hird, Mansfield District Council's Sports Development Officer, and Aldi store manager Matt Hallam.

The Mayor spoke to shoppers and employees inside Aldi while Ellie happily posed for photographs, signed autographs and handed out goodie bags to the first 30 people through the doors.

Mayor Allsop said: "It is great to see a large national business such as Aldi investing in Mansfield and bringing jobs to the district. This store is a much-needed and welcome addition to the area - as seen by the number of people queuing outside today."

After opening the store in Oakleaf Close, the champion athlete from Hucknall, met young gymnasts at the nearby Oak Tree Leisure Centre for a question and answer session.

Ellie, who is currently recovering from injury, talked about her career from starting gymnastics at the age of three to her most recent success.

She told the youngsters and their parents who were watching about the importance of healthy eating, especially to aid recovery from injury.

She also answered various questions and offered the valuable advice that 'no matter how bad things get, pick yourself up and keep going.' Ellie also drew the winners of the Commonwealth Games Sporting Challenge, which more than 120 children and adults took part in over six weeks from February.

A range of free taster sessions were on offer to encourage and inspire people of all ages to become more active.

The winner of the over-12s prize was Ewelina who won a one-month gym pass. Ewelina said she tried out lots of different sports with her children Tomasz (8) and Emilia (5) during the challenge. She said it was a great opportunity to try new activities and Tomasz enjoyed the tennis so much that he's going to start playing.

The under-12s winner is Harry Gilbert who will receive a one-month swim pass.

The Mayor said:

"It was so inspiring for local young gymnasts to have Ellie visit the leisure centre and I hope it spurs them on to future success. The benefits of exercise in all its forms is something we really want to promote in the district to encourage people to be more active and therefore healthier."

Carolyn Hallam, Sports and Community Development Manager at Mansfield District Leisure Trust, said: "We were thrilled to have such a gymnastics superstar at Oak Tree to inspire the next generation of local youngsters to get involved in this great sport and to help us mark the end of the successful Commonwealth Games Sporting Challenge."

Aldi is donating fresh fruit to the leisure centre as part of its 'Get Set to Eat Fresh' initiative, which aims to encourage children aged 5 to 14 to develop a love for fresh healthy food.

The centre, run by Serco Leisure on behalf of the Mansfield District Leisure Trust (MDLT), has over 100 kids aged 4 to 11 regularly attending the gymnastics sessions. Places are available by contacting the centre on 0345 0000 231.

The Friends of Thynghowe

Thynghowe and the forgotten heritage of Sherwood

The weekend of 12th and 13th May will be an busy time for local history enthusiasts.

Our Viking Spring Thing will take place at Sherwood Pines on both Saturday and Sunday between 10am and 4pm. Throughout each day, the brilliant re-enactors of Regia Anglorum will demonstrate skills and crafts from the Viking Age in the living history camp whilst the warrior, will display combat skills in the arena, culminating in a battle. The Spring Thing has expanded each year with more visitors discovering this is an enjoyable and informative event for all the family. This is a free event although you will need to pay for the car park. Don't miss it, this may be the last year it takes place.

On Sunday 13th May the 2018 Great Nottinghamshire Local History Fair takes place in Mansfield Library between 1:00am and 3:00pm. This free day out for all the family returns for the sixth time to showcase Nottinghamshire's heritage and provide a forum for local heritage groups. There will be history displays, craft demonstrations and activities, music, books for sale and even a chance to learn a few traditional circus skills! Due to the clash of dates, The Friends of Thynghowe will not be there this year but I am sure that you would be able to attend both events.

In March, we planted over 100 metres of hawthorn alongside the ancient trackway running north from Thynghowe, restoring the old hedgerow that ran northwards from Hanger Hill along the boundary between Warsop and Budby. This track was lined with a hedge but the few remaining hawthorns have become very overgrown with many gaps between them. The local Forestry Commission have kindly supported our plans to preserve this hedgerow by providing the 600 hawthorn whips to plant in the gaps between the old hawthorns. We appreciate the continuing support of the Forestry Commission for the sensitive management of the heritage sites in the woodlands around Thynghowe.

You can find out about our activities from our website and Facebook page and you can email us on thynghowe@warsopweb.co.uk or contact us by phone on 846281.

The Vikings of Sherwood project is supported by the National Lottery through the Heritage Lottery Fund.

Vikings Return to Sherwood Pines

Warsop's Viking heritage is linked to Thynghowe, the Viking Age site on the borders of Warsop, Budby and Edwinstowe where 'Thing' assemblies would have been held by the Danish Vikings who settled in the area.

Once again the story of this time will be celebrated locally with a special event.

The brilliant re-enactors of Regia Anglorum will be returning to Sherwood Pines for the annual Viking Spring Thing over the weekend of 12th - 13th May. Celebrate Sherwood's rich Viking Heritage between 10am and 4pm on each day by watching warriors battling in the arena and by visiting the authentic living history camp to witness a wide range of crafts from the Viking Age.

In the year 865 the Viking Great Heathen Army invaded. After occupying York in 866 they moved south to Nottingham in 867 where they were confronted by the armies of the kingdoms of

Mercian and Wessex. After a negotiated withdrawal back to York they established winter camps alongside the River Trent at Torksey and Repton before moving south to Wessex for the battles against King Alfred's army. Following these conflicts many warriors settled in eastern England with other Danes crossing the North Sea to join them. During this period they governed themselves at 'Thing' assemblies according to their own customs.

The local links to this turbulent time will be the focus for this year's Viking Spring Thing. The re-enactors will be taking us back over 1000 years as they recreate the violent conflicts from that time and also demonstrate the skills needed for everyday life in Sherwood Forest by the Danes who settled in Sherwood.

This is a FREE event although the usual Sherwood Pines parking charges apply.

The Spring Thing is organised by the Forestry Commission, Regia Anglorum and The Friends of Thynghowe.

Sign up for the Big Clean-up

Are you up for helping to make Mansfield a cleaner and greener place?

We are seeking help from schools, community groups and local businesses to take part in the sixth International Clean Up Mansfield Day on Friday 8 June.

The event, organised by Mansfield District Council as part of a strategy to make the district a greener and cleaner place to live in, work in and visit, also attracts participants from towns and cities called Mansfield in the USA and Australia.

Last year's clean-up was the biggest and best yet, attracting more than 60 groups of volunteers who spruced up the district – and beyond – by picking up litter, painting a park pavilion and town centre benches, planting bulbs and removing gum. Communities in Mansfield, Texas; Mansfield, Pennsylvania; Mansfield, Minnesota; Mansfield, Massachusetts; and Mansfield in Victoria, Australia, also joined the international event.

Cllr Andrew Tristram, Portfolio Holder for the Environment, said:

"This is always a very popular event which brings people from all parts of the community together for a common good cause – to make Mansfield an even more pleasant place."

"Let's make this year's clean-up even bigger and better than last year's. Come and join us!"

You can sign up to take part in this year's event online at www.mansfield.gov.uk/cleanup and if you like the International Clean Up Mansfield Day Facebook page at [facebook.com/cleanupmansfield](https://www.facebook.com/cleanupmansfield), you can keep up to date with the latest news and share your own activities and photos.

Awards are presented to the best clean-up contributors at a ceremony in September.

For further information contact Datsa Gaile, Town Centre Promotions Officer, at dgaile@mansfield.gov.uk or on 01623 463818.

Warsop Innerwheel Get the Equation

Wet weather warnings didn't stop the ladies coming to the Hostess for our Club's April meeting. Our speaker, Sam Billington from Equation was very engaging.

Equation www.equation.org.uk are an organisation supporting women, children and some men, who are victims of domestic abuse. Some incredibly shocking statistics were given. 1 in 3 women and 1 in 10 children experience or are exposed to domestic abuse. Sam talked about the great work done in our area, in schools and with professionals. Working in partnership with the NSPCC and the success of pilot projects started in Mansfield.

Call the local 24-hour helpline on 0808 800 0340 if you are a woman experiencing domestic abuse

Local MP sleeps rough for Charity

Mansfield's MP Ben Bradley took part in 'The Big Snore', an event organised by the homelessness charity Framework. The event aimed to raise both awareness of the issue of homelessness and rough sleeping, as well as raising donations for Framework. It saw community groups and fundraisers sleeping out together for 12 hours.

The MP had pledged to support the charity event by 'sleeping rough' along with a number of other volunteers and community groups. Mr Bradley also started a 'JustGiving' page, aiming to raise £250 for the charity. Currently, Mr Bradley and his team have raised over £500, with the money going directly to the charity Framework. Discussing his night, Ben said that he was "really pleased to have done the sleepout. We've raised a lot of awareness for the issue in Mansfield, as well as raising a lot of money that will go straight to Framework. It's a really good way of getting people involved and raising the profile of the issue."

"It was really positive to see so many people and groups joining in with the sleepout, such as the Scouts and West Notts College. "I want to thank every single person who has donated and all the organisers of the event. I've worked closely with Framework, they're a genuinely good charity, so I know that all the money raised will be put to helping the homeless in Mansfield."

Since being elected, Ben has made tackling homelessness in Mansfield one of his main priorities, having brought a number of senior and cabinet Ministers to Mansfield to discuss what support the government is able to offer the town.

Ben was joined on the night by his Mansfield based Parliamentary Office Team. This included his Office Manager Bethan, his Caseworker Steph and his Assistant Thomas, as well as local Councillor Stephen Harvey.

Mr Bradley's fundraising will continue until May, with all money raised going directly to Framework.

THE ROYAL BRITISH LEGION

Trip to Bridlington

Branch members and friends braved the weather to visit the Legion Break Centre in Bridlington. Thanks to the generous donations of friends of the branch and fund-raising efforts by members, we were able to hand over a cheque for £1000.

This money is going towards their Minibus fund. They need to buy a new minibus that meets current regulations for carrying disabled passengers. Veterans and family using the centre can then be taken out on day trips.

Pictured is Branch Chairman, Cliff Meredith presenting the cheque to a member of staff.

The Legion offers much-needed breaks to ex-Service and serving personnel and their families. If you or a member of your family is recovering from an illness, bereavement or other life-affecting event, the Legion can provide a comfortable and enjoyable break.

Did you know - Help and advice for Beneficiaries

Immediate Needs Grants:

The Royal British Legion can help with white and brown goods, clothing vouchers, food vouchers, removal costs, funeral costs, rent and bond etc.

Employment and Training:

The Royal British Legion can assist with starting your own business, finding a job, covering the cost of licencing (SIA, CSCS etc.), CV writing and interview skills, helping with training costs required to gain employment, etc.

Benefits and Money Advice:

The Royal British Legion can assist with paying off priority debts, paying bankruptcy & DRO fees, negotiating with non-priority creditors, benefit entitlement and claims, war pensions and armed forces compensation schemes etc.

Mobility Aids:

The Royal British Legion can assist with riser/recliner chairs, profiling beds, mobility scooters, care phones, Disabled Facilities Grant applications and contributions etc.

Poppy Breaks:

The Royal British Legion can provide breaks for families or older people, respite breaks, breaks for people with disabilities, remembrance tours etc.

Overcoming Barriers to Work:

The Royal British Legion can assist with getting a car back on the road (MOT, Tax, Insurance), paying for bus or train fares, purchasing a bike (including lights, locks, helmet) or helping with food vouchers if their benefits end before their first pay cheque etc. The eligibility criteria are based on 7 days service in the Army, Navy, RAF or Marines (including reserve forces such as the TA) or their dependents (including partners/spouses and ex-partners/ex-spouses, carers and dependent children). Footpath & Countryside Group

After the very damp start to spring we should be keeping an eye on emerging tree leaves to check whether the old saying "Oak before ash, we're in for a splash, ash before oak, we're in for a soak" will predict more rain.

By now we may have heard the call of returning Cuckoos. Grasslands should be turning yellow with Buttercups and Cowslips. Bluebells will be a highlight of woodland walks with fine displays in Collier Spring Woods at Church Warsop, alongside the footpath through The Shrubbery between Nettleworth and Park Hall and beside Hanger Hill Drive.

Bluebells

One of the signs that summer is on its way is the return of swifts in early May. Before their numbers declined, the sight and sound of them swooping and screeching between the houses and soaring high above the rooftops was a feature of warm summer evenings. Reports suggest that numbers have declined by around a quarter during the last 25 years. Two significant factors seem to be the loss of nesting sites and a shortage of insects. Most swifts nest in roof spaces, entering under eaves or through roof tiles. Unfortunately, these sites are all too easily removed during property renovation, denying swifts opportunities to nest.

The results have been published of the RSPB Big Garden Birdwatch 2018 that was carried out by many people in January. Yet again, the house sparrow was in the top spot with the starling at number two. At number three was the blue tit, followed by blackbird, woodpigeon and goldfinch. Number seven was great tit, number eight was robin, and in at nine and ten were long-tailed tit and chaffinch. These results may have been influenced by the weather on the survey days and by the lack of harsh weather before the survey allowing some species to find enough food in the countryside. Greenfinch numbers are increasing slightly following a drastic decline in recent years. It appears this year's rise may be due to good conditions during their breeding season in 2017. If you have been feeding your garden birds during the recent cold weather, please remember that they may also need feeding during their breeding season.

This is the time of year when the Footpaths Group's main priority is mowing grass along Warsop's public footpaths and bridleways but other tasks this month will include checking for any Himalayan Balsam taking over our riverbanks and surveying a stretch of the River Meden for evidence of Water Voles. If you would like to join in any of these activities please get in touch. The Water Vole survey will probably start at the Mill Dam around 10am on the last Thursday of May if conditions are favourable.

Our next Footpaths Group walk will be on Saturday 19th May. The destination has yet to be decided but we are planning to meet at Warsop Library at 10am. Contact us if you would like to join us or would like more details.

MDC PRESS RELEASE

Meden Sports Centre Update

Customers of Meden Sports Centre in Warsop can continue their lessons and activities at one of the district's four other leisure centres from 23rd April.

Mansfield District Council will be withdrawing from managing the service at the sports centre and public access to leisure and fitness facilities will cease at the end of the business day on 22 April. The building will be handed back to the owners, Nottinghamshire County Council.

Gym and leisure users will be able to maintain their fitness and transfer their Meden membership to other council centres across Mansfield with the Meden Sports Centre reduced rate honoured until the end of July.

Meden Sports Centre membership is fully transferable to Rebecca Adlington Swimming Centre, Water Meadows Swimming and Fitness Complex, Oak Tree Leisure Centre and River Maun Recreation Centre.

Mansfield District Leisure Trust, which manages the council's leisure centres, is committed to providing leisure activities for all ages within Warsop. A number of activities have already taken place in alternative venues including yoga, adult taster sessions and free family activities during school holidays, and many more will follow.

Carers and Partners Social Group (CaPs)

The Carers and Partners Group is for anyone caring for a relative at home of any age or ability and in need of care for any reason. If your partner is already in full time care but you feel the need for support then you also are welcome.

The group has renamed itself CaPs (Carers and Partners Social group). This is a few hours when we can gather together and share some fun time and food. We open the doors to the Stable Barn in the Parish Centre at 11am when you are invited to take tea and coffee. We have a shared lunch at 12 noon followed by some relaxation and seated yoga for those who wish to participate. We finish with tea and cake and are ready for home around 3.30pm.

Our current 'addiction' is sharing and listening to our old vinyl records, and remembering some very good times, oh and inevitably some singing, but not a lot!

As the first Monday in the month for May is a Bank Holiday, the group has decided to move their meeting to the 2nd Monday in the month.

So we will meet on:-

- Monday 14th May
- Monday 11th June • Monday 2nd July

THE DUKERIES
Singers
Your Local Choir

Well, " I CANNOT BELIEVE IT!!"
I sit by the radiator because we have snow outdoors again! I sincerely hope we are all warmer by the time you are reading this.

In a rare burst of enthusiasm, I retrieved the propagator from the shed and sowed lots of seeds and now I have to move them on and the path is too slippery for me to access the greenhouse.

Fortunately the Choir is not subject to the vagaries of the weather as we rehearse in comfort every Wednesday evening from 7-30pm until 9-15pm in the Concert Hall at The Dukeries Academy in Ollerton. This is best accessed via the Leisure Centre entrance and car park.

The Choir has a Summer programme of engagements that we are looking forward to performing.

Our Diary Dates are:

Saturday 12th May 2018

We present a concert at Farndon Church at 7-30pm.

We have Choir members, ex Choir members and many friends at this venue. It is such a joy to perform for them.

Saturday 23rd June 2018

We perform our regular Summer Concert.

Because this is our 40th Anniversary and we are hoping for bumper numbers to help us celebrate, we have moved our venue to the Jubilee Hall on the Wellow Road, Ollerton, where we shall have more space. We are looking forward to this event and warmly welcome ex Choir members and friends to come. We have just one founder member left in the Choir, as enthusiastic as ever and much valued.

We are delighted that "The Gentlemen" will be joining us to sing in their own inimitable style, a welcome addition to our celebrations. The Concert begins at 7-00pm and tickets cost £7. They are available from 01623 863450

Saturday 7th July 2018

We present a Concert at All Saints Church, Weston, at 7-30pm

We are looking forward to singing at this new-for-us venue.

Saturday 21st July 2018

We have again been invited to sing at Milton Mausoleum at 7-30pm.

"The Gentlemen" have also been invited to sing so a super evening of entertainment is guaranteed. It is such an evocative place to sing. Very goosepimply, but in a nice way.
